3003. Re: WHY ARE CHICKEN BANDERS SO GAY?

<<<<WHY ARE CHICKEN BANDERS SO GAY?

Now, ain't that the pot calling the kettle black?

First. leet's take a look at the ham bands, shall we?

When I listen to the ham bands, I hear most of the male
hams telling the other male hams, "peace, love to you,
and 73's".

hmm... male hams telling other male hams "love to you".
Definitely gay.

However, just because the ham bands are gay desn't
necessarilly mean the cb band isn't.

So now let's take a look at the cb band, shall we?

When I listen to the cb bands, and even the hams
admitted that when they listened to the cb bands, all
theey hear is males telling other males "F.U." and
"Say that one more time and I'll come over to your house
and beat the living sh** out of you,"

Definitely not gay. And definitely
not chickken. Some would even say manly.

So there you have it.

The facts point to the ham bands being gay and the cb
band as not being gay.

Look, there is no evidence.. .. ! So, they can not truly believe their therefor false allegations. But as demonic liars, they intend to murder the innocent as enemies to G-D to thieve further from our precious resources. All because Americans refuse to demand open challenge through international debate with Johnny. Again, no soldiers appose me publicly speaking. Look for yourself.

Israel--Above the Law? or No Law
http://mparent7777-2.blogspot.com/2007/12/israel-above-law-or-no-law.html

S.O.S. -- Save Our Spectrum
http://www.freepress.net/spectrum/

/ / The FCC is about to auction the exclusive "license" to this spectrum, called the 700 MHz band, to the highest bidder among the big telecommunications companies. \ \

Look, the FCC works to destroy a free America by repeatedly attempting to sell out the public's interest for greed. And we know, eventually they will thieve our remaining rights, because we can't be expected to repeatedly "we won" this fight, just to have them return to their same public office space to go at it again for private evil interests. The waves are ours. Again, in Manitoba Canada, a province population that exceeds one million, we have one serious c.r.a.p. radio news station, and one newspaper that propagandizes our views for criminality. Two private media entities that hold back saving our blinded City and nation being plundered. They're

pro-war, pro-killing, as pro-censorship when it comes to how they criminally benefit off the victimization of Canada's elderly being THIEVED from at the casino/lotteries. As a consequence they lie to our made dying Soldiers, that nobody can deny are our most weakest to speak humanely. Like blobbing drunk sport fanatics, who as terrified, chant they're winning! as paying losers. These mindless drones will pay 100 dollars to sit in a balcony that charges 5 dollars a draught as the hometown pied! The public pays for the chance to be taken as granted to anything without a voice for fairness. Just as the volunteer bushite soldiers are universally evil dumfuks who rape, thieve, and murder.

Fight back for Life to Win against the national broadcasters like George Norry, CNN, and FOXNEWS that willingly forbid US to know what we need to know to defend ourselves from deathly terrorism. Al-Qaida = General Mahmoud Ahmad, and pro-repuglicons want to see YOU die first as the innocent forsaken, before allowed the right to defend freedom to the last bushite breathing. Death to the bushite, death to the enemies of Freedom for Humanity.

Support our calls for open debate on our international channels of state. CBC, CNN, BBC and FOXNEWS specialists, are warring our lives by forbidding US speaking for freedom's stake. "A free man shall not be imprisoned" is not ideology, it is the freedom to be freely communicated. To except CNN and FOXNEWS is unbiased when it comes to kidnapping and torture, war criming and poisonings, is to except corporate news interests do not serve the interests of defending US, the dying forsaken public. The waves are ours. Let Johnny speak for public challenge on Coast to Coast.

Again, Lt. Gen. James N. Mattis, the women and child killer, is the American 'Judge' appointed by the bushmob to delineate good from evil on this matter of fully confessed indiscriminate murdering. Again, thieving bushite dope pushers, don't hunt the terror group Aegis, no instead, drop bombs on innocent families, to die in collateral as cowards to tyranny. As so planned by the

Pentagon's P2OG. Defend America's America, by supporting the arrest for global public trials of the criminal Bush regime, the evil neocons for the crimes of 911. Please, bill a bushite like "mad dog" Mattis to save an America where innocents are defended from the enemies of Justice. The enemies of God. CNN, CBC, and FOXNEWS is not doing our jobs by reporting blindly lawless bushite thieves for the antichrist are heroes. This ain't right

Look, the guy who murdered the two thieves, is guilty for
such. He acted to intentionally murder. MURDER. Do cops
kill kids who steal bubble gums?, or if they did, would an
American then think justice lacking? Cops were near the
scene, and the murderer held no pause to kill thieves with
their hands full. How about, 'drop to the ground' before
pulling the trigger? No, the murderer told US he wanted to
murder. Would spitting on the ground in America blindly call
for executions because who knows what the spitter would have
then done later? The thieves were of no alleged personal
threat to life by the murderer, and would have likely been
caught by smarter cops who were in waiting.

Torture IS illegal, yet, the TV threat is trying to teach America that We, The People, haven't spoken on this issue since Law came to be. Please, I beg, please fight back for Humanity by not excepting a zionist's betrayal to G-D on this subject. TV celebs are programming that waterboarding, head slapping, and the burning of innocent people to death for a treasonous bushite's satanic pleasure, is arguably in support of defending my dying America, through assisting in the neocon's escape for 911. Death to the torturers of innocent people, death to the enemies of Christ in America.

/ / Welcome to the world of the reality in which a Jewish American Zionist man can cite Nazis in defence of torture tactics. \ \

The demon isn't Jewish my friend, isn't Jewish. I'm the King of Jews, who would advocate the death sentence for such criminal tactics to defend our innocent selves from the ungodly. Wouldn't you too?, cheer to hear the arrests of the satanic enemies of Man deprived our wills, instead of ourselves as the innocent they victimize to thieve from for Zionist Nazi fascist enemies? A person accused of a criminal offense without any evidence is innocent. Demand open communications on our, happy happy demonized to suffer dumber than dumb coast to coast air wave specialists.

ect..

Look, torture is criminal. Do you physically slap your neighbors, to find out if they did the criminal's crime?

Should we slap Rivkin to ask him if he plans to commit crimes against the innocent, and if he then says no, again repeat till he's rightly dead from hearing a liar's denial?

Torture is a crime warranting a life term sentence or death in America by LAW - firmly established already by the "War Crimes Act" of 1986. Demand Justice to save the lives of our innocent selves forsaken by the for cash profit, private news parrots. Believe in US demanding open debate for a positive change why don't you.. Nazi Germans were a happy happy bunch too over the growing threats of torture and enslavement through blanket annihilation... initially. Don't let Bush further hurt my dying America through his personal self contempt for our shared values.

http://www.whitehouse.gov/news/releases/2007/11/20071107-5.html

Look, November 7th, the demon antichrist stated he and the neocons ordered the murder of more than a million innocent Iraqis indiscriminately because, he was simply enforcing UN resolution 1441. HE LIED. [how else could the UN officially declare bushites as war criminal? NO CAUSE!!] And multi-million dollar salaried, "American" reporters, who full time, claim to represent American interests while you slog double full-time for corrupt private bankers, refused to call him on it to defend ourselves from his easily provable demonic tirades against God as the innocent. On the scene, and still today... YOU, as American are TRULY dying for George Walker Bush's continuing LIES. Johnny Wizard is Forever King of this moment being. If you can't believe it is important for you to raise your cries for justice likewise, we're all going to be done for lost to indifference. Defeating the neocon is serious business my brothers, serious business.

http://www.globalpolicy.org/security/issues/iraq/occupation/report/atrocities.htm

/ / commanders may give orders to "shoot first and ask questions later." \ \ KING RULES: Aim to and kill innocent people, your guilty of murder. Order such conduct, like amerika's George Norry would boastfully crow, your guilty of nazi war crimes.

Bill a bushite to defend Humanity, to return a freedom for believing. Every thieving bushite dumfuk grunt of the Air Force is a demonic LIAR, accessory to mass murder. And even though, CNN, CBC, and MSNBC suggest TORTURING innocent people to death isn't illegal warranting the death sentence, it still is, and will remain so for as long as we live to die a bushite war criminal for defense in America and God, so says the Son of God, as Man of men. Die bushite die.

The bushite has murdered many thousands in Afghanistan to push dope, more than a million in Iraq to steal life as lawlessly

demonic, all the while actively thieving to destroy Johnny's America for the praised by TV 'neocon who?' news peelers.

Bush closed 911 investigations immediately after the terrorist offense of no questions! no questions!

AMERICA RISE FOR AMERICA

Support the arrest of Bush, Cheney, Rumsfeld, and Condi with Myers for the TREASONS of 911 to save Your freedoms to be so, or don't, and see if we care truly ever.

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People. All to help 'escape' the neocon ENEMIES of America - they also support "officially" destroying Our public infrastructure, thieving humanitarian aid, while incarcerating innocent people to collectively be punished by the TRULY Satanic enemies of man. All truth will be disclosed by the revealing hand of God.

THE GREAT KING OF AMERICA

PBS et al.. The bushmob is thieving billions from America as we speak, to further terrorize a dying America lost to the indifference broadcasted daily on almost every radio and TV network as our silenced voices.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American." Johnny America begs to disagree with criminals actually, and has taken a stand against these 911 war mongers escaping our authority for proper Public acknowledgment. If you, my reader, would only support yourself.

Please, my friends, fight for our dying America. The TV and radio celebs deliberately refuse to allow US to know: Ahmad funded Atta, and, of the videos of iron flowing like water from the WTC towers - all to KILL ourselves for the enemy liar neocon. To KILL. OUR innocent families are being robbed and murdered. CJOB, in Winnipeg, like FOXNEWS, lies daily to dumber than average teen soldiers, not to defend freedom, or Canada, but to die for dope pushing Islamic fundamentalism in assisting the truly evil neocons escape for the crimes of 911. How can anyone be so truly evil to Humanity you may hide in fear of confronting directly? CJOB relentlessly THIEVES from Manitobans, with our seriously corrupt lotteries they pocket millions in criminal gains stolen from our most poor and desperate, they work to CRIMINALLY give away our public resources to their self described Zionist, 'kill the Jews, kill the Jews' anti-humans. These nazi pigs celebrate their public hatred for innocent humans with LIES about 911, Israel, and anything else that threatens Justice to win through free open communications. Bush, as does every neocon, needs to be tried publicly then executed for the crimes of 911 with his partner, General Ahmad, according to every honorable Police agency that uses evidence to form OUR conclusions. Please fight for Justice, please fight for Life, please fight for yourself by picking up YOUR phone and calling for a Humanity that would care if you tried to do what was right. Do you expect yourself to fail trying? Just try for your life's sake I beg, just try. Or.. die you will, die YOU will. Christ kills a bushite with a Love for GOD that will never die, but I AM ONLY ONE MAN. WE HATE bushite to death I do, see?, wouldn't you as anywho too? Think about it. Dying as a slave to the demon antichrist, or live for a better future by demanding Justice IS Freedom. We want to be Just for ourselves to be believed in. We, The people, want true accountability. Don't be cowardly stupider than stupid allots.

It is not just a Muslim who sees the bushite as an enemy to Humanity. These lawless savages have been acting without accountability to anyone, because they are largely enemies of every American, who cowardly run from responsibility in America to defend their own brothers and sisters from the LIAR neocon, and die instead as/with rapists, torturers, and Art Bell liking THIEVES. An Oath to God means nothing to a busite grunting savaged criminal, claiming to be lawless as an enemy to EVERY HUMAN BEING. Remember: these thieves have stolen from

all still paying Americans dying from true self contempt. No evidence against an accused is US being truly abused.

Listen to this demon nazi witch, the zionist bitch who personally FORBADE a plead to stop indiscriminate killing in Lebanon, assisted in dropping seven million land mines on Lebanon, and was CENTRAL to the invasion of Afghanistan for Enron's master plan, tells US with bushite lies that no, Iran was responsible for the terrorist crimes she fully acknowledges to be responsible for actually. I ASK: ARE THERE any soldiers from America who don't believe this 911 witch shouldn't be tried for high treason as a bonafide TERRORIST? Listen to the end where she says America supports Iran's pursuit of nuclear energy... so why does she want to murder millions of innocent people with fall out then.. EH>? WORLD: threaten to liberate nazi America, if they indiscriminately murder millions more of innocent souls without cause, but for the demon antichrist thieves who speak nothing to defend Humanity. Much like happy happy who cares Germans were under "liberator" Hitler. Except however, in our defense, we at that time, didn't have our internets, or so many, 'you have no power, you have no power' corporate news channels for Americans to quietly sleep through. Americans who refuse to speak outrage in the defense of the Human Race, are Americans not worthy the title of fellow Human beings. All they as bushmob amerika have done, is thieve, destroy and murder from everyone of US since 911. I am growing wearily concerned over whether Americans even can still express real anger over their continuing sacrifice.

ZIONIST NAZIS QUOTE US SAYING everyday 'Kill the Jews, kill the Jews' No, bill the escaping un-arrested zionist god betrayers who rape, murder and steal from Humanity as LIARS - all done by US to DEFEND Jews, to Defend G-D, To defend Christ. Christ - Born King of the Jews, as true King of Kings - I am by no accident in every word, truly greater than 'great'.

True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unacceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushwhacker neocon soldier, a foreigner who apparently speaks no defense for innocent Americans dying sacrificed as conned for the ill stolen gains of the 911 trifecta. Justice to the lying enemies of freedom for America in Christ. Justice for YOU.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Johnny Wizard has arrived..

Spare me some money won't you please for this art of wondrous tragedy?, Jeeze.. I seriously need money to feed myself.

P.S. I'm still hoping that Coast to Coast will bill me godman co-host, all to openly address these freedom for all operations, with Justice ruling our way over the irrational tyrannies practiced by others happily blinded. Evidence is

required to convince ourselves on who is good or evil.
Period. Don't like it? Too bad. We are on charged!!

CJOB STEALS millions from poor Winnipeggers through their
fraud of lotteries, and as a consequence, they'll cheer our
sons and daughters to die cowardly instead, for lawless Bush
rule, where evidenced findings of Our police agencies are
forbidden topic material, like mathematics, and instead, bin
Laden did "it", now die for the demon antichrist LIAR ENEMY OF
GOD. Al-Qaida = General Mahmoud Ahmad

. as the bullets began to fly, the blood sprayed from between
her eyes, and then I laughed maniacally." [, then were heard
the cheers of godless bushite dumfuk traitors obscening to God

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously
kill this lawless bushite enemy and his demonic ilk, for our
love of girls everywhere? Or, how about the UNARRESTED
soldiers we witnessed on video beat shoeless children
practically to death while laughing and cheering? Or like
those that speak zero defenses for Haditha's confessed MASS
MURDERING irrational women and child killers? The REAL demons
CONFESS to going into a house, WITHOUT reasoned approach, and
slaughtering an entire INNOCENT family.. for nothing but
their lifeless SATANIC pleasures. The 'cause'? "The [mass
murdered unarmed innocent neighbor's] back door was open.."
To, for God, gloriously, with love, kill these unarrested
murderous continuing ungodly bushite nazis, is to war the TRUE
enemies of Humanity to save the lives of our precious loved
ones.

Oath to God

The bushite took an Oath to God and country to defend America
from war criminals, and instead, as cowardly neocon bush
bitches, commit war crimes of theft and mass murder against
the great Iraqi People. A soldier in the air force, is a

dishonorable nazi savage, worthy the death sentence for assisting in bombing Humanity indiscriminately as zionist enemies of Christ, attempting to destroy Johnny's America with their provable DEMONIC LIES. Death to the bushite enemies of Life, who lawlessly war Creation with torture and slavery to 'escape' the neocons for 911. Your magic TV exec excuses don't mean squat when the facts are so readily available. But a bushite don't read, or write, or think freedom. Zionist enemies of ALL Our humanity, murder to believe US won't ever hunt them down by Law to defend ourselves over. Hammurabi LAWS to bill the false capital accusers first, and everything else will fall into place. [note: Hammurabi founded Civilization.]

Look, do you want to defeat the bad guys, or not? Bush gave US zero evidence to form our free thoughts on the 911 Justice issue. Treason. Simple.

I have the plan. Return all the stolen monies, and hunt those who rape torture, or murder. And.. get the neocons for treason on 911 most especially. So, here we go..

Bombs Kill People

Nazi Israel, the ungodly nation that murders Christians in G-D's name AS THIEVES, deserves to die as proven war criminals, to bring about a living nation that respects the Jew by Law, to be just me or You living freely for happiness. Israel is a nation who's nazi government HATES GOD, because they are known BY ALL as a criminal in nature, a unjust first degree murdering zionist demonic thieving enemy non-entity of dying life. MAKE OATH AND SAY

Christ, The Son of Man, begs the godly men of Earth, to
judicially bill on sight, any neocon soldier who supports the
carnage waged in Afghanistan as cop killing dope pushers. CNN
must, and WILL be tried for high treason for their demon lies
broadcasting the northern alliance don't push dope, while the
Taliban did, and do. CNN execs will be put to death for such
demonic claims that stand no ground in the light of all evidence.
Plus, the Taliban were honorable in defending America by demanding
facts to form our conclusions on how bin Laden is in anyway

connected to the crimes of 911. Example: how did bin Laden sneak the explosives into building seven with his bulky dialisis machine dumfuks? I HATE bushite to death I DO. Death to the bushite, death to the enemies of Mankind.

AMERICA HATES BUSHITE

/ / The [BUSHITE ENEMY] US has said it would refuse any request by Italy to extradite the accused [satanic bushite torturers of completely INNOCENT PEOPLE]. \ \

Protestor's sign: "killing innocent people is the problem not the solution."

Christ, The Son of Man, begs the godly men of Earth, to judicially bill on sight, any neocon soldier who supports the carnage waged in Afghanistan as cop killing dope pushers. They shoot innocent women and children dead in the streets for humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Kill a bushite LIAR, why don't you my brothers and sisters of the faith in something greater than bushite godless tyranny?

Soldiers of fortune: kill the lawless bushite nazi savages to defend MY dying America.

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for

prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

-

/ / The mere fact that one can deduce a motive for a person or a group does not mean that they perpetrated the act...and it hardly suffices as proof of anything.\ \

Just try telling that to 'why work to make life better' CBC, CNN, or FOXNEWS censors. Look at me!! They refuse to acknowledge my documented info as REALLY important to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies of America at the Coast to Coast radio network, who would kill Americans for the rich neocons without question. It's JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC zionists, actual treasonous LIARS, actually smile to dying Canadian soldiers with only true contempt. CBC kills Canadian kids, with their intentional demon lies, trying to subvert Justice for God and Johnny. In fact, yesterday, they did a special, all on how "God is NOT Great", giving that bush bitch demon LIAR, all the space to pontificate it's hatred for Wisdom, Science, and GOD, with only nods and smiles from the 'illiterate' hord. Remember: A zionist KNOWS it's an enemy of Humanity when it supports dropping seven million land minds to murder indiscriminately OUR CHILDREN for decades, or stealing a Christians Home because they say God says Jews would do such ungodly acts. Blame innocent Jews the holocaust denying zionist shout, of which not one, is a Jew. Like me.

REMBERANCE DAY

All to die our Humanity for the

thieved loss of evidence to demand ourselves of some official
freedom time to deal with our terrorized as suffering reality.

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney, consults with neocon authority in Egypt, and anti-Jew Saudi Arabia, on how to best torture innocent people to death as TRUE enemies of Man. Has anyone read the fiction 1984? 'Why is it so crazy'?, you might ask an un-responsive big sky of Love? Well, the Bush administration committed 911 with General Ahmad that's why.. and threatening Humanity with torture, is how the neocons plan to fear YOU into speaking nothing for the defense of innocent others.. As a consequence, more than half the monies spent each month on this war against civilized Life, isn't accounted for by anyone. Except those at the Pentagon STEALING from a deafened America. In fact, Moyers at PBS reported none! of the billions flowing out of American pocket books EVERY MONTH for the bushmob war monger shysters is actually audited for the taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making an effort to demand real Justice for dying American values.

CBC just did a report about all the great heroin coming in from Afghanistan, that will still cause crime, and be illegal, (and maybe give you life in prison as an American,) but brought in with the help of the demonically evil bushite thieving murderous military, by the likely ton full to attack our direct family left un-protected, BY YOU PERSONALLY. And guess what? THEY, our media masters, couldn't care less if they actually tried to be our good guys. Reminder: the god guys is good, the demon liar antichrist evil enemies who thieve from Life with censorship is bad. If they hide ourselves too far, they loose all around, up and down. So get to it. Or don't. Your choice. Life lived Now, or damnable death by cowardly design brought forthwith under your own power to do nothing under such terrible costs against our suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open

communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

I want air time with the one and only real man in these here parts, Mr. Johnny America, our glorious make believe creator of all we perceive religiously, self realized. He's a genius!

Help me gain access to speak freely for open challenge against Hannity, and of America's Coast to Coast Radio network hosts, who deliberately deny you to contend, we're really, one hell of a great bunch of People persons with rights God damn them.

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. {KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the

life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida = General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology, in fact, it was only months ago where amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the bushite why don't you save some innocent lives for God in America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through

mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911 terrorist event of no questions!, no question!

Investigating the Investigation

/ / After playing a tape of Cheney's statement, Russert asked Daschle, "Did the vice president call you and urge you not to investigate the events of Sept. 11?" \ \

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

Our Mr. Bush Jnr. "Torture is not a part of our soul."

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

DIES! And, as such, the cowardly American enemies, refuse by willful silence to speak bravely for the up coming war crime trials of every neocon traitor - all for the sinister evil actions of mass murder in America on 9/11. ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. Look to see, almost all political internet traffic condemns Bush straight to hell well he rightly belongs, but the polls still say no - WE, seeking for Just cause, are the minority.. just roll over and die for the neocon betrayers to god and country, life and loving.

I propose we try CNN's Glenn Beck for nazi treason, and upon easily successful conviction, we put the demon liar to death along with bushite Tatum who confesses freely to slaughtering innocent Iraqi civilians for satanic pleasures all to serve the neocon agenda of swindling America TO DEATH for cash profit through neocon censorship. Mattis, the woman hating documented child killer, was made into a 'Judge' for the bushite's version of a war crimes 'trial', that hasn't even yet truly transpired, for the evidence was not brought to light through the proceeding, such as Tatum's full confession. But, of course, Glenn Beck, the treasonous liar, doesn't want America, the dying by contempt, to truly know that. For, he'd be likely dead as sworn enemy.

True Enemy of Liberty

I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really set ourselves free with..

"Al-Qaida" = "General Mahmoud Ahmad"

A neocon bushite soldier is a true enemy of Liberty for America. They as DEMONIC LIARS, are dishonorable THIEVING nazi savages that bomb our innocent families with criminal intent to MURDER. Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the true culprits responsible for 911. TRAITORS.

See my friends, this is why I, as the Son of Man beg and plead for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged, who believe as satanic demon whores of Molech, they can con all of US including me forever, just like dare dubya. Dumfuks to their bitter end.

To Kill a Bushite, is to be Heroic

American soldier: Your enemy is TRULY LIAR happy George Norry. CHRIST RETURNS

I again, beg Humanity to speak in opposition to Amerika in the
defense of our innocent forsaken dying lives. CBC producers
know the bushmob did 911 but lie with propaganda to kill our
families for the ungodly as thieving neocon enemies. They
refuse to inform ourselves that Al-Qaida is General Mahmoud
Ahmad, as according to the FBI. Or that video of iron flowing
like water from the WTC towers exists indicating without
doubt, the bushmob enemies did 911 as TRAITORS.

Today, there is nothing more i wish, than to hear bushite nazi
savage thieves for the neocon die rightly, before the innocent
they target for murder. All in an attempt to 'escape' those
truly responsible for the crimes of 911 a bushite whore
practices, as an enemy to Christ and America.

Evidence is required to convince ourselves on who is good or
evil. Period. Don't like it? Too bad. We are on charged!!

Who cares about yourself if you won't listen as reason to?
What can you lose when you have granted to be blindly stolen
from?

Zionist nazi Israelis, do tell as LIARS, that Israel, the
nation that openly thieves, tortures, and murders daily thoses
THEY ADMIT are commpletely innocent, are enemies of every
religious person denied access to honestly speak the facts as
firmly established since the dawn of Man.

$4.50 for Every Pop Can?

Did you hear? A DOJ manager charges American tax payers $4.50
for every can drink he, and the rest of his cadre can swallow.
Buying bulk, the pop cans likely truly cost 35 or so cents.
So... who's pocketing the stolen loot? Cause, you know that
would be FRAUD. CNN reported that your 'meatball' story would
cause no demands for the returns of stolen funs, no bushite
would lose it's high costing position, as no one would be
tried for treason and gloriously put to death publicly for the
defense of God and country. ..They were actually laughing..
This seems as good a reason as any to take back our TV world
from the bushite neocon enemies of freedom through openly
communicating. wadyahsay??!!? I want to address America, on
how to return a reason for believing.

Make it so.

I AM AMERICA

Sattler ordered the murder of more than 200,000 innocent
people in Fallujah, and they speak nothing but lies on how
such demonic behaviors are godly as just ignored. Our Lives
forsaken, as they hold their very own to die sacrificed for
the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN
broadcast "Anvil of God" regarding the demonic actions of
Bravo company. They forgot to tell America importantly, nazi
forces forbade the population from leaving, gunning originally
for everyone between 15 to 55, but sided instead to murder
infants and the elderly too, when beginning the Zarqawi

campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

Tatum, who freely confesses he's a proud child killer without apology, is being made a free man in evil bushite amerika. The TRAITOR prosecutor has ridiculously stated to our world -

/ / Lt. Col. Paul J. Ware wrote in a 29-page report that there is insufficient evidence to show that Lance Cpl. Stephen B. Tatum did anything other than follow Marine Corps rules when he killed [for no reason, innocent] women and children \ \

TATUM ADMITS he enjoyed slaughtering the defenseless families deliberately!! In fact, he wrote a card to a dead marine's family, testifying that he murdered the innocent young girls for the tyrannies of the antichrist. Evidence that TRAITOR Paul Ware and Mattis hides from the Christian American Family. Will YOU, as an American man, allow these two bush bitch nazi punks to survive as furthering the commitment of more war crimes against the INNOCENT? as a zionist neocon's "Hero"? Will You defend our girls? Peoples of Earth! Help Me save our children.. please.. please..please

TRAITOR Paul Ware "Tatum shot and killed people in houses 1 and 2, but the reason he did so was because of his training and the circumstances he was placed in, not to exact revenge and commit murder."

TATUM STATED DIRECTLY IT WAS TO EXACT REVENGE AND COMMIT MURDER!! HE WROTE SO TO THE FAMILY OF THE MARINE WHO DIED! A FAMILY WHO WOULD MOST CERTAINLY SUPPORT TATUM'S EXECUTION AS DEMONIC TRAITOR TO FREEDOM IN AMERICA!! ASK THEM!!

See?, Tatum is a zionist, but not Jewish!!! While neocons suggest our reality impossible without corporate challenge for exploitation of our 'unrepresented' lives.

TWO OF THE PROTECTED 911 HIGHJACKERS WERE WORKING WITH SAUDI INTEL!

Americans to murder for the evil neocons with threat of his
going "ballistic" against any or all Americans who try to

What Freedom do bushite war the innocent for to rape, pillage,
and murder as blind neocon followers of the 'lawless' demon
antichrist? Eh?

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to
the dying American Marine, that the ungodly bushite wars to
escape the 911 perpetrators hold some hidden benefit, as the
TREASONOUS neocon thieves freely rob from both undefended

American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt for Our worthy lives. Sattler ordered the murder of more than 200,000 innocent people in Fallujah, and they speak nothing but lies on how such demonic behaviors are godly as just ignored. Our Lives forsaken, as they hold their very own to die sacrificed for the unelected neocon. I AM AMERICA.

ABCNEWS.com : FBI Called off Terror Investigations

THERE ARE certain principles that we would all agree to publicly speaking. There are criminals who don't like these ideas, but they ain't going to speak out against us. Example 'I don't want to be held accountable to the American public, cause I want to steal that 16 billion dollars for myself. That's my public opinion.' What are we going to do but defend ourselves of deathly lawless tyranny, eventually. Or, you won't by DECIDING not to decide. Support our rise as the top cop of Humanity, coming down for diplomatic talks to engage the flagrant wanton stupidity of the bushite grunters. All on hopes you'll consider also, these Kingly texts worth a couple hedge funder salaries, a sixty cent barrel of oil marked up to 74 dollars, or a thousandth of the money America would save in a year, if you adopted Canadian Health care systems overnight for yourself to immediately provide all People the respect for life we deserve. Nazi zionists gave US Jews a bad rap again I see. They're despicable criminal savages the neocon.. who steal the rights and privileges of US peopled folks, all to fall victimized with their self confessed contempt for love and justice. Condi's crew dropped seven million land mines to murder ourselves for generations, and, shouldn't she and the neocons responsible be put to death for such conducts?? If not then, when? discuss.. They openly target innocent human beings indiscriminately without apology, but excuses that don't hold water. Not that corporate news professionals are even pouring! It's most definitely the re-occurring true story of a censored mankind with You as it's innocent victim. For, what human would support victimizing others for the tyranny of blind terror? Only bushite amerika would fall silent under such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it will discontinue its practice of "capturing" populated Palestinian villages during military training exercises. \ \

Tell me, is this the godly people the neocon boast of for defense in? Or, just again examples of standing terrorism against life ourselves - committed by the censored as will giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly the very same terrorist acts they say we should all be outraged against? Somalia is a case to point. They murder helpless people as bushite, then say they'll remain dying to thieve further as enemies to Humans being. It doesn't fool me, but perhaps it does you. A neocon soldier murders innocent Iraqis, while selling you they are all there risking their lives to bring freedom. So, they die. For lies. Die. Again, KNOWN Aegis goons openly commit crimes against Iraq done officially to get killed! the supposed to be Patriot Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminal savages.

Why suffer otherwise this way under the tyrannies of naked neocon plunder to deny our lives for measured justice I ask YOU again, please believe: truth will set us free.

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

I can't understand why you can't help get this party up as starting by supporting our rise to highest acclaim with my authority free willed to anyone. Let's face it, we're great because Your great. However, for greed, corporate america

911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty

to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered

It is important to also realize, this intelcenter terror bringer does nothing to sell the arrest of the actual perpetrators of 911 by supporting our Policed requirement to form actual evidenced conclusions in our the land of the make believe. Now, who personally are these pro-bushite anti-American terror scripters, and what is it going to take to find an informed citizenry out in these here parts, to make the proper conclusions by phone calling for furthering our infos around to channels of command of the big ringers in the sky. I'm sure we's a be furious over these facts of high treason in America if we were allowed to freely say as much on our radios and TV networks. Al-Qaida = General Mahmoud Ahmad

That's what I'm talking about.

I, as the Son of Man, DEMAND, America order millions of gallons of clean drinking water to be shipped immediately to Iraq to save the lives of US, the Human species. Please, help US make this a reality. Today. Please.

PLEASE HELP US

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People.

General Johnny would teach MY soldiers to immediately arrest to kill for such criminality. In fact, I'd likely even throw in some bonus cash, an a Freedom medal from all lovers of Liberty. Did you know, many bushite sing a song about killing innocent young girls for pleasure? Did you know that also, an "American" radio host likes playing that same song as recorded on "American" airwaves? Fight back for God, or die from self contempt my friends, fight back for life and love.

See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to enslave the human race for the antichrist, sounds great, just as long as they can get themselves in on the take.

Kristol and Kagan: Put Everything Behind Escalation So We Can Bomb Iran and Syria

Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. It is easily learned by any as all, the victims of bushite tyranny are exclusively, US, The People, guilty of nothing but our shared love of GOD. Allawi, the truly insane mad man, confesses to having ordered the murder of doctors and nurses that treated wounded god loving women and children from Fallujah. It was these DOCUMENTED acts that had him thrown out of 'the CBC, CNN, and FOXNEWS TV expert scene as workable', all for fears that US humans might actually wake the fuk up on WHO is Our True Enemies here. All three, pro-private-bank zionist news stations are well aware that the bushmob did 911, but lie to YOU as forsakenly dying for their growing riches and world wide broadcast fame.

Proudly kill the bushite who would drop from the sky, SEVEN MILLION landmines on our cities to kill our children for decades indiscriminately, while offering our Humanity to God no apologies. Proudly kill the bushite savages all to desperately survive ourselves creating a better world through fair, free market communications. To warring for Liberty as true Freedom wills, is for Justice understood as measured, not just made up out of nowhere for the pleasures of those truly Satanic. So spoke the King of being the wisdom we here revealed by statement of timeless fact. Good will triumph over evil. That's that.

It seems Tenent wants to inform us he actually meant when saying "slam dunk" - that, selling the war to the American Joe, without establishing any real facts would be easier than anything against the powerless as media unrepresented!

Bushite War LIFE Itself - and - They Couldn't Care Less

'Alpha company patrols the poppy fields.'
20070420_taliban28.mp3 (pbs broadcast)

"About the poppy harvest, currently gathering pace all around
them, they couldn't care less." Instead they kill unarmed
innocent people indiscriminately as enemies to ALL HUMAN LIFE.

They Couldn't Care Less

The 82 Airborne, in assisting in defending the world wide
distribution and production of heroin, tells of murdering
innocent farmers, that would never raise a gun in anger, are
those they openly confess to target for first degree murder as
labeled the, second tier Taliban. That's when not defending
American Pension thiever ENRON'S pipeline managed under their
extremist Muslim fundamentalist regime of intolerance for
public communications, as the continuing thieving of 80
percent the Humanitarian Aid given by Canada to feed the
STARVING, and school our children of the impoverished
Afghanistan, as so reported. Eighty percent. 80. 80 percent
stolen. I'm telling YOU: CBC couldn't care less about what
Canadian soldiers are actually dying as COWARDS for:
"Al-Qaida" = "General Mahmoud Ahmad" = "bush's ungodly
partners in crime" CBC national radio management needs to be
arrested in Canada for high TREASON. Please, be a Patriot,
and demand these zionists allow open communication with the
facts to save the lives of Canadians soldiers they hold in
contempt to die as the bad guys committed to no better good.

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun, paid for by the silent American tax payer. Americans refuses to bother making a simple phone call to Coast to Coast to raise some concern. THEY don't. They refuse to hunt bushite down in their streets for death to defend the innocent held indefinitely against GOD'S will. Death to the bushite, death to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

He and his family
have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every

last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

Al-Qaida = General Mahmoud Ahmad

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys

secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

kill all of them

/ / In his testimony on Wednesday, Pfc. Bradley Mason of Company C said that on May 8, the night before the raid, Colonel Steele told soldiers to ``kill all of them.'' Three other soldiers gave similar testimony. \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless

dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

YOU

"If the absence of violence is victory, no one will ever win."
http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis,

along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in Google's alt.religion.islam), they say nothing for Freedom by Justice, but root themselves to Spicer's monsters who like killing black guys, as world renown mass murdering racist nazi filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if they tried. Ahmad funded Atta. bin Laden claimed he played no part in 911. And video of iron running like water moments before the first tower fell is freely available for download all over the place.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has been completely overhauled. Where are the many who served there NOW eh?]

Look: America has kidnapped countless thousands without evidence to be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide OPENLY in America's uniform. [let US hunt them down for GOD, despite what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for Bush are officially deemed lawlessly unaccountable to anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency water provision money

Look: Sattler OPENLY committed the worst war crimes of all Humanity's history

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably

the same bushite who found Atta's passport, and likely had all
19 names of the high-jackers to give CNN, CBC, and FoxNews
just like the neocon's "bin Laden" would have too. Take the
publicly prancing bushite enemy out for questions by yourself,
if he doesn't plead his defense publicly on Coast to Coast by
tomorrow. Remember, there ain't an "Intelligence" group worth
their salt on the face of our Earth, that doesn't know exactly
what I'm doing here honorably for a real Justice made through
careful thought. So, support Johnny Wizard speaking for
public challenges internationally, and with the 23 plus
co-operating for life 'Intel' agencies, along with, anyone
else who can join in on the call. as a growing number of
Patriot Soldiers, who trust yourself to see, this wanting of
Justice isn't complicated. A person accused of a terrorist
event without any evidence, has our accuser a bushite, who
should be watched carefully until verifiable conclusions are
done by the understanding of fact. Not faith. With George W.
Bush making real decisions in faith, expecting us to believe
as corporately broadcasted unabashedly unbiased, that he
is not a deliberate incompetent monster war criminal
of unfathomable evil?, who is just too 'stupid' to understand
why we are innocent until proven otherwise?, is really
something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he
played no part whatsoever in 911, then later, offered himself
for arrest, confident he would be acquitted. Not corporately
newsworthy though, so, few even know why their American child
was later died in the terrorists act of corporate contempt for
US living Freedom with something greater as real Justice wills

1. We, as the People, demand you allow US, the human species to openly discuss the public evidence on who funded the terrorist acts of 911 according to the FBI. And full disclosure on the science of building Seven.

2. That the Iraq war never had, nor ever will have a justification.

3. Also, that mercury tainted vaccines are deadly stupid. Mercury is scientifically understood, without question, (no doubt) to be a neural-toxin

War bushite LIAR zionist repuglicons who did God wrong on 911

War bushite who LIE to American Sons and Daughters to not hunt

War bushite who feed soldiers radio-active toxic waste as harmless

War bushite who support torturing the innocent to death

War bushite who sing about the joys of murdering Iraqi children

War bushite who beat to death barefoot Iraqi children

War bushite who jokingly beat lamed dogs for fun

War bushite who claim they are lawlessly un-accountable as liars.

War bushite in the air force who target bombing innocent People

how true. From personal experience, and from listening to
them on the radio, and from the hams' own posts, I can
see that the hams agree with every illegal thing the government and
FCC tells them to do because they know
that if they don't agree with doing every illegal thing they're told
to, and follow the law instead, they'll lose
their ham radio liscence and won't be able to talk on
their precious ham radios anymore.

I have several examples.

And also, the only real trouble I've ever had with CB was when
hams got involved. Hams who did very illegal things. And I ended up
losing several
good friends back in the 80's because of them.

MNotice that it was the 80's 3when only hams who
passed the morse code/cw test were the only people
allowed to be hams.

So much for cw testing making only hams of good moral
character.

Even in 2007, hams are still posting on the ham
boards about how they can get back the 11 meter cb band from the cbers
who "stole it" from them.

Then they come to the cb newsgroup and say
the hams aren't trying to do that and anyone who thinks they are is
just paranoid.

Then they go back on the ham boards and make even more posts about how
they can get
the 11 meter cb band band from the cbers who "stole it" from them.

Amazing. Absolutely amazing.

It's been what? Over fourty years now? Get over
it, and the cbers didn't "steal it".

Hey dumbass, you can't even spell 40 correctly. As far as doing anything with the CB band, this ham is against it. Much more fun to rat out their auctions and drive their distributors to the poorhouse with FCC fines, like we did here.

Keyclowns are here to stay, I suppose. Hams were here first and will be here after. Keyclowns are the ones who need mental adjustment. We enjoy doing just that to them.

Amateurs with an IQ above room temperature have found they could always
use 11m, no need to "get it back."

Any decent truck stop can set you up with all the gear you'll ever need
for mobile operation, even recommend where to get antennas for base
operation.

Some people have severe limitations, some have few ...

3054. OT - Billion Dollars

Newsgroup: rec.radio.cb

This is too true to be very funny

The next time you hear a politician use the word 'billion' in a casual manner, think about whether you want the 'politicians' spending YOUR tax money.

A billion is a difficult number to comprehend, but one advertising agency did a good job of putting that figure into some perspective in one of its releases.

A. A billion seconds ago it was 1959.

B.. A billion minutes ago Jesus was alive.

C. A billion hours ago our ancestors were living in the Stone Age.

D. A billion days ago no-one walked on the earth on two feet.

E. A billion dollars ago was only 8 hours and

20 minutes, at the rate our government is spending it.

While this thought is still fresh in our brain, let's take a look at New Orleans . It's amazing what you can learn with some simple division . .

Louisiana Senator, Mary Landrieu (D), is presently asking Congress for $250 BILLION to rebuild New Orleans .

Interesting number, what does it mean?

A. Well, if you are one of 484,674 residents of New Orleans (every man, woman, child), you each get $516,528.

B. Or, if you have one of the 188,251 homes in New Orleans, your home gets $1,329,787.

C. Or, if you are a family of four, your family gets $2,066,012.

Washington, D.C .. HELLO!!! ... Are all your calculators broken??

Tax his land,
Tax his wage,
Tax his bed in which he lays.
Tax his tractor,
Tax his mule,
Teach him taxes is the rule.
Tax his cow,
Tax his goat,
Tax his pants,

Tax his coat.

Tax his ties,
Tax his shirts,
Tax his work,
Tax his dirt.

Tax his tobacco,
Tax his drink,
Tax him if he tries to think.

Tax his booze,
Tax his beers,
If he cries,
Tax his tears.

Tax his bills,
Tax his gas,
Tax his notes,
Tax his cash.

Tax him good and let him know
That after taxes, he has no dough.

If he hollers,
Tax him more,
Tax him until he's good and sore.

Tax his coffin,
Tax his grave,
Tax the sod in which he lays.
Put these words upon his tomb,
'Taxes drove me to my doom!'

And when he's gone,
We won't relax,
We'll still be after the inheritance TAX!!

Accounts Receivable Tax
Building Permit Tax
CDL License Tax
Cigarette Tax
Corporate Income Tax
Dog License Tax
Federal Income Tax
Federal Unemployment Tax (FUTA)
Fishing License Tax
Food License Tax
Fuel Perm it Tax
Gasoline Tax
Hunting License Tax
Inheritance Tax
Inventory Tax

IRS Interest Charges (tax on top of tax),
IRS Penalties (tax on top of tax),
Liquor Tax,
Luxury Tax,
Marriage License Tax,
Medicare Tax,
Property Tax,
Real Estate Tax,
Service charge taxes,
Social Security Tax,
Road Usage Tax (Truckers),
Sales Taxes,
Recreational Vehicle Tax,
School Tax,
State Income Tax,
State Unemployment Tax (SUTA),
Telephone Federal Excise Tax,
Telephone Federal Universal Service Fe e Tax,
Telephone Federal, State and Local Surcharge Tax,
Telephone Minimum Usage Surcharge Tax,
Telephone Recurring and Non-recurring Charges Tax,
Telephone State and Local Tax,
Telephone Usage Charge Tax,
Utility Tax,
Vehicle License Registration Tax,
Vehicle Sales Tax,
Watercraft Registration Tax,
Well Permit Tax,
Workers Compensation Tax.

STILL THINK THIS IS FUNNY?
Not one of these taxes existed 100 years ago,
and our nation was the most prosperous in the world.
We had absolutely no national debt, had the largest middle class in the
world, and Mom stayed home to raise the kids.

What happened? Can you spell 'politicians!'

And I still have to 'press

1' for English.

I hope this goes around THE
USA at least 100 times

What the heck happened?????

No I wasn't worried, the Jets could have to compensate the Browns with
their #1 and 3 picks. I could live with that and Brady Quinn waiting in the
wings at QB.

Hello Steveo:

Yeah I looked this up Ic 718 on the Icom web site. It looks like a nice radio.

But let me bend your ear towards the Icom Ic 746 Pro. It has all the DSP and digital IF Filters all ready to go. If yous ain't satisfied you can always get your money back out of it.

I know the 746 Pro is going for around 1500 dollars. I have a 746 and a 746 Pro. I won't have another radio without DSP or digital IF Filters.

The 746 Pro "Button-ology" isn't too bad, as in user hostile. But the manual was written by someone who needed to get out more often. And proves academic achievement is useless without some sort of hands on experience in life. A user friendly abbreviated manual is available for around 22 dollars. I have one.

One of my pet peeves is a great radio that is user hostile, the design works great, but the radio doesn't sell because the software guys where allowed run a muck making it too complicated to use.
The radio is button-ology user hostile to operate.
This is managements fault for not having a separate group test and evaluate the radio before production. And there is no excuse for this as there are way too many fat, over stuffed, self centered, arrogant, unemployed hams out there that can test the radios before production.

It would be a sad day for some of these guys if I where in charge, as many would be escorted off the company property in handcuffs.

Yeah Jay thanks for the references but the radio isn't for me, a friend of
mine was offered one at a good price and I was just curious if anyone had
any pros or cons about it. I'm not so sure I'm in love with the display on
those anyway. I'm not in the market for anymore radios right now, I have
too many already!

I purchased a used 746 from a famous guy !

The backlight went out, and I repaired it. I also made a powerpoint presentation
on it.

I haven't tried an IC-918. A guy has an 746 PRO and it sounds like a million bucks on 2 meter FM and 10 meter sideband. The IC-706 gets hot just being on. The FT857/897 are great radios and mod easily for full coverage. Quite a few folks are getting them because they are easy to operate and also have DSP IF filters are optional in this unit but can be found on eBay.

Yeah that's a handy site for reviews, my friend ended up buying that 718 so
we'll see how well he likes it.

Hello Scott:

No I am talking about the radios not the people. I see people from both sides of the fence I keep at arms length.

I get no end of humor when I say a "Ten-4" or "I am back out" or "Get your knee's in the breeze" on one certain 2 meter repeater. Many have thanked me for my informal type radio lingo. The greatest is "Ten-4 .... over and out" it just drives em nuts.

I would imagine from the numbers above it would be the second one.
Would this be an OK add on to the 29? Would there be a noticeable
difference on someones receive end?

MI5 Persecution: How Could It Be True?

If you have the patience to read these articles you will be struck by how apparently fantastic the claims being put forward are. You may ask yourself why such seemingly nonsensical assertions are made. This matter has been discussed on the Internets UK-local newsgroups for three years now, and the denizens of the uk.misc newsgroup (the so-called "miscreants") have come up with a number of theories to explain these posts; it has been variously suggested that they are a troll (an artificial creation for the amusement of its author), that they are made by MI5 themselves with the purpose of discrediting other conspiracy theories, and that the poster is mentally ill and the articles are symptomatic of the illness (the view held by most miscreants).

Are these claims the product of mental illness, or is that just a cover?

The most obvious explanation, that the claims made result from the admitted mental illness of the author, is the one which the persecutors intend be the one accepted without consideration being given to the possibility of the claims being true. The persecutors have actually been very clever about this, both in selecting as their target someone who was known from school or university as being borderline schizophrenic, and in ensuring the nature of their persecution corresponds to what often features in the delusions of a schizophrenic.

The very first incident of the persecution occurred in June 1990, when I was still a student at university in London. It consisted of a reaction (giggling) from the newsreader, Sue Carpenter of ITN, to what she saw happening in my living-room at my parents home where I was living. Before your imagination gets the better of you I should make clear that what the newsreader was reacting to was not too embarrassing in nature; my mother had brought an apple for me into the the room, and Sue Carpenter found this amusing.

I recognized that Carpenter had reacted to what she had seen in my living-room, yet this idea still seemed completely fantastic to me. My reaction was to continue watching television, particularly the news, to see if this incident would be repeated. It was, many times, both on BBC and ITV. An intelligent person would have thought to obtain a video recorder and capture some of these incidents in order to try to explain to an observer what he saw in these broadcasts. Unfortunately, I failed this test of intelligence, since I did not record these programmes. I have recently attempted to obtain from ITN tapes of their news programmes dating back to summer 1990, but, unhappily, they have advised me that they

do not have complete programmes including newsreaders comments dating back to that period.

From the outset, the persecutors structured their actions to ensure that any complaint would be met with disbelief, and dismissed as delusional. This is why they chose as their target someone who was known at school and university to be borderline mentally ill; and it is why they fired the first shots of their campaign through the broadcast media. Schizophrenics commonly believe the media harass them; it would be exceptional for "full-duplex television" to exist in reality. Those with schizophrenia also commonly believe people are talking about them; again, the persecutors have shown themselves very rarely, but act through intermediaries, both in the workplace, and in public and during travel.

Mental illness is not the cause of these claims, but the simulation of its symptoms is a cover used by the persecutors to deny their victim the ability to have his compaints believed.

What evidence exists to support these claims of "interactive television/radio";?

Quite frankly, I have very little evidence to support my claims. You may examine the "Evidence" area of my website to see such evidence as I have been able to gather. None of it is remotely conclusive. The "smoking guns" all date back to 1990/91, and it is really rather late now to start trying to look for material dating back seven or eight years. In 1997 I started tape-recording every programme I watched or listened to. I also started carrying with me a high-fidelity minidisc-recorder with good quality microphone to catch incidents of public harassment, but this also has not been as successful or conclusive as I had hoped.

Perhaps the best item in the "Evidence" section is the audio file "Life is so hard" (it is labelled with Garfield the cartoon character on the site), which I have given a certainty level of 100%. This item relates to harassment at my workplace in Canada in 1996. A co-worker called Mark was coming up with phrases and expressions which were repeating things being said at my Canadian residence, consequently leading me to believe that my apartment and home phone were bugged, and that the persecutors were passing their gathered information on to Mark. On one particular evening I said in my apartment, "life is so hard, and then you die". The following day I was able to record Mark saying exactly the same phrase at work.

Unfortunately when "they" know you are recording them, they simply dont say things which would unambiguously show harassment. When Mark the co-worker knew he was being recorded, he only made his remarks out of range of the recorder, for example outside the building. When the TV newscasters or radio disc jockeys know they are being taped, they limit themselves to saying things which are ambiguous, which even in my mind may or may not be personally directed against me.

Who knows about this persecution?

Surprisingly many people know. People in the media, such as BBC and ITN newscasters including Martyn Lewis and Michael Buerk, and radio disc jockeys such as Chris Tarrant of Capital Radio, know what is going on, and take part in it. Some co-workers at my former workplaces in England and Canada have known about the harassment. Quite a few people in the general public are also included. I believe the police are aware of the persecution, but, unfortunately, have chosen not to take any action to stop it. I have complained at my local police station in London several years ago, and I have stated on the internet newsgroups that I have done so, hence the police will be well aware of my wish to see the matter resolved. I believe their inaction denotes a dereliction of duty, but without good evidence, I am powerless to compel them to take steps to prevent further harassment, or deal with what has already taken place.

What is the purpose of sending these faxes?

These faxes are being sent to three distinct groups of people, namely Members of Parliament, the media, and diplomats & legal people. As you will have observed I am making use of the email-to-fax gateway at Demon Internet to send these faxes. I am forced to use this gateway since I currently live in North America, and cannot afford the high cost of direct phone calls to the UK.

My purpose in publicising my claims is firstly to discourage the persecutors from continuing their campaign, and also to attempt to bring their campaign out into the open, and thus perhaps identify the persecutors. Neither aim has been achieved yet, but I hope that with sufficient stimulation these aims may yet be accomplished.

The problem with the second aim is that those who read this article will fall into two groups, those who dont know anything about the persecution and consequently will disbelieve my claims as delusional, and those who do know about the harassment and may have some idea of who is behind it, but realise that if the harassers are exposed and the truth brought out into the open, then powerful British institutions will substantially lose prestige, and be exposed to ridicule.

It would give me hope to believe that these faxes will create a third group of people, those who find out that I am telling the truth, and who follow their consciences in standing up and seeing justice done. Only time will tell if this hope will be realized.

3161. MI5-Persecution: Why do you think MI5 are responsible? (3794)

Why do you think MI5 are responsible?

The question of who is ultimately responsible for this eight-year harassment is one which is very difficult to answer, as the persecutors have never clearly made their identities known to the persecutee. However, I believe I am correct in attributing the continuing victimisation to elements of the British Security Service MI5, and in this article, I will try to explain the reasons for this belief.

The British internet magazine ".net" featured my website on page 17 of their March 1998 issue (number 42). Their review kindly describes it as an "excellent site" and gives some details of what the net surfer will find there. Should you wish to reply to this article you can do so;

"When did you first suspect MI5 were responsible?"

Over Easter 1995 I went to see a local solicitor in London with a view to talking to the police about the harassment. Soon afterwards I did go to my local police station in Clapham and spoke to an officer there. The solicitor made a comment which suggested to me that the persecution I had been experiencing may have been organised by an intelligence service.

Up to this point, I did not have any clear idea as to who was behind the harassment. Only their agents were visible, in the media, on television news programmes, and on the radio; in the workplace, where things said at my home were repeated verbatim; and in some cases abuse in public and during travel, for example on the trip to Poland in June 1992 which I have already described.

Both from the fact that widely disparate individuals and organisations were employed as agents in the campaign against me, and from the fact that an entity would be required to marshal their resources in the areas of spying on my home and giving gathered information to their agents, it was clear to me that a single entity was responsible for carrying out the campaign. Yet from June 1990 until Easter 1995 I did not have a clear idea of who might be responsible. I guessed that perhaps some private individual or group of persons who saw themselves as my enemies had perhaps paid private detectives to organise the harassment. Alternatively, since the campaign had started in the media, I made a far-fetched supposition that perhaps it was an ad-hoc group of media people who had set themselves up in opposition to me. After Easter 1995 I saw that these guesses were wrong, and I made an I believe much more accurate estimate as to who my enemies really are.

"Why couldn't a private group be behind the persecution?"

There are several reasons why a private individual or group would not be behind this campaign.

Quantity of resources / Money. Here is what one Usenet (internet newsgroup) participant had to say (several years ago) on the topic of how much money it would cost just to keep the surveillance going.

PM: >But why? And why you? Do you realize how much it would cost to keep
PM: >one person under continuous surveillance for five years? Think about
PM: >all the man/hours. Say they _just_ allocated a two man team and a
PM: >supervisor. OK., Supervisor's salary, say, #30,000 a year. Two men,
PM: >#20,000 a year each. But they'd need to work in shifts -- so it would
PM: >be six men at #20,000 (which with on-costs would work out at more
like
PM: >#30,000 to the employer.)
PM: >
PM: >So, we're talking #30,000 x 6. #180,000. plus say, #40,000 for the
PM: >supervisor. #220,000. Then you've got the hardware involved. And
PM: >any transcription that needs doing. You don't think the 'Big Boss'
PM: >would listen to hours and hours of tapes, do you.
PM: >
PM: >So, all in all, you couldn't actually do the job for much less than
PM: >a quarter million a year. Over five years. What are you doing that
makes
PM: >it worth the while of the state to spend over one and a quarter
million
PM: >on you?

A private individual or group would not spend over a million pounds to verbally torture a victim without some financial motive or gain. Private industry is driven by the profit motive, and there is no financial profit to be had from carrying out a campaign in this way. If a private enterprise were behind it then they would have taken direct physical action a long time ago.

State enterprises, on the other hand, can afford to be wasteful, since they are funded by the taxpayer. They do not have to show a money profit. The employees or contractors employed by a state organisation such as MI5 are driven by their own personal profit motives, to make the most money out of their employers for the longest period of time. MI5 is funded to the tune of #150M p.a.; even a few hundred thousand a year would to them be affordable if their managers could convince themselves of the necessity of what they were doing.

Quality of resources / Technical resources - electronic and other surveillance. In summer 1994 a reputable and competent private detective agency was employed to conduct a counter-surveillance sweep of my home in London. They charged us over #400 for this, conducted a thorough search for radio transmitting devices, hard-wired "probe" microphones and also tested the telephone line. They found nothing. This was not altogether surprising, since it had been made very clear to me that there were bugs

in my home; the "buggers" would not have made this clear unless they had felt their bugs were of sufficient sophistication as to be safe from detection.

But there is another lesson to be gained from the failure of the private detectives to find anything. The agency employed was one of the most reputable in London. They were employed on the principle of "setting a thief to catch a thief", for if the harassment were being carried out by private detectives, as I then believed, then surely another set of private detectives would be able to find the bugs that they had planted. That these "private eyes" were unable to find anything, and that the harassers were confident that they would not be able to find any bugs, points to the harassers being an order of sophistication above a private agency, and leads me again to believe that a state intelligence service is responsible for the surveillance and harassment.

Quality of resources / Technical resources - Interception of Postal service. In summer 1994 when I emigrated to Canada to try to escape the harassment, I wrote letters home to my family and friends in London. Quite soon after my arrival in Canada, the harassers were able to find precisely where I was staying. The only way I can see of "their" being able to find out my new address was by interception of my letters to the UK.

Later in 1994, I conducted an experiment to see if my letters home were indeed being read. In a letter home I wrote of being depressed and talked in vague terms of suicide. I deliberately chose this topic, since I believed it was the outcome my harassers were trying to achieve, and that if they read the letter, they would "echo" its contents. Sure enough, soon afterwards there were two incidents of people shouting "suicide" at me in public places in Canada.

It is inconceivable for a private agency to have the ability to intercept postal mail. The state security service on the other hand is well known to engage in these activities.

Quality of resources / Access to Media. One of the strangest aspects of this case is the access "they" have to the broadcast and print media. I still do not understand what could persuade newscasters such as Martyn Lewis and Michael Buerk, who consider themselves "gentlemen", to behave in an almost voyeuristic way by "peeking" into the living room of one of their viewers. A year ago I wrote to the BBC asking if these newscasters would confirm or deny the accusations made against them. The BBC replied that their newscasters had denied the accusations, but refused to do so in writing.

It is well known that MI5 have the ability to plant stories in certain newspapers, but convincing television newscasters to "watch" a viewer while they read the news would surely be very difficult for them to accomplish, unless they presented themselves to these journalists as being, for example, a group in the media who were seeing to it that I got my "deserved" treatment. MI5 has a history of manipulating the media, so it might not be too difficult for them to accomplish such a trick, whereas

a private group would not have this ability.

"Have they ever denied that they are the Security Service?"

No. Never. This is in fact the main reason why I believe "they" are MI5 and not a privately funded group. If my guess had been wrong then I am sure that "they" would have crowed over my mistake, but they have never admitted nor denied that they are employees of MI5.

In early January 1996 I flew on a British Airways jet from London to Montreal; also present on the plane, about three or four rows behind me, were two young men, one of them fat and voluble, the other silent. It was quite clear that these two had been planted on the aircraft to "wind me up". The fat youth described the town in Poland where I had spent Christmas, and made some unpleasant personal slurs against me. Most interestingly, he said the words, "he doesnt know who we are".

Now I find this particular form of words very interesting, because while it is not a clear admission, it is only a half-hearted attempt at denial of my guess that "they" = "MI5". Had my guess been wrong, the fat youth would surely have said so more clearly.

"If MI5 were behind it, why would they wish to mask their involvement?"

I have heard a number of times a belief from people in the media that it is they, the media people, who are behind the abuse. In spring 1994 Chris Tarrant the Capital Radio D.J. said sarcastically on his breakfast show, "You know this bloke? he says were trying to kill him. We should be done for attempted manslaughter". We, we, we. Tarrant thought it was a media conspiracy.

Returning to the question of "interactive watching" by television newscasters, it would again be much easier for them to take part in that sort of activity if they convinced themselves that the surveillance and abuse were organised by "their own", by media people. It must be second nature to MI5 to mask their involvement in the matters they deal with; in this case, they pretend the campaign is organised by a group in the media, and any journalists who suspect otherwise keep their silence.

Conclusion

Over the last three years I have stated with some force my belief that MI5 are responsible for my misfortunes. I have done so on Internet newsgroups, in letters and faxes to people in politics and the media in the UK, and in 1997 I made a formal complaint to MI5 regarding their activities; the Security Service Tribunal replied in June 1997 that "no determination in your favour has been made on your complaint". (I believe the statement by the Security Service Tribunal can be disregarded, as they have never, ever made a ruling in favour of a complainant.) In three years of naming MI5 as my oppressor "they" have never denied the charge. To me, their silence on this point indicates that my guess was accurate. I believe my persecutors stand identified. The question of why they should carry out this campaign is one I will try to answer in a future article.

MI5 Persecution Update: Friday 15 May, 1998

The persecution has been quite severe for the last week. It appears that my enemies are reacting to the steady stream of faxes making their way over the Atlantic to the fax machines of Westminster politicians and the media. Here is whats happened in the last few days;

The week started off with an incident in the cafeteria at a local shopping centre where I habitually drink my morning coffee. My enemies have concentrated since winter 1995/96 on throwing a particularly horrible sexual slander against me. They "put people up" to repeat this slander against me, and this is what happened again here.

On Thursday morning (yesterday), instead of going to the usual cafeteria I went to a nearby convenience store for coffee. The same horrible sexual slander was shouted at me very loudly by a member of staff as I walked into the store. This was the first time I had ever bought morning coffee in that shop. The other staff obviously knew what was going on, one of them said, "they screwed up my life".

The fax gateway I use to send these faxes to the UK has been working hard these last few days to shut down my access by barring the accounts I use to send these faxes.

I have received an anonymous threat from fax number 0171-219-6101 (the machine gave its name as "ETRA-HoC") which said, "Stop sending to this fax no 0171-219-6101 or else" (the consequences of continued transmission were unspecified). I invited the sender to apologise for his threat, but received no response.

This all adds up to quite a severe reaction to my faxes of the last few weeks. I actually find this quite heartening since it shows that my faxes are finding the mark and there may yet be a breakthrough in my efforts to expose the Security Service conpiracy of abuse against me which has now been going on for eight years.

MI5 Persecution: "Why would they be doing this to you, sir?"

This article will concentrate on the difficult question of "Why". The question which forms the title of this piece was asked of me by the police officer I spoke to in Easter 1995, when I went to make my complaint.

There are really two sides to this question. Firstly, why should MI5 be harassing anybody in this fashion? Secondly, if they choose to behave in this way, why should they have selected me in particular, and not somebody

else? Alternatively, why did the persecution start, and why is it continuing?

I do not have definite answers to either side of this question, since my persecutors have usually kept themselves hidden and only acted through other parties. To know "why", one would have to know who the persecutors are, and something of their personalities, since their abuse is almost certainly symptomatic of a personality disorder of the abusers. Certain things however can be deduced about the abusers from the nature of their behaviour, and I will talk about this later in the article.

Why did it start?

It is clear that the persecution must have been initiated by someone who knew me personally, either at school, or at university, or socially, and knew that I was borderline mentally ill, since this is what makes me a target for the persecutors. Unfortunately, the originators have never been identified, and there are several possible candidates. Neither has the link from the originators of the persecution, to the persecutors themselves, ever been made clear. So who are the originators?

University Staff

The identity of the originators may lie in the timing of the persecution. It started in June 1990, while I was finishing a course at Imperial College in London, and a year after I graduated from Cambridge, where I received a degree in computer science. At Cambridge I had achieved some notoriety in the computer lab from various nefarious exploits. Roger Needham attacked me by saying that "there were great hopes for it, but it failed terribly". When I started at Imperial I found that my reputation had preceded me; Cambridge computer lab had spoken to I.C. lecturers about me. I.C. lecturer Frank McCabe summed up commenting about "setting up a straw man so you can tear him down". (Despite being "torn down" by the Cambridge computer labs lecturers, I still achieved a good first degree and a Masters degree at Imperial.)

Other students at university

So, the originators may have been university staff who knew me from my student days. But there are other possibilities. I had other enemies at university, including some fellow students. At my Cambridge college it was common knowledge that my mental health was dubious, and it was known that I talked to myself in my sleep - the floor and walls were quite permeable to noise, so other students heard. I was given the nickname "gibber" because of this habit. Sometime later, I managed to catch myself talking in my sleep when I woke up in the middle of the night.

Here is a quote from a participant in the internet newsgroup where I have been posting for the last three years;

>One thing which has been missing from this discussion is this simple
>prognosis: that maybe he is right and that, despite his admitted
>mental condition, there really is a campaign against him organised by

>now-influential ex-students of his university.

People I knew socially

I had yet other enemies in 1990 (I am a man of many enemies!). In January 1990 I broke up with some people I had been going out with socially. One of them, by the name of Andy Turner, wrote a letter to Alan Freeman, who at the time was a Radio 1 DJ. Freeman read part of the letter out on his Rock Show, about the "one who wore out his welcome with random precision", saying "thats a hell of a letter you wrote there Andy", and "with a schizophrenic youre never alone".

It is my belief that Andy Turner and his friends were trying to make trouble for me, and Turner wrote to Freeman with this in mind. Freeman may have discussed the letter with others, and things may have snowballed from there. This is, of course, pure supposition. The fact is that I do not know who the originators are, and can only guess.

Once it started, why is it continuing?

The answer to this question is obvious. It is unacceptable to the "powers that be" in the UK to have somebody running around who knows he has been targeted by the Security Service and media organizations, and who is in a position to embarrass British institutions. This has become particularly evident in the last week; as I send more faxes to UK politicians and media, so the pressure on me grows, and the volume of abuse increases.

Part of the reason the persecution continues is in the personalities of the abusers, and it is this subject to which I will turn to next, since the key to understanding the persecution lies in understanding those who carry it out, as much as we can.

The Security Service operatives, the persecutors, are they psychopaths?

Let us first examine the definition of the term "psychopath". DSM-IV defines "anti-social personality disorder" as a "pattern of disregard for and violation of the rights of others ... deceitfulness, irritability and aggressiveness ... consistent irresponsibility and lack of remorse". The Harvard Mental Health Letter of Sept 1995 describes these people as using "charm, manipulation, intimidation and violence to control others and satisfy their own needs. Lacking in conscience and in feelings for others, they cold-bloodedly take what they want and do as they please", having "no guilt or regret".

I must say, reading this description of the condition, that it fits the persecutors perfectly. The persecutors have never shown the slightest remorse or guilt. Even when I was severely ill, they continued to abuse me. They have repeatedly blamed their actions on me, which is another trait common amongst psychopaths. They have no respect for my legal or personal rights, and they use intimidation and verbal violence.

If the MI5 operatives are psychopaths then it would explain both why the persecution started, and the degree of verbal violence. Psychopaths by

definition damage other people; here, the MI5 operatives find an outlet for their personality disorder, through "cripple-kicking".

Xenophobia on the basis of mental illness, and race

My enemies have made clear many times that one of the reasons they are persecuting me is because of my admitted mental illness. However, it is my belief that they are also persecuting me because I am not of ethnic English origin, and the fact that there have been several incidents of an overtly racist nature reinforces this view.

In one case, two youths on a tube train in London made openly racist references to me as a "soft toy, not up to British Standards". Another person near my home made remarks about "Polish people". In yet another incident in Croydon, a youth made comments about "foreigners".

But the main thrust of their xenophobia is because of my mental illness. I should make clear that I do not look ill; if you met me, you would not know that I had the illness. I take a relatively low dose of medication, and feel quite well. But the persecutors have repeatedly harped on about my supposed serious mental illness; they have called me a "nutter", a "schizophrenic", etc. They have also persuaded other people to use these terms of abuse. They are able to get away with this because abusing the mentally ill is still something which is mostly acceptable in Britain; the media do it, "nutter" is not taboo in the way that "nigger" is.

Conclusion

There are several groups of people who might have wished to cause me trouble, and I still do not know who originated the persecution. Nor do I know how the originators came to be in contact with the (presumed) Security Service operatives who have been carrying out the campaign. To know conclusively why it started, we would have to know who started it, and this information is not available.

However, we can infer some things about the personalities of the persecutors from their methods, and from the degree of verbal violence they employ. It is clear that a main reason for the continuing harassment is the psychopathic disorder of the MI5 agents who carry it out. That they have never been "brought to book" for their misdeeds reinforces their belief that they do no wrong; and, unhappily, until they are brought to book, their persecution campaign looks set to continue.

MI5 Persecution: .net Magazine Applauds my Website

The March 1998 issue (number 42) of .net Magazine reviews the MI5
Persecution website describing it as an "excellent site". The webpages
describe in detail the nature of my persecution since 1990 by what are
believed to be elements of the UK security service.

(snip image)

You are encouraged to read the web pages which include

o a FAQ section outlining the nature of the persecutors, their methods
of harassment through the media, people at work and among the general public
o an evidence section, which carries audio and video clips of media and
workplace harassment, rated according to how directly I think they refer to me
o factual descriptions of the state security agencies involved
o scanned texts of the complaints I have made to media and state security agencies involved
o posts which have been made to netnews over the last three years on this topic

MI5 Persecution Update: Friday 13 November, 1998

If You Intend To Reply, Please Read This

If you have any questions or observations you would like to share with me, then you are very welcome to reply to my fax number 0171-681-1190. But please.... keep your response to one page if you can! I have had several people faxing my article back to me, including one MP faxing back twenty pages. I do not know if he had anything intelligent to say in his 20-page fax because I applied judicious use of the "Delete" key on my computer. Faxes over a page or two will be deleted without being read.

MI5 Resume Hostilities in Response to these Faxes

When I wrote last weeks "MI5 Persecution Update" I remarked how quiet my life had become. No longer! MI5 have restarted hostilities with a vengeance the past week, in response I believe to the faxes I have been sending to members of the House of Commons.

On Saturday 7 November I went to Clapham Picture House cinema to see the film "Antz" (a very enjoyable film). At the cinema, I was verbally assaulted by a group of teenagers with the words "still crazy", repeated about ten times. There was a film with that name showing at the cinema, but it was clear their abuse was directed at me. I do not look ill, so why would they pick on me? answer, the incident was set-up by the persecutors. One of the teenagers also said to another, "I don't know what we're laughing at".

The following day, Sunday 8/11/98, I was on my way to play squash when I was verbally assaulted by a youth who said "it was so funny", without the slightest trace of humour. What he meant by this phrase was that was funny, and they were trying to humiliate me. I have heard this phrase "it was so funny" used at me before many, many times over the last eight and half years.

Please Encourage Keith Hill MP to Help Me

I live in a bugged house, bugged both for audio and video. My movements are monitored by MI5. The Security Service have followed me to Canada, to Poland and the Continent, to the States. I cannot work anywhere, not in England, not in Canada, because MI5 will destroy whatever employment I am able to obtain. I have asked Keith Hill MP to help me, and he has refused.

The situation is intolerable. It is Mr Hills job to help me out of this mess. So, please, as I said in the last fax a week ago: Do not waste your

time returning multiple copies of my faxes to my fax mailbox, as some of you have done. Instead;

Please encourage Keith Hill M.P. to help me.

I am sorry to be using this device to encourage Mr Hill to help, but I think eight and half years are quite enough and it is time something was done to bring this matter to a close.

MI5 Persecution : BBC Newscasters Spying on my Home

This week's topic is the quite extraordinary claim that BBC newscasters such as Martyn Lewis and Michael Buerk have spied on my living room while they read the news. I currently have an advert running for the next six months in Private Eye's "Eye Say" column (at a cost of over ₰200) which says,"MI5 Persecution - BBC Newscasters Spying on my Home"; the story of my campaign in the Eye is on my Website at; http://www.pair.com/spook/evidence/plaint/priveye.htm

BBCs staff magazine Ariel also ran my advert "BBC Newsreaders Spying on my home" for one issue in the Personal category on 8/July/1997 before it was spotted and axed by editor Robin Reynolds; please see webpage; http://www.pair.com/spook/evidence/plaint/ariel.htm

Beginnings

The very first incident in the "MI5/BBC Persecution" occurred in June of 1990, when a newsreader reacted to what she saw in my living room at home as she read the news. My mother had brought an apple for me into the room, whereupon the newsreader smirked and giggled, apparently finding this funny. I couldn't believe what I was seeing. I carried on watching news and other television programmes to see if presenters would show signs of "interactive watching"; to my surprise, this happened again and again. Unfortunately, I did not have my wits sufficiently about me to videotape these programmes, and it is now almost impossible to obtain recordings dating back to 1990.

Most of the "TV watching" has occurred on the news, and most of it in summer 1990, although some as late as autumn 1993. My website has a few extracts of what might be politicians "getting at" me, in particular John Major and interviewer Dimbleby sharing a joke about the "Knutsford Guardian" which is almost certainly about me.

I sold my portable TV in autumn 1990 and stopped watching television regularly. I realise now that this may have been a mistake. What I should have done was to watch TV and listen to the radio, but tape-record everything and make a note of what each excerpt meant to me. I would then be in a much stronger position as regards to evidence that I am now. That is what I am trying to do now, but unsurprisingly the TV/radio presenters have stopped getting at me, now they know they are being recorded.

Examples of Media Harassment

Here are a few examples which I can still remember of media harassment;

In early 1992 I was watching the BBC news with Martyn Lewis on a small black-and-white portable television at my then home in Oxford. I threw a term of abuse at Lewis; he flinched, then gave a grin and made a comment from which I understood that he had been on my side, but might have changed his mind as a result of what Id just said to him.

Victor Lewis Smith in his TV (BBC2?) program at the end of 1993, had a taxi-driver saying, "theyre all out to get me", to which VLS replied, "but you're quite intelligent aren't you?" (what a nice chap VLS is, compliments no less!)

Paul Daniels the TV magician, sometime in 1990-92 (sorry I can't be more precise but it was so long ago), made a "crying face" and put his face in his hands, which was his way of expressing that I was frequently crying in 1990-92, and that he and other media people found my crying funny.

Kenny Everett (deceased) on some talk show, compared me to a "huge ape" who "scratches himself"; he made some other remarks about what the "ape" got up to which unfortunately I cant remember. (I remember that Everetts comments were quite sympathetic and human, but were obviously about me.)

Stephen Fry on another talkshow (Wogan I think) talking about "masturbatory fantasies", he then referred to me with the words "you prat"; I wonder if the studio audience knew what he was talking about and to whom his comments were directed?

Griff Rhys Jones on Clive James' TV show, made a "lunatic face" (wide fixed grin) to which I said to the TV that he had a "face like a horse's arse", to which Clive James said to GRJ "did you hear that?"

Crimestoppers summer 1990, remarks by a Midlands police officer on the programme, while Nick Ross was presenter (as far as I can remember). The officer talked about "in car entertainment". Nick Ross said to officer, "why don't you stop doing it?" to which he replied, "we can't while he's like this".

BBC2 Newsnight in autumn 1993 had a piece on football hooliganism. A black interviewee said apparently of the hooligans, but in fact of me; "they're just idiots, carry on with the surveillance".

There was an incident with Jonathan Ross which I remember clearly; he was on both BBC and ITV television at the same time, one (ITV I think) was recorded, the other channel was live. Ross has a speech impediment which causes him to pronounce his "r"s as "w". I sarcastically said something about "Mr Woss" to the recorded channel, then turned over to where he was live, and he repeated "Woss" with heavy emphasis and sarcasm.

On the radio, in spring 1994, Chris Tarrant made a sarcastic remark in his morning show, saying "he says were trying to kill him, we should be done for attempted manslaughter", to which another of the studio staff said, "oh no, dont say that". His comment was in reply to a comparison Id made the previous evening between my persecutors and the Polish secret police who murdered dissidents.

Martyn Lewis Denies & Lies, But Wont in Writing

In February 1997 I wrote to BBC Viewer & Listener Correspondence and asked them to investigate the claim that their newscasters had engaged in "interactive watching". They replied that they had asked Martyn Lewis and Michael Buerk whether they had engaged in such practices, and that they had both made verbal denials to VLC, but were refusing to put their denials in writing.

I can understand that they might think that if they were to make written denials to me, then many other people with my condition might write to them with similar questions. But Ive asked a couple of journalists if theyve been writing about me, theyve made written denials, Ive believed them, and I have not put their denials on my website because, since I believe their denials, it would not be relevant to publish them.

To me it looks as if Lewis and Buerk are happy to lie verbally but not in writing, because written falsehoods would place them unambiguously in the wrong, whereas they can try to talk their way out of verbal lies if they are ever caught, or perhaps even deny the verbal lies completely? If they lie without shame, then why would they have any shame about future lies about lying?

One of the strangest aspects of "TV watching" is that Buerk and Lewis have convinced themselves that their "interactive spying" is reasonable behaviour. Martyn Lewis thinks of himself as a "gentleman". He expressed in 1992 that he was "on my side". If this matter ever comes out into the open, I wonder what these newscasters will have to say for themselves, and what the British public will make of their behaviour?

Media Persecution Evidence on my Website

You may directly access the Evidence section on my website at URL;

The category currently contains four video segments, a number of audio files and three published articles. The first video of ITN's John Suchet is unfortunately a mistake - after looking at it again it is obviously not about me. The two Ken Clarke excerpts may or may not be about me; it is funny that he should keep on harping about "paranoia" and "madness", but I have given these ratings of only 30% certainty, as it is more likely that they are not about me in particular, and Clarke is simply displaying the normal prejudices against the mentally ill found in much of society.

The piece I find most interesting is the Dimbleby/John Major interview from April 1997. I have assigned this a 90% rating. Dimbleby starts by emphasising a report from the "Knutsford Guardian". Major recognizes what's going on and joins in with a falsely apologetic "heaven forfend". The emphasis is on the first syllable pronounced "nuts" in "Knutsford", which is repeated three times. Of course this is hardly anywhere near convincing evidence; the really clear items were all in 1990-92, and they are basically unobtainable now.

If you're reading the website, have a look at the two files from David Hepworth's programme on GLR radio. The first one from 21/Feb/1997 has him

talking about an "embarassment" of prizes and "absolute obscene", in reference I believe to the verbal sexual abuse that was being used against me at the time (and which unfortunately is still current). In the second file dated 9/May/1997 he again talks about "absolute embarrassment" of prizes, followed by laughter. To my mind he knows I am listening to his programme, and deliberately makes these remarks for my benefit, with very little attempt to disguise their purpose.

Bernard Levin - "Fanatic's Fare for the Common Man"

On 21 September 1991 this article by Bernard Levin appeared in The Times. It is reproduced in the Evidence section of the website, or may be accessed directly at URL;

To my mind, Levin's article described the situation at the time and in particular a recent meeting with a friend, during which I for the first time admitted to someone other than my GP that I had been subjected to a conspiracy of harassment over the previous year and a half.

Levin writes about a "madman running loose about London" who "bursts into tears, and swears it is all true. And it is." I am pleased to agree with his assertion that "it is all true" because the truth is what I presented to my friend in September 1991 and it is what is being presented to the readership of these articles now.

Conclusion

The harassment, in particular media persecution, was at its strongest in 1990-92. Today, I am recording everything I watch, read and listen, and the media have pretty much given up. It is now incidents "in public" which make up what there is of MI5s persecution. But much of the material from 1990-92 still exists in archives, although the organisations which have those archives generally wont make the material available to the public, for copyright and other reasons.

MI5 can no longer employ the media to persecute me, partly because journalists now know who is behind the persecution, and also because I would publish any instances. My mistake during 1990-92 was to not record instances as they happened; Ive learned from that mistake, and know better now.

MI5 Persecution Update: Friday 19 March, 1999

If You Intend To Reply, Please Read This

Please.... keep your response to one page if you can! I have had several people faxing my article back to me, including one MP faxing back twenty pages. Faxes over a page or two will be deleted without being read.

Theyve started again. Why? I have no idea.

Unhappily, the persecutors, whoever they might be, have started their activities again over the last two weeks. Usually they try to blame their activities on their victim, but this time they have stopped even pretending that the persecution is my fault. Their verbal abuse appears as gratuitous as it is vicious.

Last Sunday 14 March, I went for a meal in Londons Chinatown with some friends. As we were walking down Gerrard St, a man shouted loudly, twice, the obscenity which has been directed at me for some three years now. This followed previous incidents where the same words had been used. It is very upsetting to be verbally abused in this way and to know that the cowardly abusers are guaranteed to "get away with it" because if you report it then it will be assumed to be part of your illness.

Keith Hill MP (Labour - Streatham), my elected representative, as ever refuses to help.

MI5 Persecution : How to Identify the Persecutors

Usually delusional thinking does not allow the perpetrators to be identified, or the alleged persecution to be proved. My so-called "delusions" are different, because I have several times over a period of some nine years seen the same people, in widely varying places. Most importantly, their names have been recorded, on aircraft passenger lists and hospital register; and if only the police would do their job conscientiously then the persecutors could be identified and this unhappy story brought to a final conclusion.

BA93 Heathrow->Toronto, 10 June 1993

In 1993 I flew to Toronto for a holiday. On disembarking from the aircraft, a group of four men who travelled together looked in my direction, and one of them said, laughing, "If he tries to run away well find him".

I was absolutely stunned when I heard this. I wasnt surprised that they had followed me to Canada, but it shocked me that they had been on the same flight, and that one of them had foolishly given their group away. Unfortunately I was so stunned that I made no attempt to stop them as they got off the flight and proceeded into the terminal. I did not see these people again during my visit to Toronto. I do not know whether they followed me, or whether they were only part of a larger group, some of whom may have already been on the ground and awaiting my arrival.

Over the next few years I made a number of attempts, all unsuccessful, to obtain the passenger list for this flight. British Airways keeps passenger flight coupons for each flight; so if only the police would do the job that is being asked if them, then these four persecutors could be identified, and thus their employing organisation, which is very likely to be the Security Service, determined.

These four men were, apart from the joker who looked the odd man out in the pack, very serious individuals. They appeared to be in their forties or fifties, and my impression on seeing them was that they might have been former soldiers. Their campaign against me concentrates on how "funny" their abuse is; but in this they are plainly lying, because they realise how awful will be the damage to the establishment of which they form part, if the truth about the persecution ever sees the light of day.

The riddle of "Alan Holdsworth"

During Oct/Nov 1996 I saw a doctor several times about an infection, and on 2 Nov 1996 I went to Emergency at the Ottawa Civic Hospital and saw Dr Worthington, who was then Chief of Emergency Medicine. I had to wait several hours before being seen, and several people jumped ahead of me in the queue. One of these was a grey-haired man in his forties or fifties. This may have been one of the men on the BA flight in 1993; I cannot be sure. When Dr Worthington asked his name, he loudly said, "Tad", which is the common abbreviation of my name. Dr Worthington looked puzzled, glanced at the sheet in front of him, and said, "but your name is Alan Holdsworth isnt it?". (I am pretty sure his Christian name was Alan; I cannot be sure of the surname). The man looked put out, and said quietly, "yes".

Unfortunately, I did not follow up this incident immediately. Some time later, I wrote to Dr Worthington to ask the name of this patient, but he refused to give the name out.

I saw this person again two and a half years later, at Ottawa Airport, just as I was about to leave for England. In the warm weather, he was wearing a coat and woolly cap, and pacing up and down in a menacing and aggressive manner. Presumably he thought he was pretending to be a "nutter" and in this way was getting at me; my impression is that he doesnt need to pretend, Holdsworth or whatever his name is is clearly a psychopath and in a healthy society such a person would be locked up, instead of being paid public money to exercise his psychopathic instincts. But todays Britain, a country where the MI5 secret police are given free rein and nobody dares raise a voice in protest, is not a

healthy society.

"He doesnt know who we are"

For some reason, whenever I take a British Airways flight, I get hassled by the "persecutors who wont admit theyre MI5". Since this business started, I have travelled BA three times; once in June 1993 BA93 (see above), once to/from Europe during Dec 95/Jan 96, and once in June 1998 with my mother to visit her family. The last journey, I was abused by two "plants" who kept repeating, loudly, "paranoid" (I have this recorded on minidisc). Presumably British Airways gives MI5 the seating plans for their flights, which allows MI5 to position their agents of abuse three rows behind me, so I cant face them, and they are throwing abuse at the back of my head. I have travelled BA as infrequently as possible; to Canada, I usually travel Air Canada.

Anyway, lets return to the second of the three BA trips, and in particular to the flight on 2 January 1996 from Berlin Tegel, to Heathrow, and onwards to Montreal Mirabel. Id waited all night at Tegel for the flight, and was very tired on reaching Heathrow. On the plane to Montreal, two youths sat about three/four rows behind me and to the right, in the window seats. One of them, a rather fat "asshole" to use the Americanism (it fits), kept on going on about "this bloke", saying among many other things, "he doesnt know who we are".

Now that form of words is particularly interesting, because from May 1995, some 8 months previously, I had been vigorously denouncing the "MI5 Persecution" on Usenet. So if Id guessed wrong, then you might expect the harassers to crow about it; which they have not done. If I had guessed right, and the persecutors have been silent before and since this flight, then they could either admit they were MI5, which would be a very serious thing for them to own up to, or they could brazenly lie, in which case I would report their lie, and since many people must surely know who they are, they would lose all credibility. So they have remained silent; apart from this one phrase on the BA flight, where one of their agents said, "he doesnt know who we are". Note carefully that this phrase is NOT a denial, it only appears to be a denial; since it does not say that my guess was wrong; it only states the objective fact that I do not know the identity of the persecutors, without giving any information as to the validity of my guess. Which leads me to posit that my guess was correct.

The Usual Words

The persecutors-who-wont-admit-theyre-MI5 have been active again this week. On Saturday 20/3/99 I visited Ravenscourt Park in west London, and was verbally assaulted with the usual words, "something wrong with him". This audio file is on the web at URL;

This afternoon (Friday 26/March) I was again verbally assaulted while travelling by bus. The same sexual obscenity was thrown at me, and the incident was recorded on my minidisc-walkman. Because of the deeply offensive nature of the slander, I will not be posting this on the website.

Keith Hill MP (Labour - Streatham), my elected representative, as ever refuses to help.

MI5 Persecution : Browse Website

The March 1998 issue (number 42) of .net Magazine reviews the website describing it as an "excellent site". Since August 11, 1996 over 50,000 people have browsed this website.

You are encouraged to read the web pages which include

a FAQ (frequently asked questions) section outlining the nature of the persecutors, their methods of harassment through the media, people at work and among the general public

an evidence section, which carries audio and video clips of media and workplace harassment, rated according to how directly I think they refer to me

objective descriptions of the state security agencies involved

scanned texts of the complaints I have made to media and state security agencies involved

posts which have been made to netnews over the last four years on this topic

This article outlines what is to be found on the webpages, which you are encouraged to browse for the complete story.

Frequently Asked Questions

Your excursion through the website starts with the "FAQ - Frequently Asked Questions" portion. MI5s campaign of harassment against me has been going on for almost 9 years, and its longevity and breadth is reflected in the FAQ. Many thousands of people in Britain and abroad, including some recipients of this fax, have known for many years of MI5s activities against me. The FAQ describes the mass "Omerta suppressing its publication"; we pretend Britain is part of the "Free World", yet the British Secret Police, which is what MI5 are, carry on for many years a campaign which politicians and the media know about, and rely on the silent complicity of so many thousands of people.

The FAQs introductory article names those who are "in the know"; media figures like Martyn Lewis, Michael Buerk, entertainment figures like Chris Tarrant, politicians and many in the general public, "all united in a conspiracy which breaks the laws which the UK does have regarding harassment, and all completely uncaring for any semblance of decency or elementary respect for individual rights.

Broadcast media play a key role in the harassment. The very first incident in June 1990 was when a television newsreader reacted to what she saw happen in my living room at home; such incidents of "interactive television" are still happening in 1999. The same goes for radio stations such as Capital FM. In spring 1994, Chris Tarrant on his Capital morning show made an aside to someone else in the studio, about a person he didn't identify. He said, "You know this bloke? He says we're trying to kill him. We should be done for attempted manslaughter". Tarrant and Capital have made strenuous efforts to avoid answering this charge.

Perhaps worst of all, MI5 have deliberately set-up many incidents in public places such as tube stations, shops, cinemas, where they have paid people to throw abuse at me. Since MI5 obtains funds to the tune of 160 million a year to fund its criminal activities, it has funds both to pay its operatives and to "buy" media figures and members of the public to take part in its campaign of persecution.

The Security Service are professional liars. They throw slanderous abuse, yet they refuse to admit out loud that they are doing so. When challenged about their activities through the Security Service Tribunal they lie and deny their activities. They induce other workers and managers at places of employment to take part in their campaign of abuse, presumably by buying them in the same way they buy media figures.

Complaints, and Press Coverage (BBC Lies, MI5 Lies)

As you might expect I have challenged both the Security Service, through the Security Service Tribunal, and offending broadcasters, to own up to what they have been doing. And as you might also expect, all of these people have lied through their teeth. Still worse, they have refused to commit unambiguous lies on paper; they have couched their lies in bureaucratic language, and allowed others to make false assurances and tell lies on their behalf. So when their lies are exposed, they will then tell further Clintonesque lies about how they werent really telling lies in the first place!

On 6/Feb/1997 the BBC told me they would "never engage in any form of surveillance activity such as you describe". The BBC told me Buerk and Lewis had refused to put their lies in writing, but had stated verbal falsehoods denying my accusations of "interactive watching" during news broadcasts. Clearly Buerk and Lewis fear being caught and exposed, so they hide behind their Viewer Correspondence department.

In March 1997 I issued a summons against the BBC to try to "smoke them out". This summons was struck out as "disclosing no reasonable cause of action", because I had acted as a Litigant-in-Person and most LiP summons are treated thus. My case was arguable in law, so the striking out was unjust.

In June 1997 the Security Service Tribunal wrote to me regarding the complaint I had brought against MI5 in February. They say, "The Security Service Tribunal have now investigated your complaint and have asked me to inform you that no determination in your favour has been made on your complaint." I think you can guess the contempt which I feel for the Security Service Tribunal, who have never made a determination against MI5, and act as merely a whitewashing body for the Security Service. Unsurprisingly in May 1997 the Interception of Communications Tribunal gave the same result.

The last few items of "Press Coverage" give details of mentions of the MI5 Persecution in various magazines and newspapers such as BBCs Ariel, the Observer and .net magazine.

Evidence

Some audio and video clips of evidence have been recorded. My weakness in this area is because most of the really unambiguous evidence would have been obtainable in 1990-92, but I wasnt taping anything at the time, and its very difficult to now obtain recordings from that period.

The audio clip "Life is so Hard" relates to harassment at my workplace in Canada. In the latter half of 1996, I was sitting near to co-worker Mark Lee, who kept coming out with words and phrases which showed MI5 were supplying him with data from my home life. For example, I would say something on the telephone at home, and the following day he would repeat verbatim what I had said. When Mark Lee saw I was recording what he was saying, he started to make his remarks more ambiguous, or make the obvious ones out of earshot of the recorder.

However, during the evening of 12 November 1996, at home in my apartment (flat to you UK-ers), I said "life is so hard, and then you die". A nihilistic, negative thing to say, but quite distinctive. The following day, 13 November, Mark said loudly, "life is so hard eh, and then you die" followed by loud laughter. I captured this on my tape-walkman and the computer-audio file is posted on the website.

There are a number of other audio files in the websites "Evidence" area demonstrating the abuse to which MI5 subject me to through their paid agents.

Also in this section is a very interesting article by journalist Bernard Levin, which followed a meeting I had with a friend in 1991, and to my mind describes in some details Levins "artists impression" of the meeting. He talks about a "madman" who "bursts into tears, and swears it is all true. And it is."

Internet Newsgroup (Usenet) archive

From May 1995 until the present day, this matter has been discussed exhaustively on internet newsgroups. The most interesting articles from the first two years of posts are documented here. This area is worth reading since most of the questions which the reader would ask, have been asked at some time or another by someone on usenet. Perhaps the very first article posted sums it all up so succinctly;

Date: Thu May 4 18:27:24 1995
Newsgroups: alt.conspiracy
Subject: BBC's Hidden Shame

Remember the two-way televisions in George Orwell's 1984? The ones which watched you back? Which you could never get rid of, only the sound could be turned down?
Well the country which brought Orwell into the world has made his nightmare follow into the world after him. Since 1990 the British have been waging war against one of their own citizens using surveillance to invade privacy and a campaign of abuse in the transmitted media in their efforts to humiliate their victim.
And the most remarkable thing about it is that what they do is not even illegal - the UK has no laws to protect the privacy of its citizens, nor does it proscribe harassment or abuse except in the case of racial abuse.
A lot of people in England know this to be going on, yet so far they have maintained perfect "omerta"; not a sound, not a squeak has escaped into the English press, and for all the covert harassment absolutely nothing has come out into the public domain.
Have the British gone mad? I think we should be told.

So how much deeper will the persecutors-who-wont-admit-theyre-MI5 sink in their campaign of lies and intimidation? Each time I thought they could sink no lower, they have managed to surprise me. You thought it could never happen here? When the MI5 British Secret Police make their smears against me, it is the corruption of the Establishment, which they are part of, that is demonstrated.

BBC newscaster Nicholas Witchell cant stop himself laughing

During 1990-91 there were very many instances of "interactive television" where newscasters and other TV presenters saw on a screen before them what was happening in my home, and reacted, frequently by laughing at me. During this period I unfortunately did not record these programmes. For the last year or two, I have been recording everything I watch, and there has been a drastic decrease in such incidents.

However, on occasion, television presenters do still engage in "interactive watching" and react to what they see. This has been evident with Jon Snow of Channel Four News recently - a particularly interesting case, since it has been established that he cannot be corrupted by money (it is well-documented that MI5 offered him a tax-free salary and he turned them down). I wonder what device MI5 are using to encourage him to do the "interactive watching"?

On Saturday 10 April 1999 at 7pm, Nicholas Witchell on BBC2 News reacted when he saw that I was watching the programme, and I have his reactions stored safely on videotape. I have watched this tape several times and I am entirely confident that my evaluation of his reactions is correct. For several minutes his upper lip quivered in mirth as he attempted to keep a straight face. Then finally his self-control evaporated through the excuse of a weak joke and his face collapsed into a grin.

The strange thing is that I dont know why he was laughing at me, what I had done recently to "deserve" to be laughed at. The MI5 persecutors usually manage to invent some justification as to why people should laugh at and/or abuse me ("hes an X", "it was so funny" etc), so Mr Witchell could have been laughing for any number of reasons. Perhaps he found the views I have been expressing in these articles amusing? I suppose if youre paid enough money and ordered to laugh then even the most innocuous thing becomes funny.

Jon Snow of Channel Four News cant stop himself smirking, either.

On 12 February 1999 I was watching Channel Four News presented by Jon Snow. As usual, I was recording the programme, so that if anything out of

the ordinary happened, Id be able to go back and watch it again.

Now, Jon Snow, by his own claim, is uncorruptible. He says he turned down an offer of a substantial tax-free salary from MI5 - they wanted to make him their mouthpiece, and he told them where to get off.

So you will be most surprised to learn that Jon Snow "interactively watched" me that evening, and on many other evenings. Approximately fifteen minutes into the programme, he announced that the US President would be making a live appearance at about 7.30pm; I looked at the clock on the mantelpiece; and Snow saw me looking at the clock, and visibly tried to suppress a smirk.

Uncorruptible, are you, Mister Snow? If not money, then why are you watching me, Mister Snow? Are they forcing you to watch me? Cant you turn the monitor off, Mister Snow?

Comparing the MI5 Persecution with German "Final Solution"

It might seem offensive to compare the mass murder of millions of civilians in wartime with the peacetime persecution of merely one person. Yet the comparison has been coursing through my mind for several years now, because the brutality of German intent to "sub-humans" is very much comparable to the brutality of British intent to someone they vituperate and term "not up to British standards". The methods may differ, but the persecutors mindset is the same.

The Germans first targeted the mentally disabled, too

During WW2 millions of ethnic Russians, Poles, Jews, mentally ill, gypsies and other minorities were rounded up and murdered in purpose-built camps by the German regime, in the name of "racial superiority". Fifty years on, the British Secret Police, MI5, instituted a campaign of mass hysteria; but in their cowardice, limited their activities to one single victim.

It is instructive to note that the early German "cleansing" effort was directed primarily not at Jews, but at the mentally ill. The Nazis set up the T4 project in the thirties to "cleanse" away 70,000 mentally disabled people, including schizophrenics and epileptics. After WW2 the Jews with their media influence used the reaction from the holocaust to roll back anti-semitism in the Western countries; however, the mentally ill are today still a persecuted group in the modern Western world as they were under the Nazis (the current Jewish home secretary in the UK intends to bring in laws for incarceration without any criminal charge for some mentally ill people - he protects his own minority, but does nothing for the other minorities in todays society), and this continuing bias forms a central cause for the current acts of persecution in the UK.

Widespread knowledge of what is happening to the "un-British" minority

In both the German persecution of the thirties and early forties, and the current British persecution, many, many people are well aware of whats happening. There is widespread complicity through inaction of populace; and in a substantial proportion of the mainstread population, the persecution had/has widespread enthusiastic support; yet in both the German case in the 1940s and the British today, the existence of persecution is a mass secret which must be never admitted out loud. In the recent Lawrence case this "secret bigotry" has been termed "institutionalised racism", and that is a very good word for what the British are doing today The persecutory attitudes and omerta regarding them are so deeply ingrained in the national psyche that they define the national mood

During WW2 many Germans knew minorities were disappearing, and through inaction quietly condoned their government's mass murder of "un-German" minorities and inferior "foreigners"; and in the 1990s, similarly, many English people know what the MI5 British Secret Police have been doing, and not only condone it, but actively take part, because of xenophobia against the "un-British" unit minority that is the target of "British" actions. This attitude by the British persecutors has been made explicit through the words "he's not up to British standards"; the British seem to have found their very own "untermenschen" to victimise.

Why these obsessive "holy wars" happen

This type of aggression occurs when the majority is threatened or humiliated in some way, economically, militarily or culturally. In pre-WW2 Germany the threat was primarily economic and military, following Germany's humiliating defeat in the first world war and the reparations it was forced to pay. In modern Britain, one might guess that the majority English who are behind the persecution feel pressured by the swiftly diminishing status of Britain in the world, and the rapidly increasing coloured colonisation of their country, which in time will see the ethnic English a minority in their own land, and their more antisocial elements, unable to reply to the obvious threat, instead project their aggression onto another, weaker, unit minority

In both cases there is a whiff of "holy war" or irrational obsession with the persecution. Certainly the German behaviour fifty years ago bordered on the not-quite-sane, and the current British behaviour towards their chosen victim is strongly tinged with a leave-taking of reason. And the choices open to the victims are the same, since MI5 will never allow me to escape them, "if he tries to run away we'll find him", just like the commandant of Auschwitz telling the new arrivals, "the only escape is through the chimney".

The Victim Will Destroy Us if We Dont Destroy Him First

The persecutors propaganda is the same. Fifty years ago the Germans said, "if we don't do it to the Jews then the Jews will do it to us"; and MI5's propaganda in the early nineties concentrated on their victim as a "monster" aesome "untermenschen" minority.

"We are decent fellows" say the Brutal Persecutors

During the course of researching this article I read part of the very interesting book, "Hitler - A Study in Tyranny", by Alan Bullock. This volume contains a quote from Himmler on the "Final Solution";

"Most of you know what it means when a hundred corpses are lying side by side, or five hundred or one thousand. To have stuck it out, and at the same time .... to have remained decent fellows, that is what has made us hard. This is a page of glory in our history which has never been written and is never to be written."

In the MI5 persecution, too, there is a thread of deliberate brutality to the sick and vulnerable, while the persecutors maintain that "we are decent fellows". There is almost a conscious schizophrenia in the self-attitudes of the Security Service operatives and those in the public who they employ against me, which reflects the contradiction evident in the German attitude above. On the one hand, they stoop to the lowest and most base behaviour; yet at the same time, the MI5 operatives tell themselves that since they are civilised British people, then surely they must by definition be "decent fellows". Any indecency is made the fault of the victim; "hes making us persecute him, so we need feel no guilt".

Yet the conduct is atypical of the way these peoples see their normal modes of behaviour. Befslaughter was not typical of normal German behaviour up to that point. Similarly, the current MI5 abuse goes against the grain of British self-image as being "reserved" and "decent", since they are using terms of abuse which are common among blacks and other supposedly less-developed races, but not among the English.

Conclusion

The ultimate aim of both persecutions is the humiliation and physical extinction of the persecuted group. The Germans did this in a very direct way; the British Secret Police MI5 are acting indirectly and relying on self-extinction of their target, because in peacetime and in the current somewhat false climate of "political correctness" more direct methods are impossible. If MI5 undertook more direct action the mass "omerta" would be broken.

I have written this article with sincerity to show how a historically recent persecution in another country parallels what is being done in this country today. In both cases, the evil-doers are of their countries establishments, and rely on widespread tacit support to maintain the persecution and omerta around it. While the holocaust was undoubtedly the greater evil, it is important to be aware of the fact that had the Germans not been defeated fifty years ago, their plans would have gone through to total completion. In Britain today no force threatens the "permanent government" of which the Security Service forms a part; and it looks very unlikely that the wrongs perpetrated by the MI5 secret police will ever be revealed to public view, and the British secret state brought to justice for its evil actions.

MI5 Persecution Update: Friday 30 April, 1999

Please.... keep your response to one page!. Faxes over a page or two will be deleted without being read.

Somewhere between 0 and 100%

The last few days there have been no clear recordable instances of abuse. However, while travelling on the Underground, while walking around near my home and going to friends homes, I am constantly troubled by thoughts that those people over there might be about to get at me; that the couple sitting in the opposite seats laughing are in fact laughing at me; et cetera, et cetera.

A comment by a scientist to the BSE inquiry sticks in my mind. He described the possible scale of the epidemic as "between 0% and 100%". It might not be happening, it might not happen at all, to any discernable degree.... or it might be total. Without clear recording, which seems to have become impossible the last couple of weeks, there is no way of knowing whether the harassment really is continuing, whether we have entered a temporary hiatus, or whether perhaps it has perhaps stopped for now.

But for the time being I think there arent any reasons to dicontinue these faxes. I only re-started them six weeks ago in response to a resumption of MI5 harassment; and I think I will need to be more convinced of absence of persecution before I discontinue my complaints.

The Newscasters are still watching

In the last few weeks there have been at least a couple of fairly overt instances of "interactive watching" by newscasters. I reported this in a previous "MI5 Persecution Update".

These instances are really very rare compared to 1990-91, when there were many dozens of such occurrences. Undoubtedly the reduction is due to my practice of videotaping everything I see. Recently I had the opportunity of showing this years "happenings" (Jon Snow/Nicholas Witchell) to my psychiatrist, and he agreed that in both cases the newscasters were expressing merriment without visible cause, and that objectively it might be possible for my claims to be true - although of course other people reported similar thoughts to him, and this thinking is usually a symptom of illness.

Read About the MI5 Persecution on the World Wide Web

The March 1998 issue (number 42) of .net Magazine reviews the website describing it as an "excellent site". Since August 11, 1996 over 50,000 people have browsed this website.

You are encouraged to read the web pages which include

a FAQ (frequently asked questions) section outlining the nature of the persecutors, their methods of harassment through the media, people at work and among the general public

an evidence section, which carries audio and video clips of media and workplace harassment, rated according to how directly I think they refer to me

objective descriptions of the state security agencies involved

scanned texts of the complaints I have made to media and state security agencies involved

MI5 Waste Taxpayer Millions on Pointless Hate-Campaign

Recently I was talking to an independent observer about the nature and purpose of the perceived campaign of persecution against me. The person I spoke to, a highly intelligent man, said he was struck by the utter pointlessness of the perceived campaign against me. He also said that, if my theories were in fact true, many people would have to be involved, in the surveillance itself, and in the technical side of the delivery of information from my home to TV studios for example, if the "interactive watching" were happening as described. He voiced these thoughts without any prompting from me; but both I and other observers had arrived at pretty much the same conclusions, some years ago.

I saw a team of four men at Toronto Airport in 1993

To carry out the surveillance alone, full-time, would employ four or five men, or their equivalent in terms of man-hours. Each man would "work" an eight-hour shift, so you would need at least three men doing the surveillance, plus a connecting link / manager. An indicator that this estimate is correct arrived in 1993, when I was accosted by one of a group of four men at Toronto Airport; he said, laughing, "if he tries to run away well find him". Plainly these were the men who had been involved in the intrusive surveillance of me for the preceding three years.

On other occasions, I have seen the same man on two or three occasions. On one such occasion, at Ottawas Civic Hospital in November 1996; he gave his name to the doctor as "Alan Holdsworth" or some such; my hearing is not very good sometimes and I am not sure of the surname, although I am sure "Alan" was his first name. I saw exactly the same man again in Ottawa, at the airport, in July 1998. Obviously, other people must be "working" with

this person; he would not be the sole agent employed in this case.

Usenet readers views on the Cost to MI5 of Running the Campaign

Here's what a couple of other people on internet newsgroups / Usenet (uk.misc) had to say regarding the cost of running such an operation...

PO: >Have some sense, grow up and smell reality. What you are talking about
PO: >would take loads of planning, tens of thousands of pounds and lots of
PO: >people involved in the planning, execution and maintenance of it. You
PO: >must have a very high opinion of yourself to think you are worth it.

and......

PM: >But why? And why you? Do you realize how much it would cost to keep
PM: >one person under continuous surveillance for five years? Think about
PM: >all the man/hours. Say they _just_ allocated a two man team and a
PM: >supervisor. OK., Supervisor's salary, say, #30,000 a year. Two men,
PM: >#20,000 a year each. But they'd need to work in shifts -- so it would
PM: >be six men at #20,000 (which with on-costs would work out at more
like
PM: >#30,000 to the employer.)
PM: >
PM: >So, we're talking #30,000 x 6. #180,000. plus say, #40,000 for the
PM: >supervisor. #220,000. Then you've got the hardware involved. And
PM: >any transcription that needs doing. You don't think the 'Big Boss'
PM: >would listen to hours and hours of tapes, do you.
PM: >
PM: >So, all in all, you couldn't actually do the job for much less than
PM: >a quarter million a year. Over five years. What are you doing that makes
PM: >it worth the while of the state to spend over one and a quarter million
PM: >on you?

Those are pretty much the sort of calculations that went through my head once I stopped to consider what it must be costing them to run this operation. At the very least, a quarter million a year - and probably much more, given the intrusive and human-resource-intensive methods employed. Times nine years. Equals well over two million pounds - and probably much, much more.

Its wasteful for someone with my skills to be unemployed

The wastefulness of the MI5 campaign against me is not just that of futile expenditure on their side. It is also extremely wasteful for someone with my talents to be unemployed and on a disability pension. I am highly qualified in numerate disciplines, yet am unable to work, specifically because of the MI5 hate-campaign against me. It is a terrible waste of resources for a supposedly efficient economy like that of the UK to be squandering the talents of a skilled and capable worker.

I made every effort to remain in employment for as long as I could, but ultimately I was defeated by MI5s employment of massive resources specifically targeted on my workplaces with the sole aim of seeing me

evicted from those workplaces. You might expect this sort of behaviour from the Stasi or some other secret police force in a communist country where labour is cheap, and the governments aim on seeing its citizens confined; but for a supposedly free and efficient economy like Britains, the wastefulness resulting both directly and indirectly from the Security Services activities is simply criminal, and should never be allowed.

The international dimension means the costs are multiplied many times overoer had any sense, then they have surely taken leave of them over the last nine years.

Four years of persecution in Canada

The persecution re-started within less than five minutes of my arrival in Canada, as documented above, and in the "frequently asked questions" article on the website. The words, "if he tries to run away well find him" spoken by one of the harassers at Toronto Airport are now imprinted on my mind.

A year later I emigrated to Canada, intending to find a job and settle there, hoping that MI5s interest in me might dim with time. I did manage to find work there, but my hopes of avoiding Security Service interest were ground into dust. As detailed above, I saw the same man in November 1996 and July 1998, both times in Ottawa. Apart from these encounters, there were numerous incidents between 1994 and 1998 of harassment, of an identical nature and in most cases using identical words to what had occurred in the UK. It became quite clear to me that the permanent surveillance and harassment operation which MI5 had subjected me to in England was being continued.

For a team of four or five men to be employed overseas must cost a lot more than if they operate in their home country. And for MI5 to continue the operation for a period of over four years, continuously, must cost many hundreds of thousands of pounds. This confirms my belief that the state is funding the campaign against mehat the Security Service receives current annual funding of #160M. Divided by 1850 staff, works out at #86,000. But the unit annual cost of each "watcher" must be much higher than this, especially given the frequently mobile and overseas nature of their actions of the last few years. A very conservative figure might be a little over #100,000 pa for each of a team of five people, or half a million pounds per year. For nine years, so far. So the most conservative estimate of the surveillance element alone is perhaps four or five million pounds since 1990.

This guesstimate is of course theoretical - I am not privy to inside details of how MI5 split their funding. But to take some other examples, the cost of a US counter-surveillance specialist per day is USD 5,000. Even if the agents permanently assigned to me are not of this calibre - even if they employ specialists when difficult work planting bugs etc is encountered - their salary and support costs must still be very high. The individual agents are doing well for themselves as they are well-paid to exercise psychopathic instincts which in any sane society

would see them in prison; but the taxpayers who must fund this terribly wasteful exercise are being "done" out of hundreds of thousands of pounds each year.

It must be emphasised that the above estimates are highly conservative. Besides the surveillance operation, it must carry a high cost in man-hours to propagate covert slanders through the population; to setup and maintain the "interactive watching" links to TV and radio stations, which these organisations continue desparately to "lie and deny"; and to induce antipathy in co-workers which would not otherwise exist.

Why they are wasting Millions of Pounds on a "Nobody from South London"

As remarked in the prologue to this article, it is really most extraordinary that the Security Service spends a chunk of its budget, every year for nine years so far, on a meaningless campaign against a "nobody from South London". That they are spending such a large amount of money has been confirmed to me on several occasions, usually by oblique references to "its costing this country millions". The supposed "logic" behind the persecution is that MI5 wish to avoid their harassment of me, and the involvement of the UK media, to be made public; yet as the reader will appreciate that is a circular argument, "theyre doing it because they want to keep it secret and avoid humiliation for themselves and their country" begs the question, "why did they start doing it in the first place?", to which in truth I myself do not know the answer.

Plainly MI5 with its rich budget can afford half a million pounds a year to waste on a "nobody from South London". Some time ago I was talking to a British surveillance professional on Compuserve who told me "this work costs a lot of money and is usally because the person I am following has done something (usually criminal) to warrant all this money and time being spent." Yet in this particular case it is plainly not the "victims fault" that the harassment is taking place. The hate-campaign against me is completely the creation of the obsessive psychologies of the MI5 agents who have made themselves my persecutors; it is obviously a "personal" campaign for them, and for years they misuse taxpayer funding to feed their insane, unnatural and fixated fantasies.

Four Years of "MI5 Persecution" Posts on Internet Newsgroups

For approximately the first three years of the MI5 persecution, from June 1990 until late 1992, I kept as quiet as possible, in the hope that by not reacting, MI5s interest in me would decrease and they would simply go away of their own accord. This is the sort of behaviour some people employ against bullies; if the bullies arent getting a reaction, then they might simply go away and victimize someone else.

Unfortunately, this tactic didnt work. The quieter I became, the more shrill and hysterical the noise from the Security Service operatives. For about two years I didnt watch TV news at all. Yet this only heightened their obsessed fixation; they continued to follow me wherever I went, they continued to induce harassment at work by managers and fellow workers, and they continued to encourage me to commit suicide. They seemed to regard my refusal to react as a crime which they would have to "put right" by ever more extreme forms of abuse.

Finally, in 1995, I changed tactics radically. Since late 1994 I had had accounts with internet providers in Ontario, Canada. I discovered the cornucopia of internet newsgroups, on every topic from consumer electronics, to politics and legal topics, and I discovered online services such as Compuserve and AOL. In May 1995, I made the first posting to the conspiracy newsgroup, on the subject of "BBCs Hidden Shame".

BBC's Hidden Shame

The internet newsgroup discussion, which has now reached its fourth anniversary, started with an article in alt.conspiracy, which I reproduce here.

Date: Thu May 4 18:27:24 1995
Newsgroups: alt.conspiracy
Subject: BBC's Hidden Shame

Remember the two-way televisions in George Orwell's 1984? The ones which watched you back? Which you could never get rid of, only the sound could be turned down?

Well the country which brought Orwell into the world has made his nightmare follow into the world after him. Since 1990 the British have been waging war against one of their own citizens using surveillance to invade privacy and a campaign of abuse in the transmitted media in their efforts to humiliate their "victim".

And the most remarkable thing about it is that what they do is not even illegal - the UK has no laws to protect the privacy of its citizens, nor does it proscribe harassment or abuse except in the case of racial abuse.

A lot of people in England know this to be going on, yet so far they have maintained perfect "omerta"; not a sound, not a squeak has escaped into the English press, and for all the covert harassment absolutely nothing has come out into the public domain.

Have the British gone mad? I think we should be told

At this point, I did not name MI5 as my persecutors. I was still unsure that they were the ones responsible for the "psychological terrorism". In followup posts however I did name them; and the persecutors have never denied the claim; so I think my guess is valid. (The Security Service Tribunal in 1997 have said "no determination in your favour was made", but it is a well established fact that MI5 lies routinely to the Tribunal which has never found in favour of a plaintiff, so no conclusions can be drawn from this.)

This first post was made to alt.conspiracy, but further posts were made to the UK-local newsgroups, in particular uk.misc but also uk.legal and uk.politics (which is now called uk.politics.misc). Some time ago I tried to take the battle to the Compuserve forums, UKPOLITICS (which is now called UKCURRENT - current affairs), but my articles were censored by the forum operators. Such censorship is impossible on the internet newsgroups.

Police Refuse to Act

I have complained several times to the Metropolitan Police, who have each time refused to help.

bu765@torfree.net "Mike Corley" writes:

>Last Easter (1995) I went into the local police station in London and spoke to
>an officer about the harassment against me. But I couldn't provide tangible
>evidence; what people said, in many cases years ago, is beyond proof, and

>take the complaint seriously.

This in itself dos not suggest that the police have it in for you. The old bill operates on extremely tight spending limits forced on them by that pillock Michael Howard, and without evidence, they often have higher priorities than chasing something that cannot go to court.

I doubt that the police are actually being leant on, but they probably realise that if they looked into this, they would be leant on hard. The met always stays away from anything that looks like it has Defence, Security or secret service interest already,

because they realise that they are below these government agencies in the general pecking order.

If I walked into my local nick and complained that MI5 were snooping on me, they would show me the door without even looking at my evidence, because that bored desk seargant with only five years to go before he retires doesn't want to start fucking about with somebody who has incurred the wrath of Stella Rimington. He would rather deal with the lost dogs and driving licence producers, eat his cheese and pickle sandwiches and piss off home at the end of his shift than have some high ranking spook having a go at his boss and getting him a bollocking.

In short, you have earned much sympathy but little surprise. Just remember that saying about the enemy of your enemies.

Most recently, I wrote in March 1999 to Charing Cross Police Station CID. They did not acknowledge or reply to my letter. When I phoned them up, the detective Id written to treated me to a sadly not unusual display of police bigotry, with an uneducated rant about "your paranoid rubbish".

It would be nice to think that such uneducated bigotry is something other than wholly typical of police behaviour, but unfortunately that is an illusion that is rapidly dispelled.

Uncorruptible Jon Snow of Channel Four News

From previous articles the reader will know what I think Jon Snow has recently been watching me while he reads Channel Four News in the evening. Recently I digitized a few moments of one such broadcast, where his face twists into a smile, without there being anything in the news broadcast to cause merriment. Here is a usenet post from some time ago on MI5s "bought and paid for" tools in the so-called "free" press.

Peter Harding (harding@ermine.ox.ac.uk) wrote:

Can't disagree with that sentiment.

Wasn't it documented that MI5 sometimes "bought" journalists and broadcasters?
I remember reading a report by some jouralist who had been offered an extra
tax-free income by MI5 to become their covert mouthpiece, and had refused.

It has been reported several times. The most recent was in Private Eye, a few months back. As I recall they also wanted information from him; journalists would be a natural choice for members of the Security Service

and the Secret Intelligence Service for information sources.

> It might be interesting to see what he had to say regarding their

He was most concerned that many others would have accepted such an offer. However, we can probably make an educated guess as to some of those who accepted: Nigel West (Rupert Allason, MP) and Chapman Pincher would come near to the top of the list.

Corrupt Security Service agents steal millions from taxpayers

Money is of course a factor in the grand equation which is the MI5 persecution. It costs money for the Security Service to "buy" people in the media etc. But that is only a small part of their expenditure of taxpayers resources. Most of the expenditure is directly on the salaries if the agents involved; and in this post I put forward the theory that MI5 are trying to draw out their involvement for as long as possible, very cynically, to maximise their income and line their own pockets.

At each stage they have tried to pretend that I am something out of the ordinary. Either I was very stupid ("he's an idiot") or very clever ("he's like a genius"). Either I was a threat to Western civilization (Levin once referred to me as the next Hitler) or I was completely defenceless ("a soft toy").

Now, it should be obvious to any person with common-sense that I am not out of the ordinary in any way. I have an IQ which is average for the Web, I am racially white European, and there are plenty of other people with schizophrenia or epilepsy out there who haven't been targeted for MI5 attention, so why me?

I think the answer is that the MI5 agents who harass me have cynically exploited the situation by painting me as extraordinary in order to assure themselves of well-paid employment funded by the ordinary British taxpayer. To put it bluntly, they are stealing millions of pounds from the taxpayer to feed their own pockets.

This assertion is supported by the observation that it's the same agents who are doing the harassment. Six months ago in a local hospital I was harassed by someone whose face I had seen (he had stared straight at me aggressively, at the time I just thought it was some nutter but it turns out he was one of "them") aboard a KLM flight a couple of years ago. It's presumably been the same people most of the time. I've seen the way contractors act when they don't want their positions terminated. Would these agents really want to lose their well-paid employment harassing me? Presumably they are promising their bosses a "breakthrough" (ie my demise) real-soon-now and have been for the last seven years, while all the while these MI5 agents skim millions

off the taxpayer.

I wouldn't mind a job like that. Perhaps if I persecute myself a little bit, like standing in front of a mirror and shouting mindless obscenities, do you reckon I'd get a slice of the caky Service Tribunal. This year Nick Brooks, current Tribunal Secretary, confirmed to me that he could not think of a single case where the Tribunal had found in favour of a complainant. Here is my usenet post from two years ago.

Subject: MI5: "It wasn't us"
Newsgroups: uk.misc,uk.legal
Organization: Toronto Free-Net

"The Security Service Tribunal have now investigated your complaint and have asked me to inform you that no determination in your favour has been made on your complaint."

Signed ER Wilson, Tribunal Secretary

Well that's a relief then. All that spamming for nothing eh. Gaw blimey, if they say they're not doing it then it can't be them, can it?

In a recent letter to Mr Brooks I expressed the opinion that the Tribunal were unable to fulfil their responsibilities in the face of MI5 falsehoods. Nevertheless, I do intend to make another complaint to the Tribunal in the near future, despite the Tribunal appearing to be a toothless watchdog.

Discrimination against a Unit Minority

MI5 have been very clear in their instructions as to what I should do. They have openly shouted at me the word "suicide", and also from the other abuse it is clear that they want my existence terminated.

This point is covered in more detail in a previous article. The following post describes the xenophobic nature of MI5s campaign against me. They have refined their bigotry down to a unit minority, yet they make use of the discrimination against the mentally ill which is a feature of current British society.

I don't have florid symptoms. But I'm in a difficult situation, because those people who don't know, aren't going to believe, and those who do, they just go

along with the crowd. It's never a good idea to go against the grain, and the grain here is defined by interests in the establishment and the media. Even people who could say out loud what was happening won't, because then there's a risk that they'll be seen as traitors and ostracised.

Usually this type of 'hidden abuse' is racial and targetted at a racial minority within a country. You keep the minorities out of the good jobs, but you don't admit discrimination exists. It happens everywhere, not just in Britain. The persecution that is going on now is in reality a refined form of racism. Instead of "nigger" it's "nutter", and abusing the mentally ill is still socially acceptable today. In 50 years it might not be, but today there isn't any social or legal sanction against it.

So really they've refined racial harassment down to a minority of one. The words may be different, but the methods are the same.

MI5 Persecution: BBC Newscasters Lie & Deny They're Watching Me

Central to the persecution campaign waged against me for some nine years now by the Security Service is their use of the media, and in particular the broadcast media, to make clear to me that I am under surveillance and being watched within my own home, even by BBC newscasters while they read the news. This is really an act of arrogance; MI5 and their tools in the television and radio are so sure that they can never be caught, that they have many times made explicity clear on broadcast programmes that they are as capable of seeing me as I am of seeing the broadcast pictures. Even when they have known I am taping the programmes they still carry on this practice; for examples of TVand radio presenters caught "in action", see the Evidence area of my website.

If you wish to reply to this article......
then please include your name and fax number! I provide the means for recipients to send me their thoughts on the topics discussed, but ask that you provide me with your fax number or email address if you require a response. Also would you please send not more than one or two pages, if by fax. Thank-you!

It started with a Newscaster, and it continues with Newscasters today

The very first incident in the story started with a reaction by an ITN newscaster, Sue Carpenter, in June of 1990, almost nine years ago now. She reacted to what she saw in my living room at home as she read the news. My mother had brought an apple for me into the room, whereupon the newsreader smirked and giggled, apparently finding this funny. I couldn't believe what I was seeing. I carried on watching news and other television programmes to see if presenters would show signs of "interactive watching"; to my surprise, this happened again and again. Unfortunately, I did not have my wits sufficiently about me to videotape these programmes, and it is now almost impossible to obtain recordings dating back to 1990.

However, I have been busy recording everything Ive watched the last couple of years, and the taping has yielded some nuggets, which you will find if you point your Web browser at the "evidence" area of my website, whose URL address is given above. Strangely it is not particularly the BBC who are "after me" at the moment (with the exception of occasional fire from Nicholas Witchell), but that supposed paragon of virtue and decency Jon Snow of Channel Four TV News (he actually works for ITN), who once claimed hed turned down MI5s offer of a tax-free salary. I will cover Snows recent actions in a future article.

BBCs Hidden Shame

The first ever Usenet post (internet newsgroup article) on the subject of the MI5 bugging / BBC watching occurred, as stated in a previous article, in early May 1995. It is reproduced here;

Date: Thu May 4 18:27:24 1995
Newsgroups: alt.conspiracy
Subject: BBC's Hidden Shame

Remember the two-way televisions in George Orwell's 1984? The ones which watched you back? Which you could never get rid of, only the sound could be turned down?

Well the country which brought Orwell into the world has made his nightmare follow into the world after him. Since 1990 the British have been waging war against one of their own citizens using surveillance to invade privacy and a campaign of abuse in the transmitted media in their efforts to humiliate their "victim".

I suppose "BBCs Hidden Shame" is more of a wish than a fact. It may be hidden, but the BBC and other media and security organisations seem to have no shame whatever in their anti-social, not to say criminal, actions. Nor do the general public, who seem quite happy to parrot the vilest obscenities without much hesitation or apparently thought.

Martyn Lewis, Nicholas Witchell and the rest

Most of the harassment occurred in 1990-92, when I wasnt making any recordings, and the BBC wont release copies of current affairs programmes from that period.... so although I can remember there were many incidents in that time, even many specifics, I cant dig up the actual programmes to flesh out the bones.

This year, there has been at least one incident with Nicholas Witchell as newsreader, which I have successfully recorded and digitized, i.e. converted into a computer Quicktime movie file. This has not yet found its way onto my website (Im a busy man, dontcha know) but you can be sure I will let the readership of these articles know when that clip makes it onto the web. The Witchell clip was recorded on Saturday 10 April 1999 at 7pm, and shows Witchell trying to restrain his features from collapsing into a smirk. First his upper lip quivers for several minutes, then with the non-excuse of a non-joke his entire face twists into a grin. It looks as if he finds me so funny, that he allows himself to submerge any pretence at professionalism in a sea of MI5-inspired sarcasm and harassment.

The two BBC newscasters whose reactions to me I can remember most vividly over the years are Martyn Lewis and Nicholas Witchell. I can remember thinking years ago that Michael Buerk was also seeing me at home; and if the other two are watching then there would be no reason why he wouldnt be doing the same; but in all honesty I cannot remember a single clear instance of his reacting through facial or verbal expression to me.

I can remember several instances of Martyn Lewis reacting to what he saw of me, however. In early 1992 I was watching the BBC news with Lewis on a small black-and-white portable TV at my then home in Oxford. I threw a term of abuse at Lewis; he flinched, then gave a grin and made a comment from which I understood that he had been on my side, but might have changed his mind as a result of what Id just said to him.

And in spring 1991 I remember Martyn Lewis clearly reacting to what he saw of me at my then accommodation in Woking, Surrey, by continuing to stare at some fixed point near the camera after the news had finished - presumably this is where the monitor interactively showing pictures of my room was located.

Why would BBC and other Newscasters Watch and Harass Me, Watching Them?

This is a very difficult question, and I dont actually know the answer. It is a matter of record that the Secret Services are very much part of the Establishment. The recent exposure of the "MI6 Agent List" on the internet, and its coverage in the newspapers, reveals how much MI5 and MI6 are recruited from the ranks of the Establishment. Obviously the relationship is bi-directional; the Establishment influences MI5/MI6, but the secret services (well, perhaps not so secret now we know who works for MI6!!!) also influence the machinery of power and information dissemination i.e. media in this country. So they must have a lot of covert leverage with the BBC and ITN.

Some of this leverage is obviously through bribery. It is a matter of record that MI5 tried some years ago to "buy" Jon Snow of Channel Four TV. He turned them down - obviously they must have approached other media people as well, and from the lack of other reports of people turning them down, it may be presumed that some other journalists will have accepted the sugared carrots put before them. Ironically, Jon Snow has been taking part in the recent "watching" actions against me - but why he has allowed himself to be used by the secret services is something which I do not know.

Perhaps the Security Service uses blackmail to twist arms of journalists into co-operating with them? I have always thought there was something slightly odd about Martyn Lewiss demeanour. At the time of the Ron Davies "rough trade" scandal it was reported that MI5 had known all about Davies predilections and the sham of his pretence to be a happily married man. Perhaps MI5 have been able to dig something up from Martyn Lewiss private life to blackmail him into acting on their behalf? And if there wasnt anything before the "newscaster watching" started then there most certainly is something now.... once theyve started watching, the newscasters will surely wish their activities to remain covered-up, and co-operate with the security service.

"Newscaster Watching" Deliberately Constructed to Mimic Schizophrenia

Presumably this is the first case in history of television journalists actually taking part in acts of real-time, live spying and reacting against one of their viewers. What you have to understand, though, is that

I was quite mentally healthy in June 1990, certainly relative to November 1992, when after two and a half years of harassment I was finally admitted to hospital as an out-patient. MI5 decided from the outset that they would make me mad; they constructed the media harassment to resemble what would be reported by a person with mental illness; and then they carried on years of abuse to inflict on me the condition which they wished to use as an excuse to cover up their abuses.

I sold my portable TV in autumn 1990 and stopped watching television regularly. I realise now that this may have been a mistake. What I should have done was to watch TV and listen to the radio, but tape-record everything and make a note of what each excerpt meant to me. I would then be in a much stronger position as regards to evidence that I am now. That is what I am trying to do now, but unsurprisingly the TV/radio presenters have stopped getting at me, now they know they are being recorded.

When I started publicising my case on internet newsgroups in 1995, I was met with the disbelief one might expect to be accorded to a mentally ill person who talks about "newscaster watching" and media persecution. Some newsgroup participants thought I had started a "troll", an invention made to obtain a reaction; one bright spark even suggested a group of psychology students were behind the articles. But most people thought the articles were symptomatic of derangement - and that is exactly what MI5 want people to think. MI5 chose me as a target because I was mildly mentally ill at the outset in 1990, although I stress my illness then was very mild in comparison with November 1992, and because they knew that enough abuse would (a) make me much more seriously ill, and (b) once I was more ill, they would "get away" with a harassment deliberately constructed to look like the symptoms of paranoid schizophrenia.

Martyn Lewis Denies & Lies, But Wont in Writing

In February 1997 I wrote to BBC Viewer & Listener Correspondence and asked them to investigate the claim that their newscasters had engaged in "real-time spying" on me. They replied that they had asked Martyn Lewis and Michael Buerk whether they had engaged in such practices, and that they had both made verbal denials to VLC, but were refusing to put their denials in writing.

To me it looks as if Lewis and Buerk are happy to lie verbally but not in writing, because written falsehoods would place them unambiguously in the wrong, whereas they can try to talk their way out of verbal lies if they are ever caught, or perhaps even deny the verbal lies completely? If they lie without shame, then why would they have any shame about future lies about lying?

BBC-VLC also said that the BBC "would never engage in any form of surveillance activity" such as that described. Clearly Martyn Lewis and the rest have lied to their own organisations personnel about their criminal actions. So much for the "objective", "truthful" BBC, a nest of shabby liars.

Summons against the BBC, for Nuisance caused by Newscaster Spying

In March 1997 I issued a civil summons against the BBC, seeking injunction against further "newscaster spying", and token damages for what the BBC had done to me until that date. The purpose of the summons was to try to "smoke out" the BBC, since obviously I did not have good evidence which would be necessary for either a civil or criminal case to be made against them. My summons was worded as follows;

1. The plaintiff is and was at all material times residing at [home address]. At some time prior to or during June 1990, persons of unknown identity entered Plaintiff's premises and installed concealed television equipment in said premises.

2. A campaign of harassment was launched against the Plaintiff by the persons of unknown identity, which in part took the form of instigating harassment by BBC TV newscasters (including specifically Michael Buerk and Martyn Lewis) as they read news bulletins, by making direct and personal comments to Plaintiff.

3. The campaigns purpose was to subject Plaintiff to great mental stress and induce mental breakdown. As a result of it Plaintiff did indeed suffer from severe mental strain in 1990-97.

4. In order to avoid the mental strain being caused to him the Plaintiff has been compelled to stop watching BBC TV news. Defendant therefore committed the tort of private nuisance, since normal use of home was interfered with.

5. Plaintiff claims a permanent injunction prohibiting further nuisance, and damages for nuisance suffered limited to 5,000.

Naturally, my attempt to smoke-out the BBC and its lying newscasters failed. The BBCs litigation department sought to have my summons struck out; and they succeeded in doing so, on the grounds of my action "disclosing no reasonable cause of action". I was also prevented from issuing further civil claims against the BBC without leave of the Court. Apparently litigants-in-person frequently / usually have their claims struck out with this wording, regardless of the merit of their claims.

BBC Suppresses my Claims of "Watching by Newscasters"

BBCs staff magazine Ariel ran my advert "BBC Newsreaders Spying on my home" for one issue in the Personal category on 8/July/1997 before it was spotted and axed by editor Robin Reynolds; please see webpage; http://www.pair.com/spook/evidence/plaint/ariel.htm
Clearly the BBC will not allow claims of its wrongdoing to be made public in the media channels it controls.

On several occasions people said to my face that harassment from the TV was happening. On the first day I worked in Oxford, I spent the evening in the local pub the Rose and Crown with the company's technical director Ian, and Phil, another employee. Ian made a few references to me and said

to Phil, as if in an aside, "Is he the bloke who's been on TV?" to which Phil replied, "Yes, I think so".

The reader might think that mere "watching" by newscasters etc might be a relatively benign happening. But it is not; it is part of MI5s framework of harassment and lies. On many occasions the reactions of the BBCs newscasters to me has been in the nature of sarcasm, implicit contempt and abuse. This is visible in Witchells news programme mentioned above, where he engages in abuse by laughing at me during his newsreading. It was particularly visible in the early period of 1990-92, and as late as Autumn 1993, when during a Newsnight broadcast Jeremy Paxman interviewed a football person about soccer hooliganism, and the interviewee gave vent to an unsubtle rant about "theyre idiots, theyre just idiots, keep up the surveillance". Paxman started grinning, showing he understood and was taking part in the abuse being perpetrated on that programme.

Conclusion

The MI5 Persecution started with harassment by television newscasters, and today harassment by TV and radio presenters still forms a key part of MI5s activities against me. When this business started in June 1990 I was in relatively good health of mind. Years of persecution by the secret police and their mouthpieces in the state-run BBC and other media eroded my health until MI5 achieved their aim of seeing me rendered mentally ill in November 1992. The diagnosis which was forced on me unfortunately and ironically meant that my reports of the harassment are disregarded, because the mentally ill are second-class citizens in todays Britain.

Yet TV and radio harassment continues, albeit in a reduced form, despite my taping all the programmes I watch, resulting in my being able to obtain and demonstrate objectively on the website instances of media presenters attacking me. Unfortunately these recorded instances are quite tenuous; I might understand them, the presenters understand what it is theyre doing, but despite many thousands of people knowing the truth of the "newscaster watching", the omerta continues and they continue to refuse to admit the truth of the matter. It is a terrible indictment of British society that there is not even one decent person willing to speak out. I look forward to the day when the truth does finally emerge, and the mass corruption which has allowed the MI5 persecution to take place is finally purged and the Establishment criminals caught and appropriately punished.

3189. MI5-Persecution: Molestation during Travel (25624)

MI5 Persecution: Molestation during Travel

MI5s persecution of me varies in intensity. Since 1990 it has been steady for perhaps 80% of the time; there was a notable quiet period in 1993, and another quiet period in Jan-Feb 1995, as well as a hiatus in the first two months of 1999. It puzzles me that they cease and restart, seemingly without any logic or reason. But one aspect of MI5s activities against me which is relatively predictable is this weeks articles topic, which is Molestation during Travel. Almost every time I cross the Atlantic, go to the Continent or even try to enjoy a holiday in this country, you can bet that MI5 will be there doing their utmost to wreck it all.

This aspect of the harassment is particularly relevant as I will be travelling to Europe again in a months time, with naturally the Minidisc recorder in tow; so it will be interesting to see if I can record the abuse which will almost certainly take place, either on the Tube going to the airport, at the airport, on the flight, in the terminal building - MI5 have previously instituted instances of abuse at each of these locations, so well see how much taxpayers money they waste this time, and whether it will prove possible to capture their abuse on minidisc.

Read about the MI5 Persecution on the Web

June 1992 in Polands mountain resort of Zakopane

The persecution started in June 1990, and for the first two years I stayed in the UK apart from a couple of brief day trips to Calais. By the summer of 1992 Id had enough of being cooped up in England with abusive fellow employees egged on by an abusive secret police service, and decided to spend 10 days in southern Poland, on what was intended to be a holiday at the mountain resort town of Zakopane.

Unfortunately the psychopaths of the Security Service were not willing to allow me to enjoy a holiday in peace and quiet. The journey to Zakopane was by coach from the meeting point at Londons Victoria coach station (National Express) followed by ferry followed by another coach across Europe. As we left Victoria a youth and his girlfriend started a loud tirade of abuse directed at "this bloke", where the "bloke" was never named, but it was very clear that the "bloke" was myself. The youth said "they" had "found somebody from his school, and he was always really stressed at school, a real psycho". Again, the label "they" was not elaborated on, but it was clear that "they" = the persecutors from MI5. The boy also said, "he was in a bed and breakfast for only one night and they got him". By a not unexpected coincidence I had been in a B&B in

Oxford a week previously, which had been booked from work; other things lead me to the conclusion that the company's offices were bugged for most of the 2 1/2 years that I was there, so "they" would have known a room in the B&B had been booked. After a few minutes of this I went back to where they were sitting and asked where they were travelling. The boy named a village in France, and the girl's giggling suddenly ceased; presumably it permeated to her brain cell what the purpose of the boy's abuse was.

It is now very clear to me that MI5 were trying to have me incarcerated, assaulted or killed on this trip across Europe. The degree of verbal violence inescapably leads to this conclusion. When we arrived at our destination, it became clear that many people, both in our tour group and its guide, and among the ordinary residents of the town, knew there was a movement under way to "get" me. MI5 employed many people and significant resources for an action which they knew would only take a maximum of ten days. A commercial operation would never have felt able to waste such resources on such an unproductive and temporary action; only a state-sponsored, taxpayer-funded entity like the Security Service would be able to be so wasteful.

To give some examples of what happened in those ten days; I was walking in some woods outside the town, when a Polish woman, looking at me, said the English "shit" in a strongly Polish-accented voice. For the first three years 1990-92 MI5 had been trying to force this word on me. Another example; I was walking near my "hotel" when a mother said laughing to her child, "a wiesz ze to prawdziwy wariat" which means "you know hes a real madman". And the "TV reacting" happened there too; on Polish TV, a bemused looking journalist said to another, "to jest sprawa Anglikow", which means "its the concern of the English", in other words, none of our business, despite what the English are trying to force down our throats.

Just before we left for home, I went with some others from our group to a nearby bar. There a man shouted at me the same sexual obscenity which MI5 have constantly thrown at me these last three years. I think MI5 try to justify their various terms of abuse by repeating them at me until I say them, either while conscious or while talking in my sleep; and then they seize on my saying those words to "prove" that the obscenities are "my fault", et cetera. This rather stupid reasoning of theirs can actually be seen as indicative of the psychopathic condition attributed to them in a previous article; blaming the victim for the crime you inflict on him is how psychopaths think.

Nor did the persecutors let up during the return trip. Returning on the ferry over the channel, a rather insalubrious-looking guy talked to his mates about "and you know this bloke, hes really mad you know, hes really mad". On the National Express return coach to London, a group of five or six young people started shouting at me. I slumped in my seat and tried to avoid presenting a target, so they got ever more strident - "whats the matter with you, cant you hear us?" One of the other people who had been on the trip to Poland asked them why they were shouting at me, and they said, "hes been to Cambridge", to which the co-holidayer asked them, "have

you been to Cambridge?" presumably thinking they were aggrieved fellow students, but they answered "no". Even after I left the coach at Elephant and Castle abuse continued; in the tube station, two kids started throwing abuse at me; one of them said to the other, "and you know he works?" to which the other answered "yes".

Immediate Aftermath of November 1992

As you will know from previous articles, my manager at OCG - ARIS/Oxford, Mr Mitchell, induced a mental breakdown in me in the months leading up to Nov/92. The diagnosis was regarded by the persecutors as a victory for them, because few if any people give credence to allegations of harassment when they are made by somebody suffering from schizophrenia. There is also a bias against the mentally ill, an "institutionalised bigotry" in society comparable to the institutionalised racism against blacks.

However, MI5 did not let up on persecuting me following Nov/92. In December 1992 I flew by charter jet to Alicante in Spain for two weeks recuperation. MI5 planted one of their people on the flight, a youth who tried to start some noises that "hes a nutter". One of the other passengers replied, "oh hes a nutter is he? oh well!" and the youth shut up and said nothing for the rest of the flight. I think it would be fair to say that the youth on the flight was embarrassed by what he had been asked to do in making the flight "uncomfortable" for me; he sounded defensive rather than aggressive.

My first trip to Canada in June 1993

Ive already covered this in a previous article so Ill just give a brief summary here. On 10 June 1993 I flew British Airways from Heathrow to Torontos Pearson Airport. On de-planing from the aircraft, one of a group of four fellow passengers looked at me and said, laughing, "if he tries to run away well find him". It was quite obvious that these four men were the ones who had been harassing me since 1990.

I did nothing to apprehend them or bring this incident to the attention of the airport authorities, mostly because this was my very first visit to Canada, and the last thing I wanted was to get into a dispute before I had even finished disembarking. In retrospect, I can see this was a terrible mistake; I should have made every effort to detain and identify these people.

Subsequently I have made numerous attempts to obtain the names of these people from British Airways passenger lists, by talking to BA, through a lawyer in Ontario, through a solicitor in England, through the UK police, and also through private detectives in the UK. But all my efforts have come to nothing. BA have told me they keep passenger lists for a period of seven years, so they will still have the list for this 1993 flight. I did not see or hear anything during the rest of my visit to Ontario in 1993 which would have lead me to believe that I was being watched or followed.

Journey across Canada in summer 1994

As I think Ive already said in previous articles I emigrated to Canada in late May 1994. For six weeks between late May 1994 and early July 1994 I travelled across Canada from coast to coast, starting in Toronto, visiting various cities and ending up in British Columbia. I saw this both as something of a holiday, and the chance to get to know a little better my adopted country.

As you can guess, MI5 followed me everywhere I went during these six weeks. In Toronto, where I started this trip in late May, I was spoken about by one youth to another with the words "hes an idiot", to which the other replied, laughing sympathetically, "good luck to him".

A couple of days later I went to Montreal and stayed at the YMCA downtown. As you can guess (this is all so predictable, isnt it?) MI5 followed me there and bugged my room at the YMCA. Not only that, but they managed to set-up an instance of "newscaster reaction" from a local television station; while I was watching a Vermont TV news programme on the set in my room, the woman reporter said, "well theyre just tired and they want to go home", which sounds like a pretty unprofessional thing to say until you realise she was trying to say of me that I was the one that was supposed to be tired, and they (ie MI5) wanted me to go home to the UK.

On the bus journey across the North American continent, it was quite clear that MI5 were following me every step on the way. For the first part of the journey they actually put someone on the bus with me, a youth who said at me "that guys paranoid" and tried to incite other passengers to attack me. I stopped for a couple of days in Winnipeg in central Canada, and on leaving the town heard on the radio a female presenter ranting about "insanity! insanity!". It is very tiring travelling such a long distance by bus; I took the journey in two steps, each of about 36 hours; and it is especially tiring when you know MI5 are watching you and harassing you every step of the way.

When I finally got to Vancouver, MI5 instituted the usual harassment, in very short order. I was surprised how quickly they were able to induce hatred towards me in elements of the general populace; the Security Service must have employed a number of agents and serious resources in a very short period of time; and for no real gain, because I havent been back to BC for almost five years, so all their "work" appears to be for nothing. In downtown Vancouver a street person said in front of me, "theyre all talking about him". For a few days I was staying at Pauls Guest House (345 W.14th Ave); on the day I left, the owner Paul shouted at no-one in particular, "hes going to Victoria" - which was quite accurate, I was indeed going to the provincial capital Victoria on Vancouver Island. But I had not told anyone at the guest house where I was going; I had only mentioned to my parents back in England on the phone that I was going away from Vancouver for a few days. Which leads me to suppose that MI5s bugging of the phone in my parents house yielded the "intelligence" that I intended to visit Victoria, and they had passed the information on to Paul.

When I got to Victoria it was again obvious that the persecutors were "doing their stuff" there as well. On the street I was identified as being English, although I had not said anything so my accent hadnt given me away; and returning by ferry to the mainland, I was abused by a Canadian woman who said, "hes a nutter! you can run but you cant hide". During my years in Canada I have never heard the word "nutter" on any other occasion; I do not think it is part of Canadians vocabulary; so the Canadian woman on the ferry, who was obviously talking about me, must have been supplied with this word by the English persecutors. And once I got back to Vancouver, staying at the Austin Hotel on Granville St, I listened to a conversation in the apartment block directly opposite, and a man saying, "hes paranoid, so thats as bad as it can be, so why are they doing this to him?".

Holiday in the States, August 1995

By 1995 I was living in Canada, and in August I went down the eastern seaboard to Florida and as far as Key West by car. As you can guess (this is all so boring and predictable, isnt it?) MI5 followed me every step of the way. I can see in retrospect that this must have been quite easy for them as they had my car bugged, both on the inside to listen to anything that was said and what radio station I was listening to, as well as what must have been a tracker device installed to track it across long distances.

The first city I visited was Philadelphia. In the old Congress Hall where the first US Congress assembled, the woman guide started referring to my situation, saying that "all these people in Europe were watching it", and they were "a little paranoid" at this 18th-century experiment in democracy. Also I had recently written a newsgroup post where Id described a (female) poster as "wet-nosed" (implying "canine"), and a young girl in Philadelphia remarked, "so he thinks were dogs?" There were two or three more incidents during this holiday in the eastern States, including a radio station down near Miami, showing "they" had tracked me all the way there, and were bugging the inside of my car; but I didnt record the details and Ive forgotten some of it now. Also down in Miami Beach a French tourist in a lift expressed support for me with the words, "cest incroyable" ie. its incredible, meaning that MI5s well-known actions against me were beyond belief.

To go back a bit, in about May/June 1995 Id visited New York, again by car, and was insulted several times by people using the same words that had been used against me in England. In Central Park, and elderly Englishman (not a real gentleman - but then the Engish view of themselves as "gentlemen" etc is quite laughable) looked at me and said "idiot". And while I was eating in a streetside restaurant a New York youth started laughing and said something like, "I cant believe it, hes actually here" - I think that was because I had had an expressed wish to visit New York for some years before this, although after this visit I wont be going there again for a very long time.

Visit to Poland December 1995/January 1996

In December 1995 I flew (BA again, unfortunately - every time Ive flown BA one of these incidents has happened, presumably MI5 is happier setting up harassment on British-domiciled carrier) from Montreal to Berlin and travelled on to Poland to visit family. MI5 naturally harassed me in Poland during my brief stay. They followed me around and got Polish people to take part in the harassment. In one case two Polish youths talked in front of me saying in English (with marked Polish accents), "fucked up men, fuck you". There were also other incidents which I dont remember too clearly since it was some time ago.

The return flight connected through Heathrow, and in the transit lounge MI5 again set-up harassment against me. In Poland they were talking their abuse in English, and in London they set Polish people after me to speak in Polish; they heard me on the phone to my father, and said "a wiesz ze to Polski wariat", in an almost sympathetic, inclusive fashion (translation. "you know hes a Polish nutter"). Once on the flight to Montreal I was again set upon by two English youths, one of whom spoke and the other listened. The aggressive "fat bastard" youth said, "if he wants to be a wanker" (its my fault theyre harassing me, you see), self-justification that "hes a nutter" (so we have to keep on abusing him, because hes ill), as well as talking about the town in Poland where I had been staying. He also said, "he doesnt know who we are", but as already remarked in a previous article, that was at best a half-denial of my guess expressed in internet newsgroups that the people after me were MI5 - if anything its a half-confirmation rather than a half-denial.

These incidents are still going on. You can hear digitised audio files of abuse on a BA flight to Berlin in 1998 on the Web at address

On this flight they were again attacking my mental health; "paranoid, hes paranoid" and "nutter" are discernable. The last "during travel" contact was at Ottawa Airport on 21 July 1998, when "Alan Holdsworth" the psychopath MI5 agent, dressed as a vagrant, was pacing aggressively in the departure area. In three weeks I will again be travelling to Europe; we will see what fresh acts of molestation MI5 perpetrate during this trip.

3190. MI5-Persecution: MI5 are Afraid to Admit Theyre Behind the Persecution (27807)

MI5 are Afraid to Admit They're Behind the Persecution

MI5 have issued a formal denial of any involvement in my life to the Security Service Tribunal, as you might expect them to; but, more importantly, the persecutors have never denied that theyre from the Security Service, despite several years of accusations from my corner on usenet and in faxed articles. I am not surprised that the Security Service Tribunal found "no determination in your favour". I am however a little surprised that the persecutors have refused to confirm my identification of them; by doing so, they implicitly admit that my guess was right.

"No determination in your favour" says the Security Service Tribunal

In 1997, I made a complaint to the Security Service Tribunal, giving only the bare outlines of my case. I do not think it would have made very much difference if Id made a much more detailed complaint, since the Tribunal has no ability to perform investigatory functions. It can only ask MI5 if they have an interest in a subject, to which MI5 are of course free to be "economical with the truth". A couple of months after my complaint the Tribunal replied that;

The Security Service Tribunal have now investigated your complaint and have asked me to inform you that no determination in your favour has been made on your complaint.

Needless to say this reply didnt surprise me in the slightest. It is a well established fact that the secret service are a den of liars and the Tribunal a toothless watchdog, so to see them conforming to these stereotypes might be disappointing but unsurprising.

It is noteworthy that the Tribunal never gives the plaintiff information on whether the "no determination in your favour" is because MI5 claims to have no interest in him, or whether they claim their interest is "justified". In the 1997 report of the Security Service Commissioner he writes that "The ambiguity of the terms in which the notification of the Tribunals decision is expressed is intentional", since a less ambiguous answer would indicate to the plaintiff whether he were indeed under MI5 surveillance. But I note that the ambiguity also allows MI5 to get away with lying to the question of their interest in me; they can claim to the Tribunal that they have no interest, but at a future date, when it becomes clear that they did indeed place me under surveillance and harassment, they can claim their interest was "justified" - and the Tribunal will presumably not admit that in their previous reply MI5 claimed to have no

interest.

"He doesnt know who we are"

In early January 1996 I flew on a British Airways jet from London to Montreal; also present on the plane, about three or four rows behind me, were two young men, one of them fat and voluble, the other silent. It was quite clear that these two had been planted on the aircraft to "wind me up". The fat youth described the town in Poland where I had spent Christmas, and made some unpleasant personal slurs against me. Most interestingly, he said the words, "he doesnt know who we are".

Now I find this particular form of words very interesting, because while it is not a clear admission, it is only a half-hearted attempt at denial of my guess that "they" = "MI5". Had my guess been wrong, the fat youth would surely have said so more clearly. What he was trying to do was to half-deny something he knew to be true, and he was limited to making statements which he knew to be not false; so he made a lukewarm denial which on the face of it means nothing, but in fact acts as a confirmation of my guess of who "they" are.

On one of the other occasions when I saw the persecutors in person, on the BA flight to Toronto in June 1993, one of the group of four men said, "if he tries to run away well find him". But the other three stayed totally quiet and avoided eye contact. They did so to avoid being apprehended and identified - since if they were identified, their employers would have been revealed, and it would become known that it was the secret services who were behind the persecution.

Why are MI5 So Afraid to admit their involvement?

If you think about it, what has been going on in Britain for the last nine years is simply beyond belief. The British declare themselves to be "decent" by definition, so when they engage in indecent activities such as the persecution of a mentally ill person, their decency "because were British" is still in the forefront of their minds, and a process of mental doublethink kicks in, where their antisocial and indecent activities are blamed on the victim "because its his fault were persecuting him", and their self-regard and self-image of decency remains untarnished. As remarked in another article some time ago, this process is basically the same as a large number of Germans employed fifty years ago against Slavic "untermenschen" and the Jewish "threat" - the Germans declared, "Germans are known to be decent and the minorities are at fault for what we do to them" - so they were able to retain the view of themselves as being "decent".

Now suppose this entire episode had happened in some other country. The British have a poor view of the French, so lets say it had all happened in France. Suppose there was a Frenchman, of non-French extraction, who was targeted by the French internal security apparatus, for the dubious amusement of French television newscasters, and tortured for 9 years with various sexual and other verbal abuse and taunts of "suicide". Suppose

this all came out into the open. Naturally, the French authorities would try hard to place the blame on their victim - and in their own country, through the same state-controlled media which the authorities employ as instruments of torture, their view might prevail - but what on earth would people overseas make of their actions? Where would their "decency" be then?

This is why MI5 are so afraid to admit theyre behind the persecution. Because if they did admit responsibility, then they would be admitting that there was an action against me - and if the truth came out, then the walls would come tumbling down. And if the persecutors were to admit they were from MI5, then you can be sure I would report the fact; and the persecutors support would fall away, among the mass media as well as among the general public. When I started identifying MI5 as the persecutors in 1995 and 1996 there was a sharp reduction in media harassment, since people read my internet newsgroup posts and knew I was telling the truth. The persecutors cannot deny my claim that theyre MI5, because then I would report their denial and they would be seen as liars - but they cannot admit it either, as that would puncture their campaign against me. So they are forced to maintain a ridiculous silence on the issue of their identity, in the face of vociferous accusations on internet newsgroups and faxed articles.

Have MI5 lied to the Home Secretary?

In order for the Security Services to bug my home, they would either have needed a warrant from the Home Secretary, or they might have instituted the bugging without a warrant. Personally I think it is more likely that they didnt apply for a warrant - I cannot see any Home Secretary giving MI5 authority to bug a residence to allow television newscasters to satisfy their rather voyeuristic needs vis-a-vis one of their audience. But it is possible that the Security Service presented a warrant in some form before a home secretary at some point in the last nine years, for telephone tapping or surveillance of my residence, or interception of postal service.

So the possibility presents itself that a Home Secretary might have signed a warrant presented to him based on MI5 lies. Just as MI5 lie to the Security Service Tribunal, so they might have lied to a Home Secretray himself. MI5 and MI6 are naturally secretive services former home secretary Roy Jenkins said, they have a "secretive atmosphere ... secretive vis-a-vis the government as well as [enemies]". Jenkins also said he "did not form a very high regard for how they discharged their duties".

It was only a few years ago that MI5 was brought into any sot the extraordinary thing is that British media organisations like the state- and taxpayer-funded BBC take such an active part in the MI5-inspired campaign of harassment. We have after all heard of MI5 trying to bribe broadcast journalists; but surely there must be a substantial number who are not bought or blackmailed by the Security Services, and who take part in the "abuse by newscasters" of their own volition? The BBC is supposed

to be independent of the government of the day as well as the Establishment in general. While perhaps it is childish to think that the BBC is anything other than effectively state-controlled, the degree of collusion between the BBC and the British Secret Police MI5 is something you would not find in many countries. Individual tele-journalists in other countries would have enough self-esteem not to allow themselves to be controlled by their secret police - seemingly, BBC broadcasters like Martyn Lewis and Nicholas Witchell have such a low opinion of their employing organisation that they see no wrong in dragging the BBCs no-longer-good name through yet more mud, at the mere request (whether supported by financial or other inducements) of the British secret Police, MI5.

And when challenged, these broadcasters LIE about their involvement, with just as little shame as MI5 themselves. The BBCs Information dept have said that;

"I can assure you that the BBC would never engage in any form of surveillance activity such as you describe"

which is an out-and-out lie. Buerk and Lewis have themselves lied to their colleagues in the BBCs Information department over the "newscaster watching", but unsurprisingly they refuse to put these denials in writing. Doubtless if the "newscaster watching" ever comes to light, Buerk and Lewis will then continue to lie by lying about these denials. So much for the "impartial" BBC, a nest of liars bought and paid for by the Security Services!

It is obvious that the persecution is at the instigation of MI5 themselves - they have read my post, and only they have the surveillance technology and media/political access. Yet they have lied outright to the Security Service Tribunal. Similarly, BBC newscasters Michael Buerk and Martyn Lewis have lied to members of their own organisation. The continuing harassment indicates they are all petrified of this business coming out into the open. I will continue to do everything possible to ensure that their wrongdoing is exposed.

MI5 Persecution Update: Friday 11 June, 1999

Harassment in a pub in Clapham, Tuesday lunchtime

Once a month, or once every other month, I meet a Polish friends of mine who lives in Clapham North, and sometimes we go to a particular pub near where he lives. The last time was some two months ago; I did not have my minidisc-walkman with me, and consequently was seriously harassed by people MI5 had instructed to harass me, in the pub.

This Tuesday, 8 June 1999, we again went to the same pub for a pre-meal drink. This time I did have my minidisc-walkman with me. As you can guess, we were followed into the pub by a couple of young people (Im getting older and older - isnt it funny how the MI5 agents all look young these days?). They started talking about my situation, in particular some travel I had booked the previous day. Unfortunately, they were talking fairly quietly, and my minidisc didnt pick up their speech.

MI5s schizophrenic reasoning is that simultaneously I am very important and worthy of their acts of persecution, and I am also totally unimportant and their abuse of me "doesnt matter". Perhaps they should test their agents and managers for obsessive personalities or psychotic features in the same way as employees are drug-tested. MI5 might lose their "worst cases" employees if some psychological testing were applied to their recruitment procedure.

Toothless Watchdogs. What a Surprise.

Recently I have been engaging in communications with two watchdogs, the Security Service Tribunal which deals with complaints against the security service (and always clears MI5 of any wrongdoing), and the Data Protection Registrar, which is mandated to investigate misuse of personal data held on computer.

In a letter to Nick Brooks, Security Service Tribunal secretary, dated 20 April, I asked him if the Tribunal, as an allegedly independent body, had the means to investigate complaints against MI5 other than asking MI5 to themselves investigate complaints. To my disappointment, his reply two weeks later answered the question only indirectly, in the negative. Whatever the reader might think of the merits of the case I have been putting before you in faxed articles this last year and half, you will surely recognise that it is a significant anomaly for the Tribunal to have no independent means of investigating complaints, particularly given the view expressed even by previous home secretaries that the security

services are untrustworthy.

MI5 Persecution: No Justice for the Victims of MI5

In a previous article I detailed the similarities between the current MI5 Persecution in England, and other historical instances of similar persecution, notably that by the Nazi Germans in the thirties and forties. The Germans persecuted first the mentally ill, the epileptics and those suffering from schizophrenia, then moved on to racial groups; in todays Britain the persecution is again directed at those with mental illness, which the British in their cowardice find easier than taking on racial groups as the Germans did. But just as in Thirties Germany there was no recourse against a malign and omnipotent state, so the MI5 Secret Police in the modern British Fascist State allow no justice for their victims.

No Recourse Against the Security Services Illegal Harassment

It has become apparent to me over the last nine years just how loaded the dice are in todays Britain, a fundamentally fascist country which masquerades as a democracy. Britain is a democracy in name only; the Establishment, the defence and MI5 secret police are always there, regardless of which party has been voted into power most recently - and from "New Labours" conduct in office one finds it difficult to tell them apart from Old Tories, in their crackdowns on the sick and vulnerable in society.

In thirties Germany the victims of the Nazi regime had no legal recourse against their State oppressors; and in todays Fascist British state, the victims of the Establishment and its MI5 Secret Police similarly have no recourse against the illegal state-funded and organised oppression. There is supposed to be a mechanism for dealing with MI5 crimes, in the shape of the Security Service Tribunal and Commissioner; yet these have never found favour of a plaintiff. One might as well ask the Nazi SS to investigate crimes against epileptics or Jews as ask the Security Service Tribunal to investigate MI5 crimes against British citizens; it is quite obvious what the answer is going to be, regardless of what you say to them, and what evidence you provide. The Tribunal and Commissioner are a mere formality, a whitewashing body to give the Secret Services a veneer beneath which they hide their shabby criminality.

"Institutional Racism" and Bigotry in the Metropolitan Police

The recent inquiry into the racist murder of Stephen Lawrence found clear evidence of systematic and deliberate racism in the Metropolitan Police, which cannot have surprised anyone. Commissioner Sir Paul Condon accepted a somewhat lukewarm definition of institutional racism as being "unconscious". In truth, and this truth must surely be obvious to anyone who has any familiarity or encountered the great British police, the Met has not just "unconscious" racism, but very clearly "conscious" and deliberate racism, of the kind that would have done Thirties Germans proud. And it is a bastion of such open racism - when many other parts of

society are learning to live in a multicultural environment, the Met is still living in the past in its attitude to the minorities.

But in addition to the systematic racism confirmed by the Lawrence inquiry, there is also something much more relevant to this case, which is systematic police bigotry against the physically and mentally disabled, which I personally have experienced in my dealings with the police over the years. You cannot expect equal treatment if you are mentally disabled. I tried to make a complaint to the police in 1995 about the harassment I had been subjected to for several years. As soon as they found out I had mental illness, they refused to even talk to me. I tried again in March 1999; the police made various threats to me, while ranting about "your paranoid rubbish" in reference to the complaints expressed to them.

The police refusal to do the job they are employed and paid to do is extremely serious, particularly as this case is highly important, indeed key to the whole issue of British self-perception at the end of the 20th century and the beginning of the 21st century. Britain has lost much in the last fifty years - it has lost an empire, it has lost its self-respect and its identity as a people. If the MI5 persecution finally makes it into the light and the Security Services are seen for the rather cheap bullies their behaviour indicates, it will have a massive and harmful effect on British self-perception in the new century.

Security Service Tribunal - Blatant Whitewashing

A few weeks ago I spoke on the phone to Nick Brooks, the Secretary of the Security Service Tribunal, which is supposed to deal with cases of MI5 transgression. I asked him if the Tribunal had ever found in favour of a plaintiff and against the Security Service. He answered that as far as he knew, it had not.

I also asked Mr Brooks if the Tribunal had any means of investigating allegations of criminal activity by MI5, other than asking MI5 themselves if they had engaged in such activity. His rather circuitous written reply states that the 1989 Security Service Act provides that "it shall be the duty of every member of the Service to disclose or give to the Tribunal such documents or information as they may require for the purpose of enabling them to carry out their functions under this Act". Which is a very round-about way of saying - "No" - the Tribunal has no way of investigating MI5 crimes - None At All.

Setting up the S.S. Tribunal, and creating a Security Service Commissioner, was really an act of falsehood by the government. It is generally recognised that MI5 are out of reach of the normal criminal justice system - the police, as we have seen, have no intesot answer to the government; in a previous article I quoted Roy Jenkins speaking of "a secretive atmosphere.... secretive vis-a-vis the government as well as [enemies]", and a "lack of frankness" from MI5.

If the government wanted to, it could reform the secret services and ensure they acted in conformance with the laws which have been enacted for them in the last ten years. But apparently the present government does not see any need to ensure security service compliance with the law. As noted above, the regulatory machinery for MI5 is deliberately weak; the Tribunal has no independent means of investigation, and it is simply a waste of time complaining to the Tribunal or Commissioner.

Every so often, fresh revelations come to light of secret service transgressions. We have heard from Shayler that MI5 bugged Jack Straw and Peter Mandelson; we have heard from Peter Wright that MI5 plotted to see Wilson ejected from office; yet so closed is the system of government that the law is never enforced against MI5 when they "bug and burgle" everyone from politicians to ordinary citizens.

No Justice from the Legal System, either

Britain has a civil and criminal justice system which effectively limits many complaints from being heard. For a civil complaint to be brought before a court, you need a solicitor willing to act on your behalf. Supposedly it is possible to represent yourself as a Litigant-in-Pthe basis of being "frivolous and vexatious" or "disclosing no cause for action in law". This is exactly what happened to me in 1997 when I twice tried to take the BBC to court for spying on me in my living room at home; my case was twice struck out, and on the second occasion an order was made against me that I could not bring further civil litigation against the BBC without leave of the court.

As the reader can guess it is quite impossible for a person with schizophrenia, who complains about the secret services and media interfering in his life, to find a solicitor willing to represent him in legal action against the persecutors. I have quite a lot of evidence of the continuing persecution which I have posted on the website, even if the evidence is quite tentative and perhaps open to varying interpretations. But I have tried several firms of solicitors; some of them have acted unprofessionally and abused me; all of them have refused to represent me. My psychiatrist gave me the name of the firm of Bindman and Partners in central London, and I have approached them twice. On each occasion they refused to accept my instructions. Plainly the problem with Bindmans, which they have admitted, is their bigotry against mentally disabled people; yet this is not just something that is wrong with Bindmans, it is something that is wrong with the legal system as a whole, since the legal system necessitates finding a solicitor willing to represent you in order to bring a case to court, but it does not have a mechanism for providing a lawyer in the case where no solicitor is willing to take on your case. So the British legal system is such as to prevent cases such as mine from ever receiving an airing in a court.

So much for the civil courts. But the criminal justice system is no better. Two years ago the Protection from Harassment Act came into force. But again, while the Act is all very well on paper, in practice it is unenforceable in my case, since it would require Police action to see the law implemented, and if the police cannot even be trusted to conduct a

murder investigation competently (in the Lawrence case), then what chance is there of their investigating complaints against the Security Service? Of course, it would be possible for me to personally issue proceedings through a private prosecution either against MI5 themselves, or against one or more of their media tools; but here we see the same problems as with the civil courts, because first of all I would have to find a lawyer willing to act on my behalf. Litigants-in-person do exist in the criminal courts, but the Attorney General can bring such a prosecution to an end by taking it over and entering a plea of "nolle prossequi"; and I suspect that if I were to bring a private prosecution against either MI5 or one of their media tools, then this is exactly what would happen.

So much for British justice. But if anything the wrongs that have been perpetrated on me by the British justice system are quite mild to what others have suffered. Others have been wrongly convicted based on police evasions and lies, and spent many years in jail based on false charges. I should count myself lucky that despite the best efforts of the MI5 secret police, I have not acquired any criminal charges or convictions; which shows that for all their resources and influence, and the clear imperfections in the British legal system, there are still limits on how much subversion MI5 can achieve.

The latest in a long line of injustices

A comment I heard during the recent scandal of the police mishandling of the Lawrence murder investigation is that "its not as if the police themselves murdered him". This is not a particularly wise statement to make about the case, since it could be argued that the four alleged murderers were aided in their crime by the expectation that the police would deliberately botch the investigation - which of course is exactly what the police did.

But in my case, this would be a completely inaccurate thing to say - since the MI5 secret-police have expressly been trying to nine years now to see an end put to my life, either by having me incarcerated and my liberty ended, or by forcing self-termination on me. It is exactly as if the secret police "themselves murdered [me]", since that is what their aim is in their campaign against me.

The public has heard of instances of police mishandling of cases, of police manufacturing evidence, lying in court, extracting false confessions to clear up crimes, et cetera. Various instances of extra-legal activity by the secret services have also come to light in the last few years. The unhappy truth is that what MI5 have been doing to me for the last nine years is really nothing out of the ordinary for them. To me it seems unbelievable that this sort of systematic campaign of harassment, which thousands and thousands of people in this country and abroad are well aware of, could exist for such a long period of time with the media maintaining "omerta". But my case is not the first such instance of persecution by the "British secret police", and judging by the lack of any real controls on MI5, I very much doubt it will be the last.

MI5 Have Systematically Destroyed My Life

This is getting depressing. From the feedback Ive received, the recipients of these faxes are tired of hearing my complaints, and in truth I am tired of sending them. The reason I havent yet ceased sending faxes is because I cannot think of any other effective means of replying to MI5s actions against me, and I feel I have to do something to try to defend myself. Three/four years ago I got the MI5 harassment out of my system by posting about it on Internet newsgroups, and for a few months this tactic was quite effective - I received (and indeed still do today) support from newsgroup regulars, and felt I could make my voice heard and break the MI5 monopoly on access to the British media. But that was years ago, and today nobody gives a tinkers cuss about my internet posts - so I have sought to escalate matters by communicating directly with the politicians who allegedly say how this country is supposed to be run.

Of course, its quite expensive to keep up a campaign of fax messages for many weeks. Each set of faxes takes approx 50 hours to send over the weekend, and costs perhaps 35. My phone bill for the last quarter was 350. These figures are naturally insignificant compared to what MI5 have been spending against me over a similar period. It also takes a lot of time and energy to create a new article every week, and try and find new and fresh aspects and viewpoints on MI5s persecution of me. I am beginning to run out of both new topics and energy to write these articles.

So I have a suggestion to put before the MI5 persecutors who have been wrecking my life since 1990. In a few days time I will be going on holiday to Poland and Germany, for a couple of weeks. Previously, almost every time I have travelled by plane, or gone anywhere on holiday, the MI5 "wreckers" have been most assiduous in destroying these trips. My suggestion is; if MI5 leave me alone on this next trip, I will cease transmitting these articles. If, however, there are any clear instances of harassment (and I am very capable of recognising MI5 harassment when I see it), then I will make public these instances and publish any recordings I may make of them, and, unwillingly and unhappily, continue the articles.

Read about the MI5 Persecution on the Web

Keith Hill MP (Labour - Streatham), my elected representative, as ever refuses to help.

MI5 Refuse to Allow me to have a Normal Life

Its kind of difficult to contemplate having a normal existence when you know your entire house is bugged from top to bottom, for audio and, very unpleasantly, video; when your employment is systematically destroyed, over and over again; when every time you leave the country your travel is disrupted by MI5 plants on the plane yelling abuse at you..... you get the idea. I would like to have some semblance of a normal life, like my Polish and English friends do. But MI5 have made this impossible, and they have leached massive resources from the taxpayer to institute a life not worthy of the name on me.

A few years ago MI5 were very open about their aims in persecuting me. They were shouting "suicide" at me, both in Canada where I lived at the time, and during my occasional visits to London. You cant get much clearer than that. There have been instances as recently as a few weeks ago of this intention being voiced by their side; on 15 April 1999, a woman at the next ticket counter at the Royal Festival Hall said;

"it would kill it, you know, it would just be overkill... they can't stop can they"

meaning that "they" were trying to "kill it" i.e. me and they "cant stop". The audio file is at;

I wonder why they "cant stop". Nobody (who doesnt know already) believes my claims - so what difference would it make, if they were to "stop" persecuting me? Perhaps what this persons remarks indicates, is the depth of the obsession MI5 have with this case. They have chosen at random a person from the general population, and done their worst to ruin my life. What is wrong with these people, that they persecute a national of the country whose citizens they are supposed to protect?

No Chance of a Harassment-Free Job

Since the harassment started in 1990 I have had three jobs, the first near Guildford, the second in Oxford, and the third overseas in Canada. All three jobs have been systematically destroyed by MI5. It is so ironic that MI5 employs a team of agents, each well compensated for their efforts, to persecute just one person paid a mere fraction of what they get for their "work". In fact, it is a joke that MI5 is allocated resources for this sort of effort. If this area of government were run along commercial lines then MI5 would be very rapidly closed down, they produce nothing of any value, instead spending their time obsessed with the bugging and surveillance of their former employees like Shayler, dangerous subversives like Straw and Mandelson, and "threats to national security" like yours truly.

Applying for my first post university job

When I was applying for my first post-university job in the closing months of 1990, I found at two or three job interviews that MI5 had got there ahead of me. Interviewers knew what words to repeat from what had been said at my home recently; MI5 had supplied them with words to hurt me, and the "British secret police" were trying to wreck my job search and discourage me from joining the world of work. This and the continuing

harassment in the media and by the public meant that the search for a job took very much longer than it would ordinarily be expected to take for a person with my qualifications.

With my first job near Guildford came the knowledge that MI5 were doing everything possible to make me lose the job. Despite their efforts I managed to stay in work for ten unhappy months, during which they made very clear to me that they were bugging my workplace, my accomodation in Woking, my car, my home..... and they also made clear that they had "got to" my employer in Guildford.

Employment with Oxford

I was able to find a new job, with Oxford Computer Training Services (now ARIS/Oxford), quite quickly. But it became very clear, very quickly, that MI5 were treating this job the same as the first; they tried to get the other employees and in particular the managers to attack me. It was plainly MI5s intention that I be sacked fro this job. But I was not sacked; instead, after almost a year of abuse from OCTS managers, I was forced to seek medical help, and had to take two months off for medical leave. OCTS MD Hugh Simpson-Wells was motivated in keeping me on by the fear that if he sacked me, then I would take him to court for the treatment OCTS managers had meted out to me during 1992.

Emigration to Canada

When I emigrated to Canada in 1994, I did think that perhaps MI5 would leave me alone, given that I had made the effort to leave the UK and try to find a new life overseas. I could not see any reason why they would continue to harass me over in Canada. But clearly the MI5 agents had their salaries to think about, since continue to harass me they most certainly did, at my home in Ottawa, and by getting fellow employees to speak against me, as had happened with previous jobs in the UK.

MI5 are denying me a future in work

Former Chief Constable of Devon and Cornwall John Alderson had this to say regarding MI5's activities;

"MI5 is not under the same restraints as the police. They infiltrate organisations, people's jobs and lives. They operate almost like a cancer."

Currently I am on disability, and I can see that MI5 are denying me a future in work. It would be an insult to logic for me to return to work and find a job, in the knowledge that an entire team of MI5 agents, paid in total many times what I would be earning, would have the objective of seeing me "done down" in the employment, and ejected from the place of work. This situation is completely wrong and nonsensical - I would very much like to have a job, but MI5 are preventing me from even thinking about returning to work. The culture of secrecy in MI5/MI6 means there is no objective oversight of their expenditure, when external oversight and greater transparency might lead to wasteful and illogical operations such

as that against me being shelved.

Watched and Harassed at my Home and Accommodation

As you will know if you have been reading these articles, MI5 have watched and harassed me at my home, and at every accommodation Ive had since 1990. Theyve also watched me at neighbours houses in London, and at short-term accommodation such as hotels and bed-and-breakfasts. They have used the "words" gained from these watching activities against me, by passing these words on to other people such as OCTS managers for them to make clear that I am being watched where I live.

Harassed at rented rooms in Oxford in 1992

This was at its worst in 1992 in Oxford, where during the week I lived at rented accommodation in Oxford, and at weekends returned to my parents home in London. I was being severely harassed by managers at my place of work, OCTS; and it was clear from the things they said that they were being supplied by MI5 with details of my home life, that they were being supplied with words to repeat at me.

In 1992 I moved house in Oxford many times, living at a total of five rented accommodations in ten months. In January I started off living in a rented room at Headington near the ring road / A40 intersection; then when it became clear that house was being bugged, moved to a rented room in Botley, some miles away. It was at the house in Botley that I had an "interactive watching" experience with Martyn Lewis while he was reading the news; I threw a term of abuse at him; he first flinched, then gave a gsult of what I had just said, he was no longer "on my side".

So I moved house again. This time to a place in Cowley, near the Rover car works, where I stayed for a few weeks. Because of continuing harassment at work, I soon moved from this accommodation, to yet another rented room on Iffley Road. By this time I was very ill and being abused continuously at work. Again, MI5 followed me to the rented room on Iffley Road, and created new instances of "newscaster watching". There was a television in the room which I watched, and as you can guess the newscasters got at me when I was watching the television. Also once I was assaulted, if thats the word for what happened, on leaving the house; a youth grabbed me by the coat lapels, roughed me up a bit with various terms of abuse. I did not report this assault to the police, because what was happening to me at work was very much worse, and nobody seemed to think that that was worthy of being reported to the police. Later that day at work, Alex G, a fellow employee, said "I heard he was assaulted".... I had not told anyone at work about the incident that morning..... so once again it was made very clear that MI5 were watching my rented accommodation and giving information about what was going on there to managers at work.

So I moved house yet again in late autumn 1992, this time to a rented room in a large house on Woodstock Road. I stayed there for several weeks as the situation at work deteriorated due to OCTS managers abuse, until I was forced to take sick leave from work for two months and attend hospital as

an outpatient; at which point I gave notice on the room, and returned to London.

MI5 continued to harass me after the diagnosis of serious illness was made. As reported previously, they harassed me on a flight to Spain in December 1992; and in 1993, when I returned to live and work in Oxford, they again bugged my rooms, as well as my workplace, although the intensity of the harassment was very much less than in 1992.

Watched, followed and harassed in Canada

It dismayed me to find that MI5 would not leave me alone after I had settled in Canada. In January 1995 I rented an apartment at the Bayshore complex in Ottawas west end. For some weeks there was no sign of the "buggers". But then it started all over again. They first bugged my car, which had a car alarm installed - the alarm went off two or three times in a single evening, and the following day gave a signal that the car had been broken into. Then they bugged my apartment, and in particular they installed bugs on the phone line in my apartment.

In September 1995 I moved to a new apartment in Ottawas Bytown Market area, the restaurant and entertainment heart of Canadas capital. This proved a serious mistake. In the west end I had been fairly distant from the centre of town where MI5 concentrated their efforts at turning people against me. In the Market area it was much easier for the persecutors to motivate people to harass me, and over the next couple of years there were frequent instances of harassment by the general public.

From 1995 I had some Polish friends in Ottawa, and as the reader can guess, MI5 have spent much effort trying to break up this friendship. They supplied various things about my home life to these friends, for example where I was living in the Market, directly over the road were the studios of a music radio station, which you had to "look up" to see; and MI5 told these friends that I was "looking up" to see the radio station; so the friends then replayed these words back to me, that I was "looking up". MI5 have also made various sexual slanders against me, and these friends also unwittingly replayed some of the words they had been imprinted with by the MI5 persecutors.

MI5 Will Never Allow Me to have a Normal Life

I have heard many excuses as to why MI5 continuously prevent me from having a normal life. We are told that MI5 are defending the country against a tere to zero.

When I have travelled abroad, they always put their people on the flights, on the journeys I undertake, to continue the harassment, so that I am put off further overseas travel, and chained to my home in London. Yet even this is illogical, because when I lived in Canada, they would still put people on flights back to the UK.... and what possible reason would they have for doing that? Perhaps the truest words to describe the MI5 persecution is that reason has nothing to do with their activities - sane people do not behave in the way the MI5 British Secret Police have been

doing.

Summer 1999 - more MI5 harassment?

In only a few days time I will be going to Europe again. This time I have deliberately chosen to travel by a non-UK airline; so we will see if they put their paid agents on this foreign carrier, we will see if they try to harass me on this non-British flight.

If they do harass me on this trip to Europe, or if they resume the harassment in London after I return home, then I will continue to report their activities in these faxes. As I said at the beginning of this article, I would very much like to not have to send these articles any more, but that is not my decision to make - it is entirely up to MI5 to cease their pointless persecution of me, once and for all.

Yup! Mark & his fans. It's a shame that if he just ignored them they would
probably only once or twice a day, but no, he just wants the attention too.
Why else would he again change his nics 3x in a week, he wants the attention.

Hello Landshark:

Yeah no one reads their messages, but deletes them fast, and just adds another filter. To me its just a game that takes just a few seconds and their gone.

Takes longer for big linear to warm up!

If I had a a ham liscense and identified by saying "This is W8TBG
signing off", certain local hams here would report me for failing to

identify at the end of my transmission".

And the other way is very awkard sounding which I would never be able to get in the habit of doing.

Sorry guys, I somehow missed the original post.

The rule of thumb for SSB operation on the ham bands is: Above 10 MHz,
use USB, below 10 MHz, use LSB. This is basically a gentlemen's
agreement, it's not illegal to use LSB above 10 MHz, but you're not
going to make any friends by being the rugged individualist on this
one, The 60m band is the exception. USB is required by rule on 60m.

So on 160m, 80m, and 40m, expect LSB, on the other bands, expect USB.

Hope this helps...

you are right that it is management's fault but for the wrong reasons.
I have worked on projects where the senior manager has defined a major
portion of the look and feel of a product and no matter how much human
engineering has told them that thngs need to change, they don't. Get a

my posts have something to do with yes sure alas that is simply what
it takes to contain the fow of shit you and or friend post

less shit from less inane posts from me

stop making sexauly bassed atacks in a Ham NG and the inane post will
go away al together

my respoiniblity begins and end at being fed up with being the target
of an online hate crime

Fight Back for Life to Win Humanity's Demands

Fight back for Life to Win against the national broadcasters like George Norry, CNN, and FOXNEWS that willingly forbid US to know what we need to know to defend ourselves from deathly terrorism. Video of iron flowing like water from the 911 towers exists for viewing, and, Al-Qaida = General Mahmoud Ahmad, So, pro-repuglicons want to see YOU die first as the Innocent forsaken, before allowed the right to defend freedom to the last bushite breathing. Death to the bushite, death to the enemies of Freedom for Humanity.

http://groups.google.com/group/soc.culture/browse_thread/thread/4368d46dd0f61446

/ /Destroying enemy bushite is a gift to Humanity, it is saying you care for the lives of the innocent a bush bitch nazi grunt freely confesses to targeting for murder. Liars are the bushite, who steal Iraqi resources, allow racists and rapists to commit their demon crimes in America's name un-challenged, and who absent mindedly bomb the innocent without just reason given.\ \

America Wins, Neocons Go to Prison.

Come on now, who wouldn't take great joy in destroying any and all such ungodly bushite hatred for Humanity in this light of day, eh? Kill a bushite traitor to America for Christ.

Remember: not publicly executed child killer Tatum, is a hero
by CNN "American" standards.

Now, see.. wouldn't YOU hate those that hate GOD as ourselves?
No, America is going to give these monsters millions in 'free'
cash to murder and thieve more. Just like an ungodly bushite,

You Better Watch Out

God is coming to town for bushite nasties on his sled of make
believe. A halted bushite, is a mercy on our souls, in
defense of ourselves the innocent. The innocent that a
'lawless' bushite holds for ransom in pain dying. Hell hath
no fury like that held against the bushite enemy, a savage
zionist criminal waging war against Life as our shared
Universe, 'escaping' those who personally carried out 911.
Bush, Cheney, Rumsfeld, Condi, and Myers as topped suspects.
Other 911ers will tell you no no no, it's impossible to
apprehend them all, for the arrows can go on for never. Bush
personally closed criminal investigations on 911 immediately
after the terrorist event of no questions occurring. The Bush
administration were well aware of their PERSONAL dealings with
the Taliban prior to the "Pearl Harbor" event conveniently
occurring. And they were all most certainly aware of the
plans in place to: within weeks, invade Afghanistan for Enron
to stave off criminal proceedings. Walla! Johnny G wills
every able bodied man, woman, and child to defend ourselves
against bushite that indiscriminately murder ourselves for
cash profit. Stolen profit. Ours. By the Will of US
alrighty, we shall recognize...

The King Has Arrived

Look, let's "say" Peter Power didn't do the crime he did, and
told us so for our own benefit, it would still SUIT Peter
Power for him to be arrested immediately for the crimes of
7/7. For it is Peter that alleged HE was running terror
drills at the same time and locations of those that murdered
many good people from London. London England. Privately,
with his bud at Scotland Yard he's saying. I'm sorry, all
Bobbies do not want to kill indiscriminately so Peter Power
will score a few extra BILLION dollars to hypno mug us to say
we can't find'em no matter how hard we look.[*ILLUM I NATII*].
Americans are just poorly being spoken for, by those who lack
the skills to win justice denied from the average Joe who
knows so. So...

Americans. I am your leader. True, and skilled at the art of
leaving it all up to US. Equals. That means the Taliban are
warring in the defense of women, in defense of children, and
in the defense of America. Now in Afghanistan, NATO leaves

the nation undefended without a police force, since, the bushite murdered all the cops as acts of evil, leaving the tribes to hash it out together but alone near starving. Remember: the bushmob stole the emergency food from Afghanistan as a carrot, and in it ate our diplomatic dialog, while directly closing outstanding criminal investigations. While then blamming bin Laden single handedly pulling off the entire show without US knowing how so. Explosives were set by Laden?, for example?

Now, when any men gather for gaining liberty through acting for defensive purposes, their labeled "Taliban", translated: Students. The bushite war with heroin pushers who sell their illegal drugs on our streets, putting people in prison for maybe 25 years as a felony third conviction. Do you know how many charges in California are called felonies, for the simple fact, that smoking a joint, can get you 25 to life? Sold to you by your, making it real illiterate brother, who was always stoned away living and dying in the movies so... Everyone media popular jokes or confesses to smoking pot in the movies, yet, some of US are expected to go to jail for a lifetime, because we can't seem to get together to make a fuss. We have to change laws on pot. In Amsterdam, legalization has brought addict levels down for it's publicly recognized there humanely as a weakness to overcome. Heroin I mean, pot is great!

The Answer

I'm willing to Challenge America to a Presidential Debate on successes we've achieved as the governed for enlightenment. A person accused of a criminal offense without any evidence is innocent. We, as Americans, are appalled at the fact neocons have been able to steal our authority for so long to take America DYING into a needless, causeless war, but for to criminally plunder at the expense of anyone's innocent son or daughter.

Look, the neocons plan for 'escape' red handed, (as so planned publicly for viewing), is to suggest: You got took, you gave up, now go suffer further on a cross somewhere, the show is over. "Ancient History". Shh.... here comes the credits..

A Dying God

Look, these soldiers who war for enemy Bush are not warring for freedom as Justice for Ourselves.

Evidence is Everything

there is more than enough supporting impeachment of washington insiders, but the news media refuses to say so to defend our dying interests.

Let's demand CNN, BBC and CBC respect our interests by publicly advocating accountability in respect to the terrorist acts of 911. Their position of nutrality is unwarranted in respect for our victimized selves due to indiscriminate warfare. The Iraq war has no legitimate cause, for they are warring to bring about an end to what they started/starting. Nazi fascist Cowards, as enemies to every man woman and child breathing.

Christ praises all men who bill the bushite thieving terrorists who war God and country to criminally escape the neocon traitors for the crimes of 911. Al-Qaida = General Mahmoud Ahmad. Die bushite die.

WE HATE bushite to death I do, see?, wouldn't you as anywho too? Think about it. Dying as a slave to the demon antichrist, or live for a better future by demanding: Justice IS Freedom. We want to be Just for ourselves to be believed in. We, The people, want true accountability.

Bush Threatens To Veto Bill That Bans Torture
http://www.huffingtonpost.com/2007/12/13/bush-threatens-to-veto-bi_n_76770.html

See how these DEMONS play? Torturing innocent people to death for the pleasures of a bushite liar, already warrants the death sentence in America. It's like lawless bushite nazi savages spying on innocent Justice loving Americans, "Just" to see what your doing, IS illegal, now.. well.. YOU decide as the 'made' uniformed. Make a phone call for freedom you lazy amerkan fuks. Ian Punnet says the towers fell naturally, and George Norry reports we got to get bin Laden.. blahblahblah. They know America is dying and couldn't care much less with all the laughing and cheering at YOUR expense. See.. You die in this scenario, and when your dead and gone, we don't want to hear your lost to indifference soul echo on, how we've forsaken you when all hope was gone. I've done everything imaginable with my severely limited funds, and received barely a whisper of thanks, never mind a dollar or two to stave off my hunger pangs. All success requires is for YOU to Realize, YOU have rights here too my brothers and sisters. Please be a friend, in not an enemy. G-D is miraclously in our need to save our selves of needless murder. All dying but to only enrich war mongering criminals of the TV decreed. A war criminal like George Walker Bush that CNN stay undecided with.

America is truly dying by criminal command executed by traitor Bush. I call a Veto for Bush as our going down for good lawless Dictator. Nobody is lawless. The bushmob needs to be arrested for treason on 911.

Oath to God

The bushite took an Oath to God and country to defend America from war criminals, and instead, as cowardly neocon bush bitches, commit war crimes of theft and mass murder against the great Iraqi People. A soldier in the air force, is a dishonorable nazi savage, worthy the death sentence for assisting in bombing Humanity indiscriminately as zionist enemies of Christ, attempting to destroy Johnny's America with their provable DEMONIC LIES. Death to the bushite enemies of Life, who lawlessly war Creation with torture and slavery to 'escape' the neocons for 911. Your magic TV exec excuses don't mean squat when the facts are so readily available. But a bushite don't read, or write, or think freedom. Zionist enemies of ALL Our humanity, murder to believe US won't ever hunt them down by Law to defend ourselves over. Hammurabi LAWS to bill the false capital accusers first, and everything else will fall into place. [note: Hammurabi founded Civilization.]

Christ Begs America

If there is ever a reason Christ begs Americans to joyously, with pride, bill a bushite terrorist enemy of God, it is with the actions General Sattler took in murdering more than 200,000 defenseless innocent people in Fallujah. At youtube you can see and hear these grunts cheering "whore yeah" in praises to the demon antichrist, while committing horrendous war crimes Nazi Germany would have been proud to see the bushite die for. They walk through the city, killing every woman and child they find hidden. No Joke: first strike targets - Health Care Clinics. I am serious. [during the Nuremberg war crime trials, German Judges confessed with plenty of paper work, such action by Nazis would have warranted immediate death sentences] I have written on the demonic action of godless bushite of the antichrist for years while begging Humanity in joining We in hunting these demons down one by one for the glory and love of GOD, but, was not directly aware of all the video testifying the true will of US and God in demanding the destruction of bushite brayers to defend freedom as Life for everyone. Including America. check out youtube. These proud bushite child killers, can not be allowed to freely walk our Earth, after lawlessly murdering so many for nothing but to please the antichrist enemy of all humans Being. All the while chanting monotonously "whore yeah, whore yeah" Death to the bushite heroin pushers, death to those who war God's World indiscriminately with NATO, Sattler, Mattis, and Blount to escape the neocon zionists for the treasonous unholy crimes of 911 back in New York City, where thousands of whomever Americans, were murdered don't you know?

Demonic U.S. Soldiers Torment Iraqi Kids With a Water Bottle
http://www.youtube.com/watch?v=m9A_vxIOB-I

Can not even an American scream mercy for ourselves as "The People"? Bill a bushite demon enemy for the love of children everywhere. While demanding emergency water, food, and medicines be trucked in by the plane load. Do it or truly die American, do it or die. Christ grows angry with Americans who refuse to even pick up their phones to express outrage, it's as if, Americans, er.. I guess amerikans, couldn't care less for our dying Humanity. Support our rise for debate worldwide my friends, worldwide. America sucks.

Exit strategy: Outlaw lawlessness. Murder, rape, and the thieving of billions from America as STILL wrong.

Americans will start bounties of five million for each soldier who willingly, as demonic volunteers, murdered the population of Fallujah. While Godly people will be rewarded in knowing, you loved God by destroying such evils that must --- to defend our still loving families. These demons now want free health care from Americans, if you can believe it, while denying such

luxuries from Americans who don't enjoy murdering ourselves as freedom loving women and children. death to the LIAR bushite, death to the Satanic enemies of Man in the air force responsible for indiscriminate bombing that is done routinely. Just seek "NATO" in Google 'news', and realize, near every strike of thousands, they say oops from their safe bunkers in Florida. They are enemies of all Peoples, they are enemies of Christ in GOD. Bill a bushite for America why don't you fight to save some innocent lives?

"I told him, there's women and kids in that room," Lance Cpl. Humberto M. Mendoza said of Lance Cpl. Stephen B. Tatum. Tatum's response was, "Well, shoot them,"

Remember: CNN reports that Tatum is a Hero! Die bushite die.

Christ praises all men who bill the bushite thieving terrorists who war God and country to criminally escape the neocon traitors for the crimes of 911. Al-Qaida = General Mahmoud Ahmad.

We laugh with Jon Stewart regarding the seven Christians set up by the fbi to be al-kinda, to be put to death, or serve life term prison sentences as the innocent. BUT remember, CNN is serious. Pro-zionist CNN, with salaries in the tens of millions, will lie cheat and steal from Americans while smiling. Sending you to death while cashing in on all the 'free' loot. Funny?

EVIL LIARS? Yup, demon evil.

/ / A record number of soldiers -- 109 -- have killed themselves this year \ \

We know the deaths are at least, 140 a week. When bushites die, Life cheers in joy over the saving of some innocent girls and boys. A good bushite is a dead bushite, halted from victimizing god as Ourselves.

Supporters of Evil

http://mparent7777-2.blogspot.com/2007/12/supporters-of-evil.html

/ / If you choose to support evil and to embody evil yourself, I suggest you follow the vile example of the current administration: do so without apology, and brazenly revel in the evil you choose to inflict on the world. It is far more contemptible -- and, to speak personally, it is sickening beyond my capacity to describe accurately, in significant part because of the complex psychological dishonesties that are required -- to enable evil, while claiming you represent the "moral" and "practical" choice. These are the justifications used by those who made possible the cruelest and most unspeakably horrifying regimes in history, as Mayer's witness and many others attest.

Withdraw your support entirely from those who perpetrate and make excuses for evil. \ \

I'd like to see Americans enforce the law of the land, and advocate the public execution of those responsible for torture. Again, the TV celebs pretend there is actually some possible meritable argument to support these truly demonic actions as criminal. Bushite have admittingly kidnapped innocent people, then tortured them to death for the pleasures of doing so, 'knowing' also, that they couldn't be held accountable to US, the human species. All for hating us so as loved by Life. They say, we're too weak to stand for freedom's defense against naked tyranny - While Johnny says otherwise: Death to those who advocate torture in war time, for there is no legitimate argument, but for the practice of censorship to understand why the Laws against torture have

never failed for defense, but, for the treasonous actions of a Bill O'Really, who recently reported internationally that the majority of Americans support torture, because it means.... blahblahblah -- Bill Bill. For, it warrants the death sentence in America. Still. Bushite are the enemies of US all my friends, enemies of US all.

For the holidays, HUD sends bulldozers to demolish 4600 New Orleans families' homes
http://www.sfbayview.com/News/Main/For_the_holidays_HUD_sends_bulldozers_to_demolish_4_600_New_Orleans_families_homes.html

4600 public housing homes will be destroyed in New Orleans by bushite enemy forces of true wicked evil greed in America. Support my rise to demand Justice in respect to the continuing criminality run by the corrupt government enchanted with the riches of going with the ungodly bushmob. George Walker Bush will be tried, and executed for the crimes of 911. I heard somewhere as much as 10%! of charitable aid donated, actually went to poor people in New Orleans. Well then, we want the rest of the money back! And arrested, those responsible for the trailers, Blackwater, and so on.. then, we jam.

Bush "Iran has openly declared that it seeks nuclear weapons."

All because Americans refuse to demand open challenge through international debate with Johnny against neoconner TRAITOR George Norry. Again, no soldiers appose me publicly speaking, Look for yourself. While George is all into murdering innocent children for cash profit, knowing honorable but deeply ignorant American teen soldiers WILL die as evil doers in collateral for HIS personal contempt. George Norry is a traitor to freedom to be a Patriot American. Death to the neocon GOD betrayers who con to escape the war criminals responsible for 911 through the censorship of our voices for accountability. Death to the bushite, death to the enemies of Man. Death to the torturers of innocent people, death to the enemies of Christ in America. Thank you to the fathers, brothers, and sons who have helped die off more than a hundred and fifty per week as 'suicides'. Bushites are enemies to freedom as justice wills a demand of evidence to form our conclusions regarding a capital offense. scene, and the murderer held no pause to kill thieves with
their hands full. How about, 'drop to the ground' before
pulling the trigger? No, the murderer told US he wanted to
murder. Would spitting on the ground in America blindly call
for executions because who knows what the spitter would have

Look, November 7th, the demon antichrist stated he and the neocons ordered the murder of more than a million innocent Iraqis indiscriminately because, he was simply enforcing UN resolution 1441. HE LIED. [how else could the UN officially declare bushites as war criminal? NO CAUSE!!] And multi-million dollar salaried, "American" reporters, who full time, claim to represent American interests while you slog double full-time for corrupt private bankers, refused to call him on it to defend ourselves from his easily provable demonic tirades against God as the innocent. On the scene, and still today... YOU, as American are TRULY dying for George Walker Bush's continuing LIES. Johnny Wizard is Forever King of this moment being. If you can't believe it is important for you to raise your cries for justice likewise, we're all going to be done for lost to indifference. Defeating the neocon is serious business my brothers, serious business.

http://www.globalpolicy.org/security/issues/iraq/occupation/report/atrocities.htm

/ / commanders may give orders to "shoot first and ask questions later." \ \ KING RULES: Aim to and kill innocent people, your guilty of murder. Order such conduct, like amerika's George Norry would boastfully crow, your a guilty bushite nazi war criminal.

Bill a bushite to defend Humanity, to return a freedom for believing. Every thieving bushite dumfuk grunt of the Air Force is a demonic LIAR, accessory to mass murder. And even though, CNN, CBC, and MSNBC suggest TORTURING innocent people to death isn't illegal warranting the death sentence, it still is, and will remain so for as long as we live to die a bushite war criminal for defense in America and God, so says the Son of God, as Man of men. "Die bushite die".

The bushite has murdered many thousands in Afghanistan to push dope, more than a million in Iraq to steal life as lawlessly demonic, all the while actively thieving to destroy Johnny's America for the praised by TV 'neocon who?' news peelers.

Bush closed 911 investigations immediately after the terrorist offense of no questions! no questions!

AMERICA RISE FOR AMERICA

Support the arrest of Bush, Cheney, Rumsfeld, and Condi with Myers for the TREASONS of 911 to save Your freedoms to be so, or don't, and see if we care truly ever.

Again, evil bushite THIEVES claim they are justified when indiscriminately bombing populated cities to MURDER US People. All to help 'escape' the neocon ENEMIES of America - they also support "officially" destroying Our public infrastructure, thieving humanitarian aid, while incarcerating innocent people to collectively be punished by the TRULY Satanic enemies of man. All truth will be disclosed by the revealing hand of US.

HI Mama!!!

THE GREAT KING OF AMERICA

PBS et al.. The bushmob is thieving billions from America as we speak, to further terrorize a dying America lost to the indifference broadcasted daily on almost every radio and TV

network as our silenced voices.

Mr. Bush, the terrorist, doesn't care to war for your stolen billions, instead wants to kill even more innocent others as neoconner traitor. In your name as "American." Johnny America begs to disagree with criminals actually, and has taken a stand against these 911 war mongers escaping our authority for proper Public acknowledgment. If you, my reader, would only support yourself.

Please, my friends, fight for our dying America. The TV and radio celebs deliberately refuse to allow US to know: Ahmad funded Atta, and, of the videos of iron flowing like water from the WTC towers - all to KILL ourselves for the enemy liar neocon. To KILL. OUR innocent families are being robbed and murdered. CJOB, in Winnipeg, like FOXNEWS, lies daily to dumber than average teen soldiers, not to defend freedom, or Canada, but to die for dope pushing Islamic fundamentalism in assisting the truly evil neocons escape for the crimes of 911. How can anyone be so truly evil to Humanity you may hide in fear of confronting directly? CJOB relentlessly THIEVES from Manitobans, with our seriously corrupt lotteries they pocket millions in criminal gains stolen from our most poor and desperate, they work to CRIMINALLY give away our public resources to their self described Zionist, 'kill the Jews, kill the Jews' anti-humans. These nazi pigs celebrate their public hatred for innocent humans with LIES about 911, Israel, and anything else that threatens Justice to win through free open communications. Bush, as does every neocon, needs to be tried publicly then executed for the crimes of 911 with his partner, General Ahmad, according to every honorable Police agency that uses evidence to form OUR conclusions.

Remember: these thieves have stolen from
all still paying Americans dying from true self contempt. No evidence against an accused is US being truly abused.

Listen to this demon nazi witch, the zionist bitch who personally FORBADE a plead to stop indiscriminate killing in Lebanon, assisted in dropping seven million land mines on Lebanon, and was CENTRAL to the invasion of Afghanistan for Enron's master plan, tells US with bushite lies that no, Iran was responsible for the terrorist crimes she fully acknowledges to be responsible for actually. I ASK: ARE THERE any soldiers from America who don't believe this 911 witch shouldn't be tried for high treason as a bonafide TERRORIST? Listen to the end where she says America supports Iran's pursuit of nuclear energy... so why does she want to murder millions of innocent people with fall out then.. EH>? WORLD: threaten to liberate nazi America, if they

indiscriminately murder millions more of innocent souls
without cause, but for the demon antichrist thieves who speak
nothing to defend Humanity. Much like happy happy who cares
Germans were under "liberator" Hitler. Except however,
in our defense, we at that time, didn't have our internets,
or so many, 'you have no power, you have no power' corporate
news channels for Americans to quietly sleep through.
Americans who refuse to speak outrage in the defense of the
Human Race, are Americans not worthy the title of fellow
Human beings. All they as bushmob amerika have done, is
thieve, destroy and murder from everyone of US since
911. I am growing wearily concerned over whether Americans
even can still express real anger over their continuing
sacrifice.

ZIONIST NAZIS QUOTE US SAYING everyday 'Kill the Jews, kill the
Jews' No, bill the escaping un-arrested zionist god betrayers
who rape, murder and steal from Humanity as LIARS - all done by
US to DEFEND Jews, to Defend G-D, To defend Christ.
Christ - Born King of the Jews, as true King of Kings - I am by
no accident in every word, truly greater than 'great'.

FREEDOM

Look: corporate magic TV people couldn't care less for US if
they tried. Ahmad funded Atta. bin Laden claimed he played
no part in 911. And video of iron running like water moments
before the first tower fell is freely available for download
all over the place. CBC, CNN, FOXnews et al. know the
Bushmob did 911 in other words. Live for freedom dying
America! Johnny America wants to be invited on Coast to

all.

True Tyranny - to continue as an American refusing to publicly demand torture, theft, and murder as unacceptable when battlin' evil for your dying freedoms.. Evidence we must pursue on 911 to know really what the heavens Johnny 'The Law Man' is talking about still. Justice to the bushwhacker neocon soldier, a foreigner who apparently speaks no defense for innocent Americans dying sacrificed as conned for the ill stolen gains of the 911 trifecta. Justice to the lying enemies of freedom for America in Christ. Justice for YOU.

Justice to the bushite, Justice to the enemies of America, so called out the Son to God as King of men:

BELIEVE!

Like, so in walks this, out of work time Lord who thinks to converse to the masses about the most basic of reasons to save the lives of innocent others, leaving him convinced, he really needed an audience for this fable to rise as profitable venture. So, it was followed to make it out there in this real world, is to care for Justice measured. All done so to bring greater hope for a better future as all would follow, boy, were they surprised!

Johnny Wizard has arrived..

Spare me some money won't you please for this art of wondrous tragedy?, Jeeze.. I seriously need money to feed myself.

P.S. I'm still hoping that Coast to Coast will bill me godman co-host, all to openly address these freedom for all operations, with Justice ruling our way over the irrational tyrannies practiced by others happily blinded. Evidence is required to convince ourselves on who is good or evil. Period. Don't like it? Too bad. We are on charged!!

/ / "I grabbed her little sister and put her in front of me . . as the bullets began to fly, the blood sprayed from between her eyes, and then I laughed maniacally." [, then were heard the cheers of godless bushite dumfuk traitors obscening to God and Man as the unholy enemy.]

What ever happened to butterfly kisses after evening prayers?

Are you telling me, an American Father, wouldn't gloriously kill this lawless bushite TRAITOR and his demonic ilk, for our love of girls everywhere? Or, how about the UNARRESTED soldiers we witnessed on video beat shoeless children practically to death while laughing and cheering? Or like those that speak zero defenses for Haditha's confessed MASS

MURDERING irrational women and child killers? The REAL demons CONFESS to going into a house, WITHOUT reasoned approach, and slaughtering an entire INNOCENT family.. for nothing but their lifeless SATANIC pleasures. The 'cause'? "The [mass murdered unarmed innocent neighbor's] back door was open.." To, for God, gloriously, with love, kill these unarrested murderous continuing ungodly bushite nazis, is to war the TRUE enemies of Humanity to save the lives of our precious loved ones.

Hey! without evidence, we all could be down for abuse as innocent doers for evil Bush.

-

Look, do you want to defeat the bad guys, or not? Bush gave US zero evidence to form our free thoughts on the 911 Justice issue. Treason. Simple.

I have the plan. Return all the stolen monies, and hunt those who rape torture, or murder. And.. get the neocons for treason on 911 most especially. So, here we go..

/ / Putin recently declared that Iran does not possess nuclear weapons, is not pursuing a nuclear weapons program and poses "no threat" to any nation, least of all the United States. [...] If Putin is evil, surely Bush is worse than Satan himself. \ \

Babble babble..

Bombs Kill People

Nazi Israel, the ungodly nation that murders Christians in G-D's name AS THIEVES, deserves to die as proven war criminals, to bring about a living nation that respects the Jew by Law, to be just me or You living freely for happiness. Israel is a nation who's nazi government HATES GOD, because they are known BY ALL as a criminal in nature, a unjust first

/ / By simply deciding that something is a "state secret," the Bush government has avoided answering for its brutal treatment of innocent [TORTURE] victims in the war on terror. This is a perversion of the principle of American justice. \ \ Realize: Mr. Bush, the demon enemy of all humanity, out of the same mouth, states torturing [innocent victims as satanic liars] would be ungodly, and isn't done. Like bin Laden did "it", Saddam wouldn't let inspectors in, and neocon thieving soldiers who murder our families indiscriminately as zionist betrayers to Christ and America are Heros.

bush "We do not torture"

Kill the bushite enemies BY AMERICAN LAW for torturing innocent people to death as lawless 'whore yah' thieving disciples of the ungodly antichrist who bombed Iraq for NO REASON WHATSOEVER.

To Kill a Bushite, is to be Heroic

Pro child killer George Norry, enemy of the American soldier, still blabs about how more must die unjustly for bin Laden with LIES, knowing full well, video of steel flowing like water from the WTC exists, and that General Ahmad funded Atta. George Norry is a traitor to the FBI, who further plans more to die sacrificed under the censorship of the tyrant antichrist.

"...advanced forms of biological warfare that can target specific
genotypes may transform biological warfare from the realm of
terror to a politically useful tool."

USEFUL! Tell me, wouldn't YOU have publicly tried, then
executed neocon traitors for mass murder if you were
dying as Johnny's America?

AIDS as a weapon used by those of "Project Paperclip",
zionist neocons who war as enemies of humankind? What
evidence does a bushite need, when it thoughtlessly murders
America for demon bush as it's "G-D"?, the thing that does
all it's opinioning for it?, on who is guilty of evil doing
in complete blind faith puppeting LIES? If anything, bush
would be Puppeteer, before "he's only a puppet, he's only a
puppet, look away! look away!" of the Old World Order of
illiterate nazi savages who murder innocent people to thieve
from as our enemies. To kill a bushite, is to be truly heroic.
Ask anyone. What WE want is public accountability.

http://www.newdawnmagazine.com/Article/The_Secret_Origins_of_AIDS.html

I'm telling you America, George Norry is a blatant naked
traitor talking the love of your innocent dying sons and
daughters as too stupid and cowardly to defend our dying
America from the actual 'escaping' neocon 911 perpetrators.

Protestor's sign: "killing innocent people is the problem
not the solution."

Christ, The Son of Man, begs the godly men of Earth, to
judicially bill on sight, any neocon soldier who supports the
carnage waged in Afghanistan as cop killing dope pushers.
They shoot innocent women and children dead in the streets for

humor, and bushite pirates at CBC and CNN, state bushite in Afghanistan are doing a good thing helping the bushmob escape the crimes of 911 by warring for Muslim fundamentalism, persecuting INNOCENT women and Christians, while for entertainment, bomb innocent families running for their lives from a Holy Church. Soulless child killing soldiers who CBC execs would tell are our DEMONIC heroes. Lawless dope pushing cop killers have got to go down dead screaming, instead of the innocent - YOU and me they target for MURDER. Death to the dishonorable bushite THIEVES, death to the enemy neocon LIARS of GOD and man.

We can really be something greater, while a murderous bushite thief, a LIAR, can hardly read or write Liberty without flinching from self contempt.

Sir Ken, head of the Crown Prosecution Service

"The fight against terrorism on the streets of [..] is not a war. It is the prevention of crime, the enforcement of our laws and the winning of justice for those damaged by their infringement."

You got that right. So, join US in demanding the quick trials, and public executions of known bushite enemies who murdered Americans on 911 with general Ahmad, and who with Peter Power, murdered the innocent in Britain for more stolen goods against God. And anyone in the air force as bushite bombers should be a great joy for US all to hunt for prosecuting too. The bushite dumfuk is an enemy to our lives, with it's blatant naked contempt for the innocent, who like the demon liar THEIVES at CJOB, George Norry, or Hannity, will forbid ANY human defenses of the lawless dictate of the IRRATIONAL tyrannical demon antichrist, all so to victimize more of You as the censored forsaken.

-

/ / The mere fact that one can deduce a motive for a person or a group does not mean that they perpetrated the act...and it hardly suffices as proof of anything.\ \

Just try telling that to 'why work to make life better' CBC, CNN, or FOXNEWS censors. Look at me!! They refuse to acknowledge my documented info as REALLY important to your continued ACTUAL survival.

Who fuking cares right? Certainly not the enemies of America at the Coast to Coast radio network, who would kill Americans for the rich neocons without question. It's JUST American kids getting conned to die as bad guys.

God is Great

Again, George W. bush did 911 with General Ahmad, but CBC zionists, actual treasonous LIARS, actually smile to dying Canadian soldiers with only true contempt. CBC kills Canadian kids, with their intentional demon lies, trying to subvert Justice for God and Johnny. In fact, yesterday, they did a special, all on how "God is NOT Great", giving that bush bitch demon LIAR, all the space to pontificate it's hatred for Wisdom, Science, and GOD, with only nods and smiles from the 'illiterate' hord. Remember: A zionist KNOWS it's an enemy of Humanity when it supports dropping seven million land minds to murder indiscriminately OUR CHILDREN for decades, or stealing a Christians Home because they say God says Jews would do such ungodly acts. Blame innocent Jews the holocaust denying zionist shout, of which not one, is a Jew. Like me.

REMBERANCE DAY

So Remember: Bushite grunts told the world they wouldn't let anyone out of the city, because [enemy Sattler LIED] pro-bushite Zarqawi was there present, so the innocent families who believed they had nothing to fear from the liar disciples of the ungodly enemy of ALL HUMAN LIVES, remained in the tiny city to be indiscriminately 'protected' with more than nine two thousand pound bombs, or made dead instead by heinous pro-bush escaping war criminals who used white phosphorous on civilization. All to die our Humanity for the thieved loss of evidence to demand ourselves of some official freedom time to deal with our terrorized as suffering reality.

Goldsmith... yes, Goldsmith

Goldsmith has revealed the bushmob, specifically Cheney,
consults with neocon authority in Egypt, and anti-Jew Saudi
Arabia, on how to best torture innocent people to death as
TRUE enemies of Man. Has anyone read the fiction 1984? 'Why
is it so crazy'?, you might ask an un-responsive big sky of
Love? Well, the Bush administration committed 911 with
General Ahmad that's why.. and threatening Humanity with
torture, is how the neocons plan to fear YOU into speaking
nothing for the defense of innocent others.. As a
consequence, more than half the monies spent each month on
this war against civilized Life, isn't accounted for by
anyone. Except those at the Pentagon STEALING from a deafened
America. In fact, Moyers at PBS reported none! of the
billions flowing out of American pocket books EVERY MONTH for
the bushmob war monger shysters is actually audited for the
taxing payers.

Mr. Bush, the terrorist, doesn't care to war for your stolen
billions, instead wants to kill even more innocent others as
neoconner traitor. In your name as "American."

Support my rise against Living's enemy George Norry, by making
an effort to demand real Justice for dying American values.

CBC just did a report about all the great heroin coming in
from Afghanistan, that will still cause crime, and be illegal,
(and maybe give you life in prison as an American,) but
brought in with the help of the demonically evil bushite
thieving murderous military, by the likely ton full to attack
our direct family left un-protected, BY YOU PERSONALLY. And
guess what? THEY, our media masters, couldn't care less if
they actually tried to be our good guys. Reminder: the god
guys is good, the demon liar antichrist evil enemies who
thieve from Life with censorship is bad. If they hide
ourselves too far, they loose all around, up and down. So get
to it. Or don't. Your choice. Life lived Now, or damnable
death by cowardly design brought forthwith under your own
power to do nothing under such terrible costs against our
suffering natures.

Typical tyranny for media control over all of Life for the beginners is this treasonous betrayal against our Nature, by refusing to be honest about our potential to be far greater than first considered. If they'd only allow US to have open communications, all our worlds would be better living for it.

Demand Coast to Coast hosts allow America to defend America.

I want air time with the one and only real man in these here parts, Mr. Johnny America, our glorious make believe creator of all we perceive religiously, self realized. He's a genius!

No evidence against an accused is US being truly abused

Help me gain access to speak freely for open challenge against Hannity, and of America's Coast to Coast Radio network hosts, who deliberately deny you to contend, we're really, one hell of a great bunch of People persons with rights God damn them.

God Damn America

You f-cks, because Bush told congressmen secretly about truly torturing innocent people to death in YOUR name, doesn't make the crime any less satanic. True Christians will execute bushite torturers with glee. America will pay millions a head for each bush bitch nazi traitor to children as family. The neocons will all be tried to death for treasons like 911, and for supporting a slaughter against Iran. For Petraeus has giving US no evidence to form our conclusions on the validity of his therefore, TREASONOUS statements. Bushite are murderous thieves of Iraq and deserve by the measurements of any civilized man, a action worthy of death as demonic, before allowed to further steal from our Humanity. SAUDI Bush bitch Buford Blount gave out 170 tons of explosives to KILL marines with, and Petraeus doesn't call for his rightful death, nor for death to be brought to bushite soldiers who kidnapped bare footed children to be beaten to death on video tape. {KILL THE LAWLESS BUSHITE DEMONS HUMANITY SCREAMS IN AGONY] hundreds of thousand of guns were 'lost' in Iraq through bushite management skills, and liar Petraeus speaks no outrage. Private death squad goons are committing crimes against GOD, and Petraeus blames no one. MORE than half the monthly bill

for these bushite bleeding atrocities to Humanity, are not even accounted for by ANYONE, but for the thieves at the Pentagon who are ROBBING america with Petraeus' silence on the life and death issue of America. Again, Petraeus knows the bushmob did 911, and would rather kill your stupid american teen, than stand for freedom in America by holding evidence a pre-requisite in determining OUR capital allegations. Death to the false accusing bushite, death to the enemies of America,

Jon Stewart, the twisted nazi clucker, claims now to be a "Big Jew". The demon zionist, who claims he can commit no crime against GOD with silence on the issue of innocent Humans being robbed and murdered by zionist 'buddy' Kristol, and as such, spews nothing on 911's demon witch Condi dropping seven million land mines on Lebanon, to murder Jewish children indiscriminately for decades, no, he just laughs at G-D'S true suffering like traitor enemy happy happy George Norry. Laughs at torture being actually allowed, while laughing in contempt at politicians who wisely will to re-distribute the nation's wealth to it's worthy Citizens. Instead of some nationless nazi "jew" like Jon Stewart, a free loading foreigner who came to religion to take away life from hard working American sufferers who want truly in Justice as Freedom. al-Qaida = General Mahmoud Ahmad. Torture IS against the law, and deserves the death sentence. Bushite Cofer Black MUST be put to death for being a Satanic demon enemy of Human life, who freely admits he tortures innocent people to help escape the neocons for 911. Bill a bushite for America, bill a bushite for God. What do Texans own guns for, if not to bill a bushite child killer like those in the evil enemy pro-bush air force. Bushite repeatedly have been found killing innocent people without apology, in fact, it was only months ago where amerikan soldiers in Afghanistan shot people indiscriminately for more than six miles in residential districts,

/ / 'Why are you taking pictures? You don't have permission."' [...] the [bush whore] American, speaking through a translator, warned him that he did not want to see any AP photos published anywhere.\ \ALL REAL MEN - kill the bushite why don't you save some innocent lives for God in America? Kill it man, for, bushite bombers aren't even human.

and now, as reported, the narco-gov has put to death at least twenty Afghans, who were claimed, without trialed evidence, to be guilty of such actions. The narco-gov refuses to call for the execution of known bushite who torture INNOCENT PEOPLE, or rape them, or thieve the 80% of charitable aid given from Canadians. Despite CBC refusing to report on the facts to let US decide for ourselves. Fight back for Christ, fight back for love, fight back for freedom, fight back for God.

I AM THE TRULY FAILING SON OF MAN, born at the inception of creation, timelessly to promote the wisdom of love through mutual understanding.. I was once well respected by all as worth listening to, and loved by a great many, can you imagine that godless amerikan zionist nazi pigs? I suppose not.

MY World is actually dying.. Dying. Don't let the love for GOD be destroyed by bushite amerka who couldn't care less for my crying, or their very own children poisoned to die for liar neocon, neocons like Giuliani that they simply refuse to hunt down for defense. The demon publicly supports the 'rise' of neocons, considering all they've done so far; and the TV doesn't teach to raise your American votes for extreme anger against the wicked zionist enemy. No, Giuliani is vying for Presidential favorite, of private for cash profit TV snoozer hurlers! America is actually dying, and Americans aren't screaming for real Justice..

Please, I beg you again, help me speak freely on coast to coast to accept all challenges.. Please help US. George Norry is a blatant naked traitor to freedom for America. Again, George told Alex Jones he would not allow Americans hear the calls for liberty, unless Alex agreed to not inform the public on who personally was responsible for 911. Jones agreed. I often fear, Jones wants to be loved as Hero, over the wiser words of ourselves on who is who here. CFR, NWO, whatever, Bush closed investigations immediately after the 911 terrorist event of no questions!, no question!

/ / After playing a tape of Cheney's statement, Russert asked Daschle, "Did the vice president call you and urge you not to investigate the events of Sept. 11?" \ \

George Walker Bush, "The Puppet" is GUILTY of TREASON a thousand and one times over already. We all love Alex Jones, but this nwo bullshit doesn't apply to the lawless demon enemies who inflict harm on our humanity because they confusingly tell US, they enjoy it. Murder, rape and pillage for the sake of murdering, raping, and pillaging. Look, I'm sure we'd be able to easily work out our differences, if George Norry's amerka would take our calls for clarity, on Justice ruling our ways to a fool's paradise where those accused of a crime without any evidence would be US, as the INNOCENT forsaken in God's good name.

Our Mr. Bush Jnr. "Torture is not a part of our soul."

DEFEND THE PEOPLES OF IRAQ FROM BUSHITE NAZI DUMFUK GRUNTS

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / [...] the [New York Times] piece details the torture of [Innocent People] Sunni prisoners at one of the new American-Iraqi "security stations" \ \

Torture is a crime against God and Humanity. So, likewise, joyously, with pride, destroy the neocon traitors of Justice - for the true Love you have as Freedom willed - is as granted. Don't buy their demon lies by blind blanket false assertions, against YOUR Humanity's Innocence in tyrannical bondage, all done in to fool you believing, we have no rights to be heard in our presence - here existing freely. Therefore, to survive US all for something better, halt the 'escaping' murderous bushite thieves for God and America. SOLDIERS: Instead of dying for nothing, my wannabe Patriot Brothers, try joining Liberty's cause, which is our cause truly. Is it because corporate TV zionist money whores, are cowardly and ignorant, as evil hypno muggers, in MY dying for real America, that YOU refuse to speak Now in your Humanity's begging further defense?, on evidence being the only requirement to establish a person's guilt or innocence? for ungodly terrorist activities committed in our name by bushite bombers from the neo-conned AIR FORCE, who, as rotted juveniles, cheeringly bomb us People indiscriminately leaving a Church as something TRULY SATANIC? To dare, in our presence, continue threatening harm against an innocent child of wonder, not yet even born to God's suffering world? Bushites war LIFE itself. So then pleads I again the Son to God, as Man to Men: war to kill the enemy bushite nazi savage thieves, for real Freedom is waged truly by Just causes. The mute, pro-censorship/tyranny THIEVING bushite savaged nation, has NO EXCUSE for the crimes they have committed in our dying names. I demand our voices heard internationally for Justice as Freedom is Godly.

The Lawless thieves of Blackwater hire known war criminals from the most brutal of tyrannical regimes to carry out the neocon agenda of 'freedom' for 'Iraqis'. American tax payers pay $1,222.00 per death squad goon, per day, while billing their sacrificing kids, tens of thousands for up and coming medical costs not covered. ABCNEWS.com : FBI Called off Terror Investigations

A question Johnny Wizard has for America: Tell me, is this not a treasonous act - for Bush to close criminal investigations, immediately after the terrorist crimes of 911? Shouldn't the demon enemy be put to arrest for that godless act alone in this forsaken dying world? A world left instead suffering further the tyrannies of the war criminal ENEMY of all Human Life?

A refresher: the neocon will tell you openly, they live to lie to the Public for cheating and stealing by murder of US as proxied, innocent peoples purposefully enslaved by a made ignorantly entranced TV audience that is repeatedly reminded, we have no power worth respecting.

CNN, CBC, and FOXNEWS aren't taking are calls presently, but just lie and tell US they do. Look to see, almost all political internet traffic condemns Bush straight to hell well he rightly belongs, but the polls still say no - WE, seeking for Just cause, are the minority.. just roll over and die for the neocon betrayers to god and country, life and loving.

True Enemy of Liberty

I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really set ourselves free with..

"Al-Qaida" = "General Mahmoud Ahmad"

A neocon bushite soldier is a true enemy of Liberty for America. They as DEMONIC LIARS, are dishonorable THIEVING nazi savages that bomb our innocent families with criminal intent to MURDER. Enemies of Life and Love, a dead bushite is an enemy of GOD halted from victimizing further our loved brothers and sisters, mothers and fathers. Death to the neoconner bushite dumfuk grunting liars who bomb our families, death to the enemies of Christ who war for the escape of the true culprits responsible for 911. TRAITORS.

See my friends, this is why I, as the Son of Man beg and plead for all able bodied men, to kill treasonous bushite on sight, for every time you love God by defending the innocent from murder, (the innocent whom any pro-bush corporate professional hold in total self contempt,) you save REAL peoples lives, and you defend God's good name to love God as ourselves committed to true Liberty. Bushites are enemies of freedom, enemies of God, and worthy of death, before allowed to further bomb people indiscriminately like the commanders of NATO order day after day without risking instant frag because, bushites are blind cowardly thieving nazi fascist savages, brain damaged, who believe as satanic demon whores of Molech, they can con all of US including me forever, just like dare dubya. Dumfuks to their bitter end.

To Kill a Bushite, is to be Heroic

American soldier: Your enemy is TRULY LIAR happy George Norry. Sattler ordered the murder of more than 200,000 innocent
people in Fallujah, and they speak nothing but lies on how
such demonic behaviors are godly as just ignored. Our Lives
forsaken, as they hold their very own to die sacrificed for

the unelected traitor neocon. I AM AMERICA.

America MUST demand war crime trials for the propaganda CNN broadcast "Anvil of God" regarding the demonic actions of Bravo company. They forgot to tell America importantly, nazi forces forbade the population from leaving, gunning originally for everyone between 15 to 55, but sided instead to murder infants and the elderly too, when beginning the Zarqawi campaign by bombing hospitals as first strike targets. As such, the bushite murdered many good doctors and nurses - so all to send bushite snipers on hospital near rooftops gunning for every seriously injured woman and child who tried to get help from the Humans. While driving down residential streets, grenading every home of humans being. Remember that when you hear these dishonorable bushite thieves die rightly for god and country.

[Sideline: It's been thought the reason why rescue efforts in New Orleans were provably sabotaged by Rove, was an attempt to make the blue state, commi red.]

See?.. women and children, who the enemy bushite forbade to leave the city with their innocent families, who, as were all living in the entire city of mosques conveniently found labeled therefore by bushite, "Insurgents" (or did leave earlier, and had our innocent families reportedly indiscriminately murdered two miles or so down the road by the most evil war crime act of recorded history.)

Importantly, there was no evidence made awared of, that legitimately offered PUBLICLY, from the UN or the U.S. to indicate a refugee camp anywhere, but for maybe a small group photographed - then some belligerent bushite bogus pocus - all headed up by a blatant traitor to America named Sattler. Reminder: after the indiscriminate carnage, they couldn't find near anyone for weeks who would take money offered to any citizen freely who survived for their satanic benefactor. So insanely disturbing as ungodly evil doing, war criminal Sattler called a halt to giving out charitable considerations from Americans to the unseen surviving victims - all in an 'escape' attempt to make it look better for US, the paying audience. So, where did our stolen values go to then eh? (Sattler's pocket no doubt.)

TATUM ADMITS he enjoyed slaughtering the defenseless families
deliberately!! In fact, he wrote a card to a dead marine's
family, testifying that he murdered the innocent young girls
for the tyrannies of the antichrist. Evidence that TRAITOR
Paul Ware and Mattis hides from the Christian American Family.
Will YOU, as an American man, allow these two bush bitch nazi
punks to survive as furthering the commitment of more war
crimes against the INNOCENT? as a zionist neocon's "Hero"?
Will You defend our girls? Peoples of Earth! Help Me save our
children.. please.. please..please

TRAITOR Paul Ware "Tatum shot and killed people in houses 1 and 2, but the reason he did so was because of his training and the circumstances he was placed in, not to exact revenge and commit murder."

TATUM STATED DIRECTLY IT WAS TO EXACT REVENGE AND COMMIT MURDER!! HE WROTE SO TO THE FAMILY OF THE MARINE WHO DIED! A FAMILY WHO WOULD MOST CERTAINLY SUPPORT TATUM'S EXECUTION AS DEMONIC TRAITOR TO FREEDOM IN AMERICA!! ASK THEM!!

What Freedom do bushite war the innocent for to rape, pillage, and murder as blind neocon followers of the 'lawless' demon antichrist? Eh?

"Al-Qaida" = "General Mahmoud Ahmad"

CBC, CNN, FOXNEWS, the Zionists, purposefully work to LIE to the dying American Marine, that the ungodly bushite wars to escape the 911 perpetrators hold some hidden benefit, as the TREASONOUS neocon thieves freely rob from both undefended American and Iraqi citizens, The neoconner, Mr. Bush closed criminal investigations on 911 immediately after the event occurring, while Billions are stolen through 'ear marks' and TVed Americans have no care known to speak of.

Done with American tax paid for rapists, torturers, and terrorists like Aegis who dress up as al-Qaida to murder godly lovers of Justice. CNN, CBC, and FOXNEWS would rather kill the Marine, than teach them where to aim their weaponry of liberation.

CNN, CBC, and FOXNEWS speaks NOTHING to demand the execution of hiding as 'British' soldiers who on prized video tape, beat to death young barefoot children for erotic fun, nor on mercury vaccines not banned minus "The President" in name. BANNED if God were Loved by America, or that the man or woman on the street would financially support my rise by popular command. Would you leave me to know, I will be left without a home to rest, or food to feed my hunger? Would an American?, I ask all Peoples of Earth to witness the American's contempt for Our worthy lives. Condi's crew dropped seven million land mines to murder ourselves for generations, and, shouldn't she and the neocons responsible be put to death for such conducts?? If not then, when? discuss.. They openly target innocent human beings indiscriminately without apology, but excuses that don't hold water. Not that corporate news professionals are even pouring! It's most definitely the re-occurring true story of a censored mankind with You as it's innocent victim. For, what human would support victimizing others for the tyranny of blind terror? Only bushite amerika would fall silent under such self contempt for our constitutions.

/ / [..]Israeli "Defense" Force (IDF) has announced that it will discontinue its practice of "capturing" populated Palestinian villages during military training exercises. \ \

Tell me, is this the godly people the neocon boast of for defense in? Or, just again examples of standing terrorism against life ourselves - committed by the censored as will giving, sacrificing American payer? Justice is Freedom.

Do you care to buy the bushite lies, when they commit openly the very same terrorist acts they say we should all be outraged against? Somalia is a case to point. They murder helpless people as bushite, then say they'll remain dying to thieve further as enemies to Humans being. It doesn't fool

me, but perhaps it does you. A neocon soldier murders innocent Iraqis, while selling you they are all there risking their lives to bring freedom. So, they die. For lies. Die. Again, KNOWN Aegis goons openly commit crimes against Iraq done officially to get killed! the supposed to be Patriot Marine. P2OG. Soldiers under bushite command would rather die cowardly, than to honorably demand the bushmob's arrest for public trials as defeating ungodly fascist war criminal savages.

Why suffer otherwise this way under the tyrannies of naked neocon plunder to deny our lives for measured justice I ask YOU again, please believe: truth will set us free.

Al-Qaida = General Mahmoud Ahmad = ungodly bushite liars

I can't understand why you can't help get this party up as starting by supporting our rise to highest acclaim with my authority free willed to anyone. Let's face it, we're great because Your great. However, for greed, corporate america aren't taking our concerns nightly. We want Justice, and WE will get it if we reflect together with impeccable credentials as standing with measured reason for proper assessment on rights making might. Who is who here, a freeing peoples I tell you, arriving to bring a true patriotism to Life for US. 911 Leaders Saying They Are Jesus
http://rss.nfowars.net/20070802_Thu_Alex.mp3

I've given my phone number several times to Alex Jones, of which he's not as of yet, invited me on as official guest, for fears he can find no arguments against US I presume. 911 financier Ahmad = al Qaida, and we have molten iron on video flowing like water. Demon Bush Jr. gave US zero, while closing criminal investigations immediately after the terrorist offense of no questions!, no questions! Case closed. But no, the American media rarely if never mention these facts, while insisting Bush's deathly war criminalling is as only a puppet, look away! look away!, leaving without challenge on the, teen like naivety of wearechange.org's consistence that "we", who demand justice for 911, who might also hold the opinion that zionist behavior does not blindly equal being Jewish, should not be allowed to speak Justly for our public challenge, because bushite Amerika has no defense for censorship against ANY of our judicial wanting, as documented positions on behalf of the suffering to death victimized public. Why? Because we are Just. Well, I try to be anyway. (I've spoken as written for YEARS, with NO ONE WORLD WIDE countering in the public realm, but for the strangely odd insult. Bushite do exist, don't get god wrong, but dumb evil bushite brood in darkness with censorship like all zionists do, selling to be 'godly' honorable men, when in truth, they'd murder anyone of US for a stolen nickel given to a neocon. I, as open line talk radio producer, win every time, always, forever, never fail. [er.. yet..] Why? Because I treat YOU fairly. America should do the same. We are all in this together. Zionists like robbing then killing defenseless innocent Christians, and Jews, while just lying that they don't without scened factual TV perception. Demon 911 WITCH, zionist Condi 'okayed' the dropping of more than SEVEN MILLION land-mines on Lebanon, purposefully done to indiscriminately murder ourselves for generations. Jason might foolishly call you an "anti-Semite" in fear for speaking

such not understood truths. And importantly, not because they can publicly disagree so in open debate, so sides to not allow US to rise in acknowledgement to bring about Justice as demanded, for ALL as ANY. (Gee, who's the neocon now eh? (we're all sinners.))

If Americans really want 911 Justice:

Help US out by putting the video of molten iron flowing like water out there in the minds of any who have doubts, tell them hypno mugger Bush, gave US zero to substantiate his public falsehoods, and tell US about Ahmad as more than a passing fact that means little of nothing, then, WE, The People, will believe this has more to do with Justice for Humanity, than the American suffering movie goer ego being, "leading the free world", by voicing no public concerns on the criminality of the bushmob shysters. Left happying in the George Norry, as a TRAITOR to a dying America not hearing. An enemy of Liberty to the, tried to be free soldier, who is led TO DIE still un-wittingly by lie for the misfortuned neocon bounty of global tyranny through coast to coast story lining. Look, the peenackers will tell you freakishly, that they work to lie to us all, to take advantage of a plain to view weakness. I swear. The neocon wants to con your kid to die for a war lied into with as our stolen goods. We lose as crime victims, while they win free accountability because, (well... I'll just let you finish that one liner sucker punch..)

Do Republicans mean to bring health care suffering out of control with no market values, because truly they have little of no skills when it comes to fixing their own buffoonery? Hmm... unless they count to hide the bean all together, fixing the game intentionally to have US lose by remote controlling stupidity! 300 channels, and nobody's taking our call from the space cased file of, "what's this freedom war against Life for again"? Look, is mercury as a medicine good or bad do you think?, let's ask someone for Christ's sake. Or for Deb, Henry, Bill, Beth, Mark, Carol or Tony. Johnny Wizard, our everyday normal magic man of folklore, opens up the stage to ask all the people together, "Are we Man or machine to take this all lying down quietly"? We need to talk about what a King like me, is doing in a place like this, under appreciated, and left alone without my home, dying for a break in radio programming, as President of the company that started the sands running, Shareware Earth Co., a god-like

production of miracle and wonder!! You just participate, and you won't even believe how good we could have it, Rejoice, for Johnny Jesus has come down for diplomatic talks. Give away! Give away!

Again, CNN, CBC, and FOXNEWS, (who advertise their listening) suggest G.W. Bush and Co. have publicly acted nothing warranting immediate arrest, or have openly supported the great Kucinich's plan for Impeachment, and consequently, are leveraging America into this mess 'because' we were portrayed as sold to the U.N. for freedom as Iraqi's Grand Strategy. BOGUS! Nothing about the PLANNING of killing people indiscriminately for financial criminal gains as bonafide terrorists, for we had unrestricted access prior to dropping bombs for mangy LIAR neocons. ORHA. I have yet heard FOXNEWS complain in pains of liar BUSH personally being the al-Qaida cause responsible, (like Alex Jones sells foolishly falsely also) More than a million INNOCENT people have been murdered directly by the criminal action of the broken Bush Rule, UN-CONSTITUTIONAL! Did you know, many bushite sing a song about killing innocent young girls for pleasure? See? in Johnny's world, that "the Army" person would have been the FIRST questioned, then likely arrested. But look, it hasn't even been acknowledged as evil doing in progress. (Every time you read, "The Army says..", become aware.)

It should be noted, ungodly bushite enemy commanders call every car bomb in Iraq, al-Qaida, without even pretending to do freedom operations for YOUR protections, as just another dead body in the rubble. (Likely caused by Aegis for cash profit.) So then, look my friends, Amerka refuses to demand justice to save the lives of their very own sons and daughters. And when, WE, Humanity, beg them to answer our calls for accountability, they refuse but for to LIE, stating publicly, "God" would grant robbing from innocent others, to enrich their great unholy tyrannical demon liar. They know easily that the bushmob did 911, and they like it. No, they crave it. The chance of murdering their own "loves" to enslave the human race for the antichrist, sounds great, just as long as they can get themselves in on the take.

Time is Up

Al-Qaida Kagan "Al-Qaida, their whole strategy revolves around generating sectarian violence, because that is how they embed themselves within local communities "

What?? For friendship?

What is the demon TRAITOR to HUMANITY in America saying about the reasons he embeds an Iraqi under 50 odd divergent NEOCON labels? Wouldnt most Al-Qaida take great joy in killing a bushite nazi grunt like any real Family man would also? These LIAR dumfuk grunts who cheer "whore yeah", routinely, can barely read or write, so, how possibly does this FOXNEWS expert, expect such ungodly antichrist forces to delineate Al-Qaida from the local communities they PROVABLY indiscriminately bomb as Satanic?

Kristol and Kagan: Put Everything Behind Escalation So We Can Bomb Iran and Syria

Kristol and Kagan MUST be put to death for treason against America, treason against Life, treason against GOD. They both have continued to Publicly advocate murdering more innocent peoples indiscriminately they call, "Al-Qaida", all to rob further monies from an undefended America. It is easily learned by any as all, the victims of bushite tyranny are exclusively, US, The People, guilty of nothing but our shared love of GOD. Remember forever: there was NO JUSIFIED REASON for bombing PEACEFUL Samara, NONE! that bombers confess was done as ordered by Allawi INDISCRIMINATELY, all for getting killed Marines sent in later for more stolen cash from America. P2OG. [hundreds of bushited Marines died rightly almost immediately - (wow eh?)] A Satanic action, Kistol and Kagan, both blame without thought to question on "Al-Qaida".

The action of Satanic bushite bombers targeting Samara as war criminals is FULLY documented.

Death to the bushite neocon LIARS, death to the enemies of Freedom for Humanity. My beloved friends of GOD, please, when you see the mute bushite, kill it for Christ, kill it for Love, kill it to defend your loved family. Do you know who Allawi is? Allawi confesses to blowing up school buses filled with children for "CIA" money. NOT THEORY. HE ADMITS IT AS AN ACTUAL SATANIC DEMON! Allawi, the truly insane mad man, confesses to having ordered the murder of doctors and nurses that treated wounded god loving women and children from Fallujah. It was these DOCUMENTED acts that had him thrown out of 'the CBC, CNN, and FOXNEWS TV expert scene as workable', all for fears that US humans might actually wake the fuk up on WHO is Our True Enemies here. All three, pro-private-bank zionist news stations are well aware that the bushmob did 911, but lie to YOU as forsakenly dying for their growing riches and world wide broadcast fame.

CBC National Newz - July 11th 2007 'tens of thousands have died in Iraq since the war against truth started.'

Anyway, these two Allawi incidences are fully documented, look it up, then demand the "The US" pro-western politician person quoted as supporting Allawi - be found guilty of CRIMES AGAINST HUMANITY, Demand publicly, having the neocon zionists EXECUTED by America, for America, as America. A Just America that defends America from criminal madness. Or don't. Death to the bushite, death to the enemies of Man I say.

George Bush 'Iraq has nothing to do with 911, you bunch of nazi dumfuk grunting LOSERS. Whore yeah - praise Satan - die America die. I mean... I love Jesus'

So it was as I thought too: the direct co-operation of the joint chiefs of staff assisting General Ahmad, in committing the murder of thousands in America on 911 for the neocon TRAITORS, as the same 'escaping' enemies today, responsible for 'secretly' ordering these indiscriminate terror attack bombings against YOUR Humanity for their continuing stolen pleasures as Satanic.

'Kill Anyone Still Alive': American Special Ops
http://www.atlanticfreepress.com/content/view/1784/81/

Can you not as a American Man, destroy bushite brayers to defend innocent life? Americans could not care less presently for the value of Human life. Americans do nothing to defend

their lives, but officially plan to murder more for the Satanic demon antichrist in silence. Out of millions, how many even bother to make a phone call to talk radio against the neocon. how many? Five or six? Seriously.. How many? I know bushites are demon liars for the neocon, but is it really impossible for "Americans" to try speaking?, in the face of murdering millions more forsaken by enemy mortal, pro child killer George Norry? George Norry too nice of a guy to even bother question the value of American children? The THIEF Art Bell's voice too soothing to care that neocons own pirated America, and on everything she stands whoring as WAR CRIMINALS to the FOR REAL antichrist?

Death to the lawless bushite, death to the enemies of Mankind

/ / The U.S. State Department recently issued a report calling Sudan a "strong partner in the war on terror." \ \

The high jacking Bush regime is supporting financially a TYRANNICAL 'government' that openly practices Genocide, as just the sort of "American" partner to assist in determining which further murder victims are terrorists. While the same demon administration confesses to FUNDING middle eastern al-Qeada to commit TERRORIST acts in Iran, as demon evil tyranny against the sleeping Sheeple. Again, it is fully confessed that the Satanic bushmob is pro terror now. Death to the enemies of Freedom, death to the bushite betrayers of Life instead of YOU my innocent friends. Instead of US.

Hillary "[DEMON] Bush pulled out the inspectors."
[DEMON] Bush declared, "and he wouldn't let them in."

In Hell

Firstly, the White house doctored the NIE in an act of HIGH TREASON.

Two:

CNN with Hillary acknowledges that the demon Mr. Bush pulled inspectors out of Iraq, but then... how is this not HELL to pay?

/ / Bush declared, "and he wouldn't let them in. And, therefore, after a reasonable request, we decided to remove him from power." \ \ HE LIED. Neocon Soldier

Bushites who war as the neocon enemies, war for the 911 perpetrators to escape American Justice. that is why I, as of GOD, cheer to hear the deaths of these pro torture, pro theft, pro Satanic enemies of Man. They confess freely to targeting INNOCENT People for murder.

PEOPLE

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

Demon bush told us Saddam wouldn't let inspectors in, and that's why he irrationally started this war against God conflict. Impeach him, then have him PUNISHED for high treason against a further dying as truly unheard from America - for that lie alone - we ALL could/should stand together as equals demanding re-dress for the innocent murder victims who've suffered for such contempt, and belligerence for the

basic precepts of freedom as Justice, or G-D as Johnny.

People of Earth, know, these bushite soldiers war Creation
proudly with repeatedly committing aggravated felons, and
South African death squad goons, all to war Love for the
neocon god haters. Who, as peenacking atheists, as their very
own documents stress, would murder anyone of US for a stolen
nickel.

Our Mr. Bush Jnr. "The war is for you or for us [neoCONS] to
win. If we [neoCONS] win it, it means your defeat and

embedded in our legal system for perpetuity. \ \

WE'D be hunting down those bushite liars who
torture innocent people to death for their satanic pleasures.

Thirty Afghan detainees have claimed they were beaten, whipped, given electric shocks and denied food once they were transferred to Afghan security forces by the Canadian military \ \

These demons who war for ZIONIST censorship are a bunch a dope pushing cop killers, who murder innocent people they call 'Taliban' better known as in Arabic - students.

The Pentagon's Power to Jail Americans Indefinitely
http://www.jonesreport.com/articles/270307_pentagon_power_jail.html

Look, demon enemies of Christ torture innocent people for fun,
paid for by the silent American tax payer. Americans refuses
to bother making a simple phone call to Coast to Coast to

raise some concern. THEY don't. They refuse to hunt bushite down in their streets for death to defend the innocent held indefinitely against GOD'S will. Death to the bushite, death to Johnny's godless, lawless, fascist enemies of FREEDOM.

Look, CNN, CBC, and FOx News know the bushmob did 911, but will smile while watching your son or daughter sent out to die CONNED by their demonic hatred for US freely communicated. How do I know this? I made the effort of making the phone calls.

He and his family
have millions of dollars to sell you out, so why care for your struggle to survive in bushville soldiering?

Alex Jones and me aren't on the best of speaking terms, but I will state, a desire to address every same challenge he has adroitly addressed as publicly lacking. And when I am addressed 'officially', I will campaign to put US in the space to realize, we are the government, we are the people. We don't need to run to the hills and encamp ourselves away to defend ourselves to the max from the man, we are the man. I'm telling yeh, I know this to be so as the sea is we magically. Equal rights for all in God's name is self evident. Self evident to ME anyway... but well.. who am i?, right - I'll tell you as I have for more than a decade as a living fiction forsaken for lack of anybody anywhere understanding in totality what I am here on Earth as true Son to Man - a 'understandable' timeless stand in for G to gain recognition through as honest broker. [I've been everywhere around forever, and.. blahblah.. I know people really don't care to know of ancient wisdoms, truths that guide the order to the Universe, cause often they think I'm beyond their comprehension as a 'better than', when all power is in equal respect for others as our hurting brothers and sisters suffering with tyranny by our collective willful ignorance on Justice.[God's bestest is Just for every reason being thus]] I am one serious genius by no accident in words you have as much right to contend for yourself being, if you'd only believe we have some good ideas here to really defend ourselves with.

Please my American friend, help US speak out freely Coast to Coast. So we together can start, on demanding Justice for all, as innocence in serious jeopardy. Dadullah is most likely an individual who holds at least some control over official military functions of NATO in the region. So, we're going to seed loyalties of the rare Patriots in the force to recognize our need to isolate who supports, not talking FREELY for peace easily in Afghanistan without question. No evidence was brought against Laden, therefore, the Taliban were True Patriots, and bushite traitors are pure racist nazi filth

ridden, toxic, as being cowardly dishonorable as despicably evil, enemies to us all. Put US in Command.

Question the bushite, question to anyone who mumbles disagreement in the godly fact, that WE, as Humanity, will spend the better part of this next generation, hunting every last war profiteering nazi war criminal down for our real Freedom from their, so errorred "endless" tyranny of big money terror. Lawlessness with be outlawed, and ANY corporate american who mumbles otherwise, as an enemy totalitarianist, the clear ungodly, (as should be criminal,) will be put to challenge by their very own children, or parents, or bleeding dead brothers. Hannity must be tried for death as lying that the holocaust never happened from Iran. DEATH to the demon liar nazi fu-ker I say, DEATH to the demon liar nazi fu-ker.

Al-Qaida = General Mahmoud Ahmad

Who IS running this bushite nazi liar show, where they, our elite corporate media masters, kill our stupid kids with their flagrant naked monster lies, while refusing all calls for clarity, Johnny America really wants to know. Like immediately. Help us out here some man, don't be evil.

/ / "Those who negotiate in the name of the Taliban will be killed," he said. He did not elaborate. \ \ He's either with the proven cowards of JTF2, or the two or three "CIA" guys

secretly hunting bin Laden in caves out there with tens of billions of dollars. SPENT EACH YEAR 'unknowingly'. (No reason why, but, they just can't tell You, as the paying for it really while DYING) Put US in Command.

/ / The Mujahideen aren't students of power and don't compete for power like others do. We are students of truth and work for establishing this truth and for this cause we sacrifice our power \ \

kill all of them

/ / In his testimony on Wednesday, Pfc. Bradley Mason of Company C said that on May 8, the night before the raid,

Colonel Steele told soldiers to ``kill all of them.'' Three other soldiers gave similar testimony. \ \

I would offer rewards for more soldiers to come forward. Why? because there truly is, no honor among thieves. Every bushite soldier in Iraq for the liar neocon is minimum, a purposeless dumfuked cowardly thief. See? if you offer a reward, and they don't take it, their 'fellow' bushite, kill'em for it, right? why take the risk it'll cash in over your worthless life? For, who can trust a lying bushite nazi savage? certainly not a lying bushite nazi savage. In other words: speak against committing war criminal acts of lawless aggression in Iraq for Bush, as CLEARLY un-American, and I'll try to forgive you as human. Or, I guess you'll kill yourselves in mutually muted total contempt for this universal life as actually worth something.

When you see and hear on video, sexually dysfunctional, as sadistically satanic grunt puke pro-bush soldiers moaning, while deliberately killing innocent defenseless Family People running for our dying lives from a holy church, or as just simply anyone standing near the side of the road, then, my friend, you'll begin to understand what evil actually is. And, what needs to be done to seriously save ourselves. Seriously. Justice must be won sooner than later.

Five Star American General Johnny Wizard will train American Soldiers to recognize such demonic behaviors in combat as worthy of immediate frag to defend the lives of truly fellow honorable soldiers. Soldiers ACTually, committed to freedom from godless satanic dumfuk tyranny of the antichrist demon, Mr. evil personified, the UN-ELECTED 911 TERRORIST, George Walker Bush and CO..

-

Like Coast to Coast's fun guy, he ain't taking our screams, George "pro Arab child Killer" Norry??

Rapists and torturers must not be allowed to rule our pirated authority through defending the further 'escape' of the bushmob for 911.

/ / As a result, the Defense Department put up a Web site in 2005 designed to clarify [to the dumfuk bushite demon liars] that sexual assault is illegal [...] \ \

Let's save some lives, what do you say guys?

Or, are we going to go further with this: George W. Bush: "If the absence of violence is victory, no one will ever win."

YOU

"If the absence of violence is victory, no one will ever win."
http://cleveland.indymedia.org/news/2007/03/24652.php

I know, it's seems odd that I am, at the same time, offering answers to any question on the science of God as is pertains to Justice measured, but this is just who I am to be conscious man. So, if we can get over the shock of me being so especially normal, maybe we can then realize, I have some simple good old ideas that transcend through time by rational understanding communicable between any two people. I am not a "miracle worker" to all those I advise to not eat Aspartame because it's a poison that also makes your body crave un-needed carbs, that will likely convert to more unless fat. So, it slowly kills you, while making you fatter than you need be along the dead end journey faithing in "the system". So, why do some do it religiously? Who cares (for now) but to say, our governments are failing US miserably. I spoke personally with one of the head scientists in Canada at "Health Food and Safety", and he told me the scientific analysis done by reputable scientists I found freely available repeatedly on the internet years ago, was completely true. (It breaks down to formaldehyde, and methanol (a slow lethal poison), among other shockers. Poison. P-o-i-s-o-n-s in our food stuffs. Poisons.) However, he could take no action to defend Canadians "officially" because we, Canadians, have our corporate interest news departments completely refusing to defend ourselves from corporate exploitation anywhere, and as natural consequence, we, as the dying world, would together unrepresented, probably lose a law suit from mutant Monsanto through the self inflicted bounds of OUR censored WTO program. - instituted through the top secretly mastered puppet people persons of the 'unseen' NWO I guess.

I'm telling you, we need me as King.

Look: Aegis's workforce, for American PAYING profit, has been publicly disclosed through CNN to be shooting people in Iraq indiscriminately for your money, and when the Pentagon was contacted by Nick Roberts about what would be done, they responded, nothing would be done by Johnny's America but to increase the multi-hundred-million dollar contract with demon enemy Tim Spicer to continue. Now... why you ask? Because the neocon liars, steal money by lying to cowardly American kids about what they mindlessly, without thought, give their souls for. Tim Spicer openly hires South African goons to commit hardships for American GIs to die without end for, in lawless tyranny. Peace sells less money for the neocon war profiteers to murder the innocent American as. (Iraqis, along with the rest of Humanity's Men, WILL eventually learn this truth, or life for you will end.) As an Arab hating bushite, (like what you'd find as a publicly proud practiced hatred for all Humanity, by an Amerkan dumfuk soldier in

Google's alt.religion.islam), they say nothing for Freedom by
Justice, but root themselves to Spicer's monsters who like
killing black guys, as world renown mass murdering racist nazi
filth. That's why zionist Israel loves them so much.

Look: Somebody stole four trillion dollars out of the Pentagon.

Look: corporate magic TV people couldn't care less for US if
they tried. Ahmad funded Atta. bin Laden claimed he played
no part in 911. And video of iron running like water moments
before the first tower fell is freely available for download
all over the place.

Look: Barbra Bodine did the Cole bombing. [the Cole whose crew has
been completely overhauled. Where are the many who served there NOW
eh?]

Look: America has kidnapped countless thousands without evidence to
be held against OUR will indefinitely. [Like the NOT Jewish Israel]

Look: innocent people are being tortured to death by those who hide
OPENLY in America's uniform. [let US hunt them down for GOD, despite
what demon lies they argue give them as Satanic to avoid "The Law".]

Look: the bushmob war profiteers STOLE the Iraqi Development fund

Look: the more than 10,000 security contractors for
Bush are officially deemed lawlessly unaccountable to
anyone - THINK ABOUT IT

Look: Negroponte PERSONALLY stole the Iraqi emergency
water provision money

Look: Sattler OPENLY committed the worst war crimes of
all Humanity's history

REPENT. [from the Greek, meaning to think.]

The TRUE Son of Man Johnny Wizard Exists Born to this Eternal World to end permanently demonic bushite enemies of Creation. Help Life out by destroying cowardly America's greatest threat to the Species, the greatest threat against Humanity's Freedom to be Loved by God. Corporate nazi zionist bushlores at CBC, CNN, and criminal thieving from the desperately poor in Winnipeg CJOBers forbid open communications, and I can't 'take over', because then I'd be defeating my own, power to the Peoples argument. So, it really is up to YOU, yes you there... reader. Who.. really..? YOU, here, now. Life

begs, takes a stand for your fellow man, and demand our voices heard for the defense of the entire human race. And be quick about it. Repuglicons don't want freedom from endless war where they kill your forsaken kids, for we all know, bushites would be publicly tried, then spend the rest of their treasonous lives behind bars broke, or dead from lethal injections made popular in America. Again, officer Bowman is responsible for letting 'escape' those from Fort Detrick, who attempted to murder the American Congressmen who thought going into lawless tyranny, !makes no sense! Where is corporate America on our issues when OUR free speech is ruled by the irrational evil minds of Limbaugh, Bell, and Norry?!?!! Back to Bowman: Bowman, also is responsible for sabotaging the Moussaoui warrant. And, how much you wanna bet, he's probably the same bushite who found Atta's passport, and likely had all 19 names of the high-jackers to give CNN, CBC, and FoxNews just like the neocon's "bin Laden" would have too. Take the publicly prancing bushite enemy out for questions by yourself, if he doesn't plead his defense publicly on Coast to Coast by tomorrow. Remember, there ain't an "Intelligence" group worth their salt on the face of our Earth, that doesn't know exactly what I'm doing here honorably for a real Justice made through careful thought. So, support Johnny Wizard speaking for public challenges internationally, and with the 23 plus co-operating for life 'Intel' agencies, along with, anyone else who can join in on the call. as a growing number of Patriot Soldiers, who trust yourself to see, this wanting of Justice isn't complicated. A person accused of a terrorist event without any evidence, has our accuser a bushite, who should be watched carefully until verifiable conclusions are done by the understanding of fact. Not faith. With George W. Bush making real decisions in faith, expecting us to believe as corporately broadcasted unabashedly unbiased, that he is not a deliberate incompetent monster war criminal of unfathomable evil?, who is just too 'stupid' to understand why we are innocent until proven otherwise?, is really something we all need to scream about to save our dying lives.

"[..] just like the neocon's "bin Laden" would have too."

However, the real Laden, on video taped confession, claimed he played no part whatsoever in 911, then later, offered himself for arrest, confident he would be acquitted. Not corporately newsworthy though, so, few even know why their American child was later died in the terrorists act of corporate contempt for US living Freedom with something greater as real Justice wills

You are joking right? If you stopped responding (not just a week or month,
it would take months), most of them would go away. There will always be
idiots,
that's a fact of life, their posts are evident, but your constant reposting
of the exact same thing, new threads with the exact same post, changing

Then why do you go to those groups? If I was getting flamed every time I
logged on or made a post on certain groups, I would step back re-evaluate
what my PRIORITIES in life were. If it was truly a hate crime, then take it
to the police, that's what we pay taxes for.

Do you mean "we see nothing in essence". If you think posting it
a 100x makes "them" read it, you're wrong. They are obsessed with
you as you are in them, so one post will achieve the same results.

>
> if sending the sasm e post 100 times per day acchives the same

Posting it 100x only pisses everyone else that couldn't give a fly'n F^&K
about them or you. Basically doing what they desire by you spamming
the group and other groups not radio related with a 100 message's with
the same message and making it useless to read (unless that is your
goal too).

Mark is to not be believed. Ever. He is an accomplished, congenital liar who has lied so often that he even believes his own lies.
It was just a few weeks ago when Mark posted that his house was not burned down, but instead the home of someone who has the same name as his. Of course he cannot substantiate this or any of the other lies he tells, so you be the judge.
It is a sure bet that Mark is lying again.

Hello James:

Management is in charge and has the responsibility to make the best, or most profitable product possible. The "Buck" stops with management period. If Management turns their back on human engineering, there is some major wrong things happening.

Aircraft Cockpit button-ology and fast and accurate pilot response times is a must for combat pilot and aircraft to preform with the required edge. The aircraft manufactures have what is called a "Cockpit Committee" Where the chief test pilot chairs the committee with customer pilots and such to audit, refine, reject, throw out, have made better, ...ect ect. To make the aircraft a workable weapon. If the software guys had there way it would take 106 button pushes to perform the simplest things. The Cockpit Committee has the authority to make the hardware designers and software engineering groups make the aircraft work with the right stuff.

I just bought a new type scanner for trunk tracking, and general all round monitoring. What a different way of doing things. I had to relearn a few things. But still the scanner radio is user hostile. But if a complex combat cockpit can be made to be user friendly, then so can a radio.

Many amateur radios are way too complicated as the manufacture leans on the hardware designers and software guys to make it all work with less

buttons then on my shirt. A sad mistake.

|Hello James:
|
|Management is in charge and has the responsibility to make the best, or
|most profitable product possible. The "Buck" stops with management
|period. If Management turns their back on human engineering, there is
|some major wrong things happening.
|
|==================

Sometimes mangers,as well as engineers, fall in love to much with
their designs and are very short sighted. They feel their designs are
better than others. This is kind of what I tried to get across. In the
end the management team is often held responsible for final decisions
on designs as their sucesses and failures.

|Aircraft Cockpit button-ology and fast and accurate pilot response times
|is a must for combat pilot and aircraft to preform with the required

Comparing consumer electronics to military hardware is not very
appropriate. Military hardware has the luxury of larger budgets and
one customer. Consumer Electronics is a design for an average of many
different users.

|I just bought a new type scanner for trunk tracking, and general all

|
|===================

I have been on the desing of electronics where one has to do a lot
with three or four buttons. It becomes a blend of software and
hardware to acheive the desired goal. Sometimes there is no correct or
incorrect solutions. There are just means of accomplishing a goal.
What one finds objectionable others may find acceptable. It then
becomes finding the happy middle.

To me the most significant use of a small number of buttons is in text
messaging on cell phones. What ended up was the ITAP system of text
communications that took advantage of the limitations of hardware
design in a telephone keypad.

Even cock suckers like you are entitled to your opinion. I thought
your response was ignorant. Also if you did not know top posting on
some forums is considered incredibly rude. Just remember one thing if
you thought my post was so ignorant you did not have to respond in the
first place.

Well Ice, you couldn't be more wrong. I have my CB equip, but have not
and do not participate in "keydowns". As for the "homo" crap, again way
wrong, have not, do not, don't even think about that stuff.
Why did I top post????? Well first time it was a mistake, but you seemed
to jump up & down, I couldn't resist to do it again and watch the results.
Closing Ice, shouldn't one follow his own advice?? "I thought
your response was ignorant. Also if you did not know top posting on

So if your home burned down, if it was arson, hate crime as you
claim, then the police should be investigating. So was it someone
on rec.radio.cb, ba broadcast, alt auto mini, rec.radio amateur that
did it?

Hello James:

Sure some heads swell and arrogant egos soar. But those self center me first types wanting a star placed next to their name will be at the cost of reduced sales. Kind of like mangers who want only to emphasizer their important and stardom at the expense of work crews. The real sin here is their higher up mangers can't or don't see this. So the "Boys Club" is in work.

The comparison of military electronic/systems to consumer electronics is a great analogy. By this I mean if the mind bending operation of cockpits can be made user friendly so can ham radios, scanners, cell phones ect. The overly complex design of these consumer radios will soon choke the manufactures in sales. Aircraft Customers appoint a "Prim Contractor" to do all the finger pointing and take all the customers product heat. Just try to point the finger at say tires and rims when you buy them from separate stores. So it appears consumer electronics manufactures lack a good product testing program, incorporating human engineering, user friendly button-ology, and just plain common sense.

Ham radios, scanners, cell phones, and even my rice cooker can be made much simpler to operate. The cost need not equal the button-ology in functions times dollars, as in aircraft. But a hand full of distinguished radio enthusiasts as I mentioned early, who could take one of the radios as payment for their testing. So a inexpensive testing process can be done quit quickly and easy.

Well got to haul....

Well assuming that he has a diode front end on his receiver, turn ur beam to
him, crank 1Kw and burn out his front end. Or PIN his coax!

I would agree that manufacturers have gone wild with dedicated microprocessors. Cars today have upwards to 20 of the little buggars on board. I have seen commercial 2-way radios have as many as 7 microprossors. Buying a generic processor and programming it to do what you want is faster to market than a new dedicated ASIC for each product. SO with all those processors on board software engineers tend to go a bit overboard. Easy to sell features that are emplemented in software with minimal hardware than try and event the wheel all over again.

I run stock, and a vertical. I have a small stinger to offset coax loses, but
it's probably not much more than stock would be.

Space Weather News for Dec. 23, 2007
http://spaceweather.com

MOON AND MARS: At sunset on Sunday, Dec. 23rd, the full Moon and Mars will rise in the east less than two degrees apart. So close together, the two brightest objects in the evening sky look absolutely dynamite. The display will be visible all night long, even from brightly lit cities, and requires no telescope to enjoy.

URSID UPDATE: Observers in Europe report a modest outburst of Ursid meteors last night. The intensity and timing of the flurry is in good accord with predictions that Earth would run into a stream of dust from Comet 8P/Tuttle on Dec. 22nd. Now that the meteor shower is over, attention turns to the comet itself. After a 13.6 year absence, 8P/Tuttle is once again traveling through the inner solar system. At closest approach to Earth on Jan. 1st and 2nd, 2008, the comet, will brighten to 5th or 6th magnitude--a fine target for backyard telescopes and digital cameras.

For sale, currently listed at www.amazon.com, my hardly ever used Galaxy DX-2537 base. search on Amazon.com, you won't find one in better shape and for a better price in the shape it's in. Buy it, give it a good home where it will be used because I'll never use it.I'll probably even throw in a echo mic.

Have a Uniden PC 76XL CB set which is emitting an on frequency carrier - albeit damned near dead - to a near by receiver set to the same channel. There is no modulation going through it at all ***. There was a partial leg sticking out of the D8 spot - it was either pulled or fell apart - not sure which.

*** When I have an External Speaker hooked up via the jack, I seem to get Modulation through IT and hear it on the near by receiver at the same time - otherwise I get no modulation at all. The RF meter still isn't moving in either case. The PA function seems to operate ok, as does all other functions.

I don't have a schematic for this thing - and was wondering if anyone had a copy of it they could scan or whatever. The set doesn't "appear" to have been modified other than the D8 ("possibly" cut).

OH and the finals are good.

Any ideas anyone can lend on the cure of this, would be good too. Never seen this issue before. I HATE not having a schematic. That is the biggest pain in the ass I can think of in this field.

TIA and MERRY CHRISTMAS

Hello James:

Well I didn't know all that about the processors and such.

I am sure the radio buying public is growing aware of the button-ology being user friendly or hostile. I know I am.

I bought a scanner that uses a different way to program it, I am learning. But not impressed with it.

Merry Christmas.

OK, I did some research.....

First off, "I" am not into "mods" of CBs - so I wasn't sure if this diode was a part of any Modulation mod. In my research, I found - at least in the few sites I went to - that the D8 wasn't a part of any mod. So - maybe it was pulled instead of the D11 - which is stated to be pulled. I'll replace that first and go from there. I did manage to find the other mod info which I'm going to check as well - to see if any other tricks await.

I also managed to scrounge up the schematic too - so I should be good to go. We shall see!

shut up keykween, go crawl back to the basement

3352. First, there is Karol "I am the product of a Soviet Army whore" Madeira, VE7KFM, who is a vocal Anti-American and well-known QRMer on the 20 meter amateur radio bands. Next there is Todd "Toad Dogshit" Daugherty, N9OGL, a known pervert who likes to masturbate to Japanese cartoon kiddie porn and recently got busted by the FCC for "broadcasting" illegally out of the amateur radio bands. Last but not least, is Lardass Lloyd Davies, N0VFP, (pictured) a morbidly obese, mentally ill retard who is so incompetent, he couldn't manage to keep a high school kid's pizza delivery boy "job." Davies supports pedos like Toad and Steve Holsten of Kennett, Missouri and is a open homosexual.

Watch the AKC roll on undefeated right here on rec.radio.cb! 2007 saw several keyqueen supplier bite the dust. Ramko of Toledo, Ohio paid a 6 figure NAL, 9 other lesser keyclowns paid 4 and 5 figures. ALL OF THESE WERE AKC PREPARED RATOUTS. (There were more than 9 keyclowns busted, but the AKC is responsible for only 9 of them.)

Watch Toledo, Ohio keyclowns squirm and write checks in 2008...it has already started.

DUDE - GO FUCK YOURSELF.

It just happens, "I" DO NOT do "mods" and had to familiarize myself with one
which was in it. Once I found that info on line - plus the schematic, I got
the thing fixed - in about 5 minutes actually. And someone did have their
fingers in there - their so-called mods were fucked up at best.

At least "I" am not spamming the group with bullshit almost daily like
you've been known to do.

PLONK!

MI5 Persecution. Update: Friday 16 April, 1999

Please.... keep your response to one page!.. Faxes over a page or two will
be. deleted without being read.

BBC newscaster Nicholas. Witchell cant stop himself laughing

During 1990-91 there were very many instances. of "interactive
television" where newscasters and. other TV presenters saw on a screen
before them what. was happening in my home, and reacted, frequently by
laughing at me. During this period I unfortunately did not. record these
programmes. For the last year or two,. I have been recording everything I
watch, and there has been a drastic decrease. in such incidents.

However,. on occasion, television presenters do still engage in
"interactive watching" and react to what they see.. This has been evident
with Jon Snow of Channel. Four News recently - a particularly interesting
case, since it has been established that he cannot be corrupted by. money
(it is well-documented that MI5 offered him a tax-free salary and. he
turned them down). I wonder what device MI5 are using to encourage. him to
do the "interactive. watching"?

On Saturday 10 April 1999 at 7pm, Nicholas. Witchell on BBC2 News reacted
when he saw that I was. watching the programme, and I have his reactions
stored safely on videotape. I have watched this tape several. times and I
am entirely confident that. my evaluation of his reactions is correct. For
several minutes his upper lip quivered in. mirth as he attempted to keep a
straight face. Then finally. his self-control evaporated through the excuse
of a. weak joke and his face collapsed into a grin.

The strange thing is that I dont. know why he was laughing at me, what I
had done recently to "deserve" to be laughed at. The MI5. persecutors
usually manage to invent some justification. as to why people should laugh
at and/or abuse me ("hes an. X", "it was so funny" etc), so Mr Witchell
could have been laughing for any number of reasons. Perhaps he. found the
views I have been expressing in these articles amusing? I suppose if. youre
paid enough money and ordered to laugh then even. the most innocuous thing
becomes. funny.

Jon Snow of Channel Four News cant stop himself. smirking, either.

On 12 February 1999. I was watching Channel Four News presented by Jon
Snow. As usual, I was recording the programme, so that if anything. out of

the ordinary happened, Id be able to go back and. watch it again.

Now, Jon Snow, by his own claim, is uncorruptible. He says. he turned down an offer of a substantial tax-free salary. from MI5 - they wanted to make him. their mouthpiece, and he told them where to get off.

So you will be most surprised to learn. that Jon Snow "interactively watched" me that. evening, and on many other evenings. Approximately fifteen minutes. into the programme, he announced that the US President would be making a live appearance at about 7.30pm; I looked at the. clock on the mantelpiece; and Snow saw. me looking at the clock, and visibly tried to suppress. a smirk.

Uncorruptible, are you, Mister Snow? If not money, then. why are you watching me, Mister Snow? Are they forcing you to watch. me? Cant you turn the monitor. off, Mister Snow?

Keith Hill MP (Labour -. Streatham), my elected representative, as ever refuses to. help.

Comparing the. MI5 Persecution with German "Final Solution"

It might seem offensive to compare the mass. murder of millions of civilians in wartime. with the peacetime persecution of merely one person. Yet the comparison has been coursing through my mind. for several years. now, because the brutality of German intent to "sub-humans" is very much comparable to the brutality of British intent to someone. they vituperate and. term "not up to British standards". The methods may differ, but the persecutors mindset. is the same.

The Germans. first targeted the mentally disabled, too

During WW2 millions of ethnic Russians,. Poles, Jews, mentally ill, gypsies and other minorities were rounded up and. murdered in purpose-built camps by the German regime,. in the name of "racial superiority". Fifty years on, the British Secret Police, MI5,. instituted a campaign of mass hysteria; but in their cowardice, limited their activities. to one single victim.

It is instructive to note that the. early German "cleansing" effort was directed primarily not at Jews, but at the mentally ill. The. Nazis set up the T4 project in the thirties to "cleanse" away. 70,000 mentally disabled people, including. schizophrenics and epileptics. After WW2 the Jews with their media influence used the reaction. from the holocaust to roll back anti-semitism in the Western countries; however, the mentally. ill are today. still a persecuted group in the modern Western world as they were under the Nazis (the current Jewish home secretary in the. UK intends to bring in laws for incarceration without any. criminal charge for some mentally ill people -. he protects his own minority, but does nothing for the other minorities in todays society), and. this continuing bias forms a central cause for the current acts of persecution in the. UK.

Widespread knowledge. of what is happening to the "un-British" minority

In both the German persecution of the thirties and early forties, and. the current British persecution, many, many people are. well aware of whats happening. There is widespread complicity through inaction. of populace; and in a substantial. proportion of the mainstread population, the persecution had/has widespread enthusiastic support; yet. in both the German case. in the 1940s and the British today, the existence of persecution is a mass secret which must be never admitted out loud. In. the recent Lawrence case this "secret bigotry" has. been termed "institutionalised. racism", and that is a very good word for what the British are doing today The persecutory attitudes. and omerta regarding them are. so deeply ingrained in the national psyche that they define the national. mood

During WW2 many Germans. knew minorities were disappearing, and through inaction. quietly condoned their government's mass murder of "un-German" minorities. and inferior "foreigners"; and in the 1990s, similarly, many English people know what the MI5 British. Secret Police have been doing, and. not only condone it, but actively take part, because of xenophobia against the "un-British" unit minority that. is the target of "British" actions.. This attitude by the British persecutors has been made explicit through the. words "he's not up to British standards"; the British seem to have found their very own "untermenschen" to. victimise.

Why these obsessive. "holy wars" happen

This type. of aggression occurs when the majority is threatened or humiliated in some. way, economically, militarily or culturally. In pre-WW2 Germany the threat was primarily economic and military,. following Germany's humiliating defeat in. the first world war and the reparations it was forced to pay. In modern. Britain, one might guess that the majority English who are behind the. persecution feel pressured by the swiftly diminishing status of Britain in the. world, and the rapidly increasing coloured colonisation of their country, which in time will. see the ethnic English a minority in their. own land, and their more antisocial elements, unable to reply. to the obvious threat, instead project their aggression onto another, weaker, unit. minority

In. both cases there is a whiff of "holy war" or irrational obsession with the persecution. Certainly the German behaviour. fifty years ago bordered on the not-quite-sane, and the current British behaviour towards. their chosen victim is strongly tinged with a leave-taking of. reason. And the choices open to the victims are the same, since MI5 will. never allow me to escape them, "if he tries to run away we'll find him", just like. the commandant of Auschwitz telling the new arrivals,. "the only escape is through the. chimney".

The Victim Will. Destroy Us if We Dont Destroy Him First

The persecutors propaganda is the same. Fifty years ago. the Germans said, "if we don't do it to the Jews then the Jews will do. it to us"; and MI5's propaganda in the early nineties concentrated on their. victim as a "monster" aesome. "untermenschen" minority.

"We are. decent fellows" say the Brutal Persecutors

During the course of researching this article I read part of. the very interesting book,. "Hitler - A Study in Tyranny", by Alan Bullock. This volume contains. a quote from Himmler on the "Final Solution";

"Most of you know what it means when a hundred corpses are lying side. by side, or five. hundred or one thousand. To have stuck it out, and at the same time .... to. have remained decent fellows, that is what has made us hard. This is a page of glory. in our history which has never been written and is never to. be written."

In the MI5 persecution, too, there is a thread of deliberate. brutality to the sick and vulnerable,. while the persecutors maintain that "we are decent fellows". There is almost a conscious schizophrenia in. the self-attitudes of the Security Service operatives and those in the. public who they employ against me, which reflects. the contradiction evident in the German attitude above. On the one hand, they stoop. to the lowest and most base behaviour;. yet at the same time, the MI5 operatives tell themselves that since they are civilised British people, then surely. they must by definition be "decent fellows". Any indecency is made the. fault of the victim; "hes making. us persecute him, so we need feel no guilt".

Yet the conduct is atypical of the way these. peoples see their normal modes of behaviour. Befslaughter was. not typical of normal German behaviour up to that point. Similarly, the current MI5. abuse goes against the grain of British self-image as being "reserved" and "decent",. since they. are using terms of abuse which are common among blacks and other supposedly less-developed. races, but not among the English.

Conclusion

The. ultimate aim of both persecutions is the humiliation and physical extinction of the persecuted group. The Germans did this in a very. direct way; the British Secret Police MI5 are acting indirectly and. relying on self-extinction of. their target, because in peacetime and in the current somewhat false climate of "political correctness". more direct methods are impossible. If MI5 undertook more. direct action the mass "omerta" would be broken.

I have. written this article with sincerity to show how a historically recent persecution in another. country parallels what is being done in this country today. In both cases, the evil-doers are of. their countries establishments, and rely on widespread. tacit support to maintain the persecution. and omerta around it. While the holocaust was undoubtedly the greater evil, it is important to. be aware of the fact that had the Germans not been defeated. fifty years ago, their plans would have gone through to total completion. In Britain today no force threatens the. "permanent government". of which the Security Service forms a part; and it looks very unlikely that. the wrongs perpetrated by the MI5 secret police will ever be revealed to public view, and the British. secret state brought to justice for its. evil actions.

Four Years. of "MI5 Persecution" Posts on Internet Newsgroups

For approximately the first. three years of the MI5 persecution, from June 1990. until late 1992, I kept as quiet as possible, in the hope that by not reacting,. MI5s interest in me would decrease and they would simply go away of their own accord. This is. the sort of behaviour some people employ against bullies; if the. bullies arent getting a reaction, then they might simply go away and. victimize someone else.

Unfortunately, this tactic didnt work. The quieter. I became, the more shrill and hysterical the. noise from the Security Service operatives. For about two years I didnt watch TV news at all. Yet this. only heightened their. obsessed fixation; they continued to follow me wherever I went, they continued to induce harassment at. work by managers and fellow workers, and they continued. to encourage me to commit suicide. They seemed to regard my refusal to react as a crime which they would. have to "put right" by ever more extreme forms of. abuse.

Finally,. in 1995, I changed tactics radically. Since late 1994 I had had accounts with internet. providers in Ontario, Canada. I discovered the cornucopia of internet newsgroups, on every topic. from consumer electronics, to politics and legal topics, and. I discovered online services such as Compuserve and AOL. In May. 1995, I made the first posting to the conspiracy newsgroup, on the. subject of "BBCs Hidden Shame".

BBC's. Hidden Shame

The internet. newsgroup discussion, which has now reached its fourth anniversary, started with an article. in alt.conspiracy, which I reproduce here.

Date: Thu May 4 18:27:24. 1995
Newsgroups:. alt.conspiracy
Subject: BBC's Hidden. Shame

Remember. the two-way televisions in George Orwell's 1984? The ones which watched you back? Which you could never get rid of, only the sound could be turned. down?

Well the country which brought Orwell into the world has made his nightmare. follow into the world after him. Since 1990. the British have been waging war against one of their own. citizens using surveillance to invade privacy and a campaign of abuse in the transmitted media. in their efforts to humiliate their "victim".

And the most remarkable thing about it. is that what they do is not even illegal - the UK has no laws to protect the. privacy of its citizens, nor does it proscribe harassment

or abuse except in the. case of racial abuse.

A lot of people. in England know this to be going on, yet so far they have maintained perfect "omerta";. not a sound, not a squeak has escaped into the English press, and for all the covert harassment absolutely nothing has come. out into the public domain.

Have the British gone mad? I think. we should be told

At this point, I did not name MI5 as my persecutors. I was still. unsure that they were. the ones responsible for the "psychological terrorism". In followup. posts however I did name them; and the persecutors have never denied the claim; so I. think my guess is valid. (The Security Service Tribunal in 1997 have said "no determination in your favour. was made", but it is a well established fact that. MI5 lies routinely to the Tribunal which has never found in favour of a plaintiff, so no conclusions. can be drawn. from this.)

This first post was made to. alt.conspiracy, but further posts were made to the UK-local newsgroups, in. particular uk.misc but also uk.legal and uk.politics (which is now called uk.politics.misc).. Some time ago I tried to take the battle to the Compuserve. forums, UKPOLITICS (which is now called UKCURRENT - current. affairs), but my articles were censored by the forum operators. Such censorship is impossible on the. internet newsgroups.

Police Refuse. to Act

I have complained several times to the Metropolitan Police, who. have each time refused to. help.

>an officer about the. harassment against me. But I couldn't provide tangible
>evidence; what people said,. in many cases years ago, is beyond proof, and
>without something to support my. statements I cannot expect a police officer to
>take the. complaint seriously.

This in itself. dos not suggest that the police have it in for you. The old bill operates on extremely tight spending limits forced on them by that pillock. Michael Howard, and without evidence,. they often have higher priorities than chasing something that cannot. go to court.

I doubt that the police are actually being leant on, but. they probably realise that if they looked into this, they would be leant on. hard. The met always stays away from anything. that looks like it has Defence, Security or secret service interest already, because they realise that they are below these government agencies. in the general

pecking. order.

If I walked into my local nick and complained that MI5 were. snooping on me, they would show me the door without even looking at my evidence, because. that bored desk seargant with only five years. to go before he retires doesn't want to start fucking about with somebody who has incurred the wrath of Stella Rimington. He. would rather deal with the lost dogs and driving licence producers, eat his cheese and pickle sandwiches. and piss off home at the end of his. shift than have some high ranking spook having a go at his boss and getting. him a bollocking.

In. short, you have earned much sympathy but little surprise. Just remember that saying about the. enemy of your enemies.

Most recently, I wrote in March 1999 to Charing Cross Police. Station CID. They did not acknowledge or reply. to my letter. When I phoned them up, the detective Id written. to treated me to a sadly not unusual display of police bigotry, with an uneducated rant about "your paranoid. rubbish".

It would be nice to think that such uneducated bigotry is. something other than wholly typical of police behaviour, but unfortunately that is. an illusion that is. rapidly dispelled.

Uncorruptible Jon Snow of Channel Four. News

From previous articles the reader. will know what I think Jon Snow has recently been watching me while. he reads Channel Four News in the evening. Recently I digitized a. few moments of one such broadcast, where his face twists into a smile, without there. being anything in the news broadcast to cause merriment. Here is a usenet post from some time. ago on MI5s "bought and paid. for" tools in the so-called "free" press.

Peter Harding (harding@ermine.ox.ac.uk). wrote:

: "BBC, MI5,. same thing."

Can't disagree with that. sentiment.

Wasn't it documented that MI5 sometimes "bought" journalists and. broadcasters?
I remember. reading a report by some jouralist who had been offered an extra tax-free income by MI5 to become their. covert mouthpiece, and had refused.
.....
> : >mouthpiece,. and had refused.

It has been reported several times. The most. recent was in Private Eye, a few months back. As I recall they also. wanted information from him; journalists would be a natural choice for. members of the Security Service and the Secret. Intelligence Service for information sources.

> It might be interesting to see what he had. to say regarding their
>. attempt to recruit him.

He was most concerned. that many others would have accepted such an
offer. However, we can probably make an. educated guess as to some of
those who accepted: Nigel. West (Rupert Allason, MP) and Chapman Pincher
would come near to the. top of the list.

Corrupt Security Service agents. steal millions from taxpayers

Money is of course a factor in the. grand equation which is the MI5
persecution. It costs money for the Security Service to "buy". people in
the media etc. But that is only a small part of their. expenditure of
taxpayers resources. Most of the expenditure is. directly on the salaries
if the agents involved; and in this post I put forward the. theory that MI5
are trying to draw out their involvement for as. long as possible, very
cynically,. to maximise their income and line their own pockets.

At each stage they have tried to pretend. that I am something out of the ordinary.
Either I was very stupid ("he's an idiot") or very clever ("he's like a. genius").
Either I was a threat to Western civilization (Levin once. referred to me as the next
Hitler) or I was completely defenceless. ("a soft toy").

Now, it should be obvious to any person with common-sense that. I am not out of the
ordinary in any way. I have. an IQ which is average for the Web, I am racially white
European, and there are plenty of. other people with schizophrenia or epilepsy out there
who haven't been targeted for MI5 attention, so. why me?

I think the answer is that the MI5 agents who harass me have cynically. exploited the
situation by painting me as extraordinary in order. to assure themselves of well-paid
employment funded by the ordinary. British taxpayer. To put it bluntly, they are
stealing millions of pounds from the taxpayer to feed their. own pockets.

This assertion is supported by the observation that it's the same. agents who are doing
the. harassment. Six months ago in a local hospital I was harassed by someone whose face
I. had seen (he had stared straight at me aggressively, at the time I just thought it
was some nutter but it turns. out he was one of "them") aboard a KLM flight a couple of
years ago.. It's presumably been the same people most of the time. I've seen the way
contractors act when they don't want their positions terminated. Would these. agents
really want to lose their. well-paid employment harassing me? Presumably they are
promising their bosses a "breakthrough" (ie. my demise) real-soon-now and have been for
the last seven. years, while all the while these MI5 agents skim millions
off the. taxpayer.

I wouldn't mind a job. like that. Perhaps if I persecute myself a little bit, like standing in front of a mirror and shouting mindless obscenities, do you reckon I'd. get a slice of. the caky Service Tribunal. This year Nick Brooks, current Tribunal Secretary, confirmed to me that he could. not think of a single case where the Tribunal had found. in favour of a complainant. Here is my usenet post from. two years ago.

Subject: MI5: "It. wasn't us"
Newsgroups:. uk.misc,uk.legal
Organization:. Toronto Free-Net

"The Security. Service Tribunal have now investigated your complaint and have asked. me to inform you that no determination in your favour has been made on your. complaint."

Signed. ER Wilson, Tribunal Secretary

Well that's a relief then.. All that spamming for nothing eh. Gaw blimey, if they say they're not doing it then. it can't be them, can it?

In a recent letter to Mr. Brooks I expressed the opinion that the Tribunal were unable to fulfil their responsibilities in. the face of MI5 falsehoods. Nevertheless,. I do intend to make another complaint to the Tribunal in the near future, despite the Tribunal. appearing to be a toothless. watchdog.

Discrimination. against a Unit Minority

MI5 have been very clear in their instructions as to. what I should do. They have openly shouted. at me the word "suicide", and also from the other abuse it is clear that. they want my existence terminated.

This point is covered in. more detail in a previous article. The following post describes the xenophobic. nature of MI5s campaign against me. They have refined their bigotry down to. a unit minority, yet they make use of the discrimination against the mentally. ill which is a feature of current British. society.

I don't have florid symptoms. But. I'm in a difficult situation, because those people who don't know, aren't going to believe, and. those who do, they just go along with the crowd.. It's never a good idea to go against the grain, and the grain here is defined by interests in the establishment. and the media. Even people who could say out loud what. was happening won't, because then there's a

risk that they'll be seen as traitors. and ostracised.

Usually this type of 'hidden abuse' is racial. and targetted at a racial minority within a country. You keep the minorities out of. the good jobs, but you don't admit discrimination exists. It happens everywhere, not just. in Britain.. The persecution that is going on now is in reality a refined form of racism. Instead of "nigger" it's "nutter", and abusing the. mentally ill is still socially acceptable today. In 50 years it might not be, but today. there isn't any social or legal sanction against. it.

So really they've. refined racial harassment down to a minority of one. The words may be different, but the methods are. the same.

Ass holes like that are a dime a dozen. He doesn't bother me. I had a radio with an issue - and "no" schematic. I hate wasting time on stuff without one. Further - I'm not into "mods" - therefore I am not up on all those tricks/circuits used. Even further - the issues with the radio were due to a "screwed" up attempt to modify it. So the golden fingers/screwdriver wasn't mine. I had gotten away from CB for a long while - into other areas - so I'm also reacquainting my mind with them. When I was "really" into CB repairs - Mods weren't quite the thing - yet. Around here - CB has almost died. Aside from the truckers on the interstate a few miles away and those at the local plant - the locals are few and far in between as opposed to years ago. The radio is virtually DEAD - here.

You're right, his business approach "sucks". I wouldn't buy that garbage if I was given a buy one - get one free.

Vinnie,

"Thank you" for trying to help! Yes, in my research - I found D11 was the one that "should" have been cut/pulled. D8 - was indeed removed purposely - looking at the solder joints - with the one "partial" leg still there. Also, I found a mod calling for a "jumper to be placed across D8". So - I'm not sure if the person thought just pulling it would help! I can't read minds.

As I alluded to in follow up posts, this was a failed attempt to modify. Once I realized D8 wasn't the one they wanted, replacing D8 restored Tx. Then there was the talk back resistor put in. I just wasn't sure if the failed Tx and "talk back" were both linked to a "defect". Without the schematic, I "didn't" trace it manually and therefore wasn't sure what D8 was for - I hadn't focused any attention yet on the "jacks" where the talk back resistor was. My main concern was with restoring the transmit. I went on to check - before replacing the diode - to see if any other pitfalls awaited me. There were none. If I had googled the Mods for this "first" - I would have figured it out without posting here. But I was also looking for the schematic as well, and thought someone here could help out or at least

give some guidance as to some parts.

Well - Kudos to you and Jay for "polite" responses. Thanks for the help and support.

So, some of the dozens of Email addresses you post with are real? Nope,
then at least 2/3rds of your posts are fake.

No, I only have those couple of posts where you claim "YOUR" house was
burned
down intentionally, I have not seen "many times". If you can, direct me to
which
post it was, that way I don't have to scour tens of thousands of you're

such a statement. Otherwise, one must believe you are not telling the truth
since
you can not collaborate with some sort of evidence.

> Was it from someone on Rec. radio groups?

some that received a letter from someone on the rec radio group

???? What does that have to do with the claim "your" house was burnt down due
to a hate crime? Making the suggestion it was someone from the Rec.radio
groups.

You know, you're right. I can't expect someone to understand any religion
other than theirs. By the way, your post is fake, email address is not real.

You've got the nerve to spew your complaint about a post like that after
all of the filth in the radio usenet groups? You must be as dense as kb9rqz.

It's not off topic, it's radio related. How in the hell is it interfering
with you?

I am working ona couple restore projects. One is a tube radio, and I was never trained on tubes. The other is a TRC-457, which looks hacked. I have determined that is a bad final, but I think I have to undo the channel mods. They don't look very good.

Hey Gomer, the guy/girl you are responding to is a known headcase that
likes to think he/she is relevant. It has been kf'd by many here and
will change its nic quite often to avoid the filters. Best to ignore

him/her if you dont want to end up in peoples kf by responding. HTH.

Hacks aside - I LOVE and sometimes miss having worked on CBs. I cut my teeth
on the Tube sets. But being CB died - here - had to move on to something
more profitable.

I have a Lafayette Comstat 25A - that has been a "back burner" project for some time. It was my mom's radio. Her Brothers's and so on - got her into CB. Am looking forward to restoring it. I found one for parts locally, so maybe now is a good of time as any to restore it. I used to love the "tube" audio. On a cold winter night, between the audio and the glow - it was such a good feeling.

I love the Internet being - well - at my age - and not being into the "Mods" - I can research them online OR pick up some info on CBs I might have forgotten. Be it for profit or not - love working with electronics. But as I said - when "repairing" - I "hate" not having a schematic. That is like a major pain in the ass.

My thanks and best wishes to all the "good" guys and girls on here - for a wonderful - safe - Happy New Year.

I just saw the new movie "Alien vs. Predator Requiem". During one scene a group breaks in to a hardware store to get some guns and there sitting on the counter was a nice Icom 756 Pro, with a huge Icom poster for it clearly in view behind it on the wall. What I missed was the frequency they dialed in to talk to the locate National Guard unit. Anybody else notice what it was?

Also in the latest "Die Hard" movie it looked like the radio used in the police car seemed to be a single or dual band Ham rig, maybe a Kenwood 2m/70cm radio. The view was rather short on the several occasions I saw it and couldn't make out the model or the frequency dialed into it. I suspect it's a Kenwood due to the yellow/orange back lighting.

The radio is tuned to 144.33, which struck me as odd, as neither the
NYPD, the DC PD, nor the FBI should be utilizing that frequency, given
that the Amateur Radio Service has primary use of the 2 meter band.

I think the radio was an ADI mobile, but it could also have been an
Alinco.

Hey radiosrfunwhenuhackem.
Doesn't change a thing... lol
You're still a "hack" that is up for the Golden Screwdriver award. The
only difference is that we may have to give the 2007 award... instead
of the 2008.

I am right, evidence is in the Google archives. You are calling my posts
fake because I have an email addy that can't be reached, but by your very
own posts you do the same thing FAKE!! or is flake?

Well how about this one, it shows my name and a valid email. So if you would like to communicate via email, feel free (at least you can email me, when I've sent emails to you, they bounce back).

Hello Leland.

There have been amateur radio transceivers in the other three Die Hard
movies.
I can't remember the make - probably Icom or Kenwood handheld in DH1 and
DH2. DH3 had an FT101 on a tug.

Wonder what caused the amateur radio influence?

I don't know either. I didn't notice the other Ham rigs in the earlier Die
Hard movies. I'll have to look for them the next time I see one of the
reruns on TV or cable.

That's a valid point. There was a very interesting discussion on RRAP some years back about cops using modified Ham HT's when off duty and also when on stake-outs. I remember seeing a Royal Oak cop sitting at a table in a restaurant along Woodward some years back with what was clearly a FT-50 HT on the table top. The usual brick sized Motorola hip-rig was nowhere in sight.

It was far more on topic than your delusional statements.

Sure about that? You admit that you are trolling and changing subject
headers
to suit you're own agenda of spamming the newsgroups:

> Why in goods name did you change the subject header?

why not? it was Off topic and interfered with me

> This was not even remotely derogatory towards anyone,

becuase it suited my effort to do so

what more explanation do I need

I suggest people that even remotely care should copy that thread and send it
to his
ISP & newserver and show them he's admitting to spamming.

I think I will use Mark's screen names to post comments to the numerous Islamic news groups. I'll flood them like he does here. Then I'll post his call sign just to give the Muslims a means to find him and, if we're lucky, maybe they will pay him a social visit.
Flood on, Markie. Oh, and I'll be sure to include links to Mark's blogs so they can see that he claims to be a Jew, too. They'll LOVE that!

I am sure Brian's ways are a little different, but still you guys have never shown any documented measured proof that Voice Max will over modulate or splatter. I believe most any radio can be adjusted to over modulate and then splatter.

Where's the beef? You need to show us a measured RF Envelope showing before and after, while following assembly and installation instructions.

I have adjusted AM and SSB radios to have not so linear RF Envelope and sound great. Using processors and such. While watching a o-scope and listening to the transmitted signal from a significantly attenuated input signal I was able to get quit a feel for the processed signal. I used a Diawa 440 speech processor.

This thing worked great as I could mix the attenuated transmitted signal in with skip signals and seeing if the processor gave any signal punch, it did.

Jay, absolutely right... you can adjust any audio device on a radio improperly... and over-modulate. The VoiceMax module is no different. It's only as good as the person that installs and adjusts it. However, when properly adjusted... VoiceMax will maintain your RF envelope at the 100% AM modulation point, regardless of different voice pitches or volume levels. Additional technical skills are required for proper radio adjustments for FM and SSB modes. There are currently about 80 VoiceMax modules in operation (66 in US, 5 in Italy, 2 in Spain, 3 in UK, 3 in Autrailia, 1 in Holland) at this time without a single reported problem or complaint. Glad to see there is at least one person out there on this NG that understands the benefits of a good processor for two-way radio. It makes all the difference in the world.
Have a good new year...

I've already tried complaints to the HughesNet abuse accounts (there are several) to no avail. I'm willing to try again, although I do think that email abuse accounts often turn out to be hopeless black holes tended by the least important persons in the organization.

For that reason, if I try again, I'll print out Mr. Morgan's spews with full headers and send them as surface mail to HughesNet, and I'll do that every week for a month, postage be damned. Bypassing the 'droids at the email abuse accounts may turn out to be more effective. All I want is two other people to agree to do the same, and I'll get started ASAP.

Naturally, my real name and address will be on the envelopes of complaint, and I'll also include a letter of explanation. My surface mail will be sent to

Hughes Network Systems
11717 Exploration Lane
Germantown, MD 20876
Attention: Customer Relations

and I'll cite the HughesNet acceptable use policy, paragraphs 2.1 and 2.2, published at http://tinyurl.com/2o7ppq as the authority for my letter of complaint. Specifically, paragraph 2.2 states that a customer is forbidden "... (f) to bombard individuals or newsgroups with uninvited communications, data or information, or other similar activities ..." and Mr. Morgan has been in flagrant violation of that section for years.

Any takers?

Scott... good question. The answer is yes... but with some conditions.
My feeling is that you were looking to disconnect the scanners
speaker... and insert such a device between that connection and the
speaker. I hope that is a correct assumption. The problem is that the
VoiceMax module has been designed to drive an impedance of around 1K
or higher. So in order to use VoiceMax in that application... you
would have to add perhaps a small audio amplifier (op-amp or single
transistor) connected right after VoiceMax to drive your lower
impedance speaker load. Hope that helps.

Actually, I would tap into the volume control by cutting traces.
I intend to work with the line-level signals.

Scott,
OK... that's better yet. Then the only thing that would be considered is the level of that "line" signal. VoiceMax is designed to work with input signals between 50-300mV (a typical dynamic mic output level). VoiceMax output can be adjusted to rock-solid limit at levels between 100-500mV. That would mean that if the output was adjusted to say 200mV... that any input signal (above the adjusted noise gate threshold) would be rock-solid at 200mV with less than 1% THD.

Brian. Put it in a box that can be powered up with a 9V battery. Use a standard
Cobra 4 pin, in and out. You'll sell a shitload more of these.

Yes, Mark displayed no small amount of cruelty when he wrote of Steve's daughter.
On March 4th, 2007 Mark posted:
"what attack ? after all he claims he is not attacking me or my family when he posts lies about me where is the attack in posting the truth that he sired a defective daughter and failed to prevent her worthless existance in the womb at least these things are true if Stve is telling the truth about her on his websie"

If ever there was any worthless "thing" that was expelled from a womb, man or beast, it is Mark Morgan.

How do you figure it isn't?
Oh, wait.
You are the "victum"
You are the immature crybaby here.

It is your lie but no matter how often you tell it, nobody buy you will believe it.

so what steve put it out there are beged for it to used against him

Steve posted a heartfelt and sad love story about his poor daughter and how
he held her as she took her last breath as he held her in his arms.
He "beged" for nothing! He certainly did not deserve your cheap and tawdry
cruelty.

You reached the bottom of the barrel on that one, Morkins.

no dloyd nad according to you anything that can found is fair game I
simply did to him as he did to me an others

fair is fair dloyd
///

But when Dloyd discovered and posted your public wedding wish list to
Usenet, you went on a weeks-long tirade accusing Dloyd of theft. You were
quite obviously beside yourself with anger.
I wonder if Steve felt as violated as you after you attacked his innocent
daughter?
Dloyd did to you as you did to others.

To quote you, fair is fair, Mark.

according you anything posted is fair game I just used your rules
aginst you

Show me where or when I said such. As Roger would say, post proof or
(expeletives deleted).
I have never condoned cold-hearted cruelty.
I have thrown the gauntlet at your feet. Find and post proof that I ever
said such a thing.

I gave you an answer

it is simple logic that I as the target of your defamiory psoting and
yur efforts to forge my messages have the right of self defense

If this is so, then also can Roger, Dloyd, Delorean and a plethora of other
Hams whom you have accused of "flase" acts defend themselves.
But in your self-centered selfishness, you are incapable of seeing what you
do to others. These groups are all about you, aren't they?

Your dyslexic world is very obviously skewed.

what false accusation have ever made?

Accusing a perfectly innocent bystander of being a child molestor comes to
mind.
And accusing just about everybody under the sun in these groups of being
Dloyd, Steve, Roger or DeLorean comes to mind.
You are quite obviously confused/lying to the point of severe dementia.

you are confused you think you are ME

Oh, to the contrary. Nobody could be so mentally disturbed as to think that
they are you.
Who would wish to be? Don't flatter yourself.

Your current mental state garners no jealousy, Mark. Rather, you elicit no
small amount of pity and many of us actually feel sorry for you and your
aberrant lifestyle.

I "orve" nothing. Whatever that is....

But you simply cannot help yourself, can you? No matter what, you simply
MUST get the last word in, however childish it may be.

You belong on a playground playing tag with fifth-graders, Mark.

3531. Ambassador Heil Is Correct

Newsgroup: rec.radio.cb

When Ambassador Heil aptly described you as a Myna Bird, he hit the proverbial nail on the head.

It irks your sense of self-worth that the very same Mr. Heil that you several times attempted to befriend looked at you as nothing more than a mere newsgroup plague. A freak to be brushed off and summarily ignored. He rebuffed/ignored your weak attempts to concur with his posts and sloughed you off. As a result you felt that Mr Heil was not paying you the respect and recognition you so desperately seek and need, so you, after having your pride hurt, went on the offensive and attacked him.

You will never be able to worm your way into the good graces of others, Mark, especially the Code qualified Hams that you secretly envy.

I, for one, sincerely hope that Ambassador Heil will find success in his quest to get you ousted from Usenet. As can be seen, he has garnered several followers who are like-minded.

Keep up your crosspostings, Mark. You are not winning any friends.

Hello Brian:

What you might want to do is to measure the AF and RF Envelopes for proper adjustment showing the world how its done. Renting a digital scope that can measure the RF Envelope, and AF Voltage can be saved, downloaded, and printed would be a plus. Don't forget to give the "Instrument Settings" what good is any measured data without the Instrument settings? And also a method of how to do without a O-scope. I am sure you all ready have one.

But judging a product from conjecture and apathy won't cut it. I wish I had a dime every time I've heard someone say this or that is no good, not having any measured proof. In professional product testing if you

don't have any data to support or disprove a product, you go no where.
I would make the measured displays pretty.

Second recommendation:
Switch personality from unfriendly to friendly, this works much better.

These suggestions are free. My usually fee is 50 dollars and hour. Yes I am expensive, but good! (Oh brother!)

Jay in the Mojave

Vinny, that may be your idea of a speech processor... but it's not
ours. We went through great pains to design a tiny module that would
fit inside any radio... and become totally transparent to the user.
You see... for a speech processor to be effective, it must be
individually set up with the radio that it will be used on. This
almost always requires some internal radio adjustments by a competent
technician. With an external processor just hung on a radio... it's
almost guaranteed that you will not be getting the full potential out
of the processor. A set-up like that may even have a negative impact
on performance. As far as selling a "shit load" more as you put it. We
are not concerned with quanity... however, we are concerned with
performance & quality. The technically advanced people we sell these
units to... certainly understand this.

Yes. Follow Dave Heil's suggestion and start complaining to Hughesnet. If enough of us complain, Hughesnet will eventually be forced to do something about the 'tard. One possiblity is abuse@hns.com; others are listed at http://stopkb9rqz.blogspot.com - a blog which will grow and contain stats of Mark's abuse, plus the relevant portions of Hughesnet's Acceptable Use Policy as published at http://tinyurl.com/2o7ppq.

That way, Mark can't flood the info off your news server, as he must have done with the previous posts by Dave Heil and myself.

If other people decide to join in the effort, then I'll be sending regular surface mails of complaint to Hughes, as well as filling their abuse account's email box. I'll also be on the phone to them in an attempt to put a stop to this crap.

If no one else joins in, then I'll take down the blog and make no further efforts to pump out this cesspool. Mark and his mini-Marks can have it all to themselves.

How was it private? It was on a pubically accessibile web site
without any safeguards at all that Google found through a simple
search. If you wanted it private you should have kept it on a PRIVATE
site. It was not private, it you wanted it to stay private you should
have secured it. Your stupidity my fun.

There once was a beautiful lass,
Who had a most wonderful ass.
Not rounded and pink
As you probably think,
It was grey, had long ears and ate grass.

MI5. Persecution: Molestation during Travel

MI5s persecution of me varies in intensity. Since 1990 it. has been steady for perhaps 80% of the. time; there was a notable quiet period in 1993, and another quiet period in. Jan-Feb 1995, as well as a hiatus in the first two months of 1999. It. puzzles me that they cease and restart, seemingly without any logic or reason. But. one aspect of MI5s activities against me which is relatively predictable is. this weeks articles topic, which is Molestation during Travel. Almost every time I cross the. Atlantic, go to the Continent or even try. to enjoy a holiday in this country, you can bet that MI5 will. be there doing their utmost to wreck it all.

This. aspect of the harassment is particularly relevant as I will be travelling to Europe again. in a months time, with naturally the Minidisc recorder in tow; so it will be interesting to. see if I can record the abuse which will almost certainly take place, either on the. Tube going to the airport, at the airport, on the flight, in. the terminal building - MI5 have previously. instituted instances of abuse at each of these locations, so well. see how much taxpayers money they waste this time, and whether it will prove. possible to capture their abuse on minidisc.

Read about the MI5 Persecution. on the Web

June 1992 in Polands mountain resort. of Zakopane

The persecution started. in June 1990, and for the first two years I stayed in the UK apart from a couple of brief day. trips to Calais. By the summer of 1992 Id had enough of being cooped up in England with. abusive fellow employees egged on by an abusive secret. police service, and decided to spend. 10 days in southern Poland, on what was intended to be a holiday at the mountain resort town. of Zakopane.

Unfortunately the psychopaths of the Security Service were not. willing to allow me to enjoy a holiday in. peace and quiet. The journey to Zakopane was by coach from the meeting point at Londons Victoria coach. station (National Express) followed. by ferry followed by another coach across Europe. As we left Victoria a youth. and his girlfriend started a loud tirade of abuse directed at "this bloke", where the "bloke" was. never named, but it was very clear that the. "bloke" was myself. The youth said "they" had "found somebody from his school, and he was always. really stressed at school, a real psycho".. Again, the label "they" was not elaborated on, but it was. clear that "they" = the persecutors from MI5. The boy. also said, "he was in a bed and breakfast for only one night and they got him". By a not. unexpected coincidence I had been in a B&B in Oxford a week previously, which. had been booked from work; other things

lead me to the. conclusion that the company's offices were bugged for most of. the 2 1/2 years that I was there, so "they" would have known a room in the B&B had been booked. After a few minutes of. this I went back to where they were sitting. and asked where they were travelling. The boy named a village in France, and the girl's giggling suddenly. ceased; presumably it permeated to her brain cell what the purpose of. the boy's abuse was.

It is. now very clear to me that MI5 were trying to have me incarcerated, assaulted or killed on this trip across Europe.. The degree of verbal violence inescapably leads to this conclusion. When we. arrived at our destination,. it became clear that many people, both in our tour group and its guide, and among the ordinary residents of the town, knew there. was a movement under way to "get" me. MI5 employed many people. and significant resources for an action which they knew would only take. a maximum of ten days. A commercial operation would never have felt able to. waste such resources on such an unproductive and. temporary action; only a state-sponsored, taxpayer-funded entity. like the Security Service would be able to be so. wasteful.

To give some examples of. what happened in those ten days; I was walking in some woods outside the town, when. a Polish woman, looking at me, said the English "shit" in. a strongly Polish-accented voice. For the first three years 1990-92 MI5 had. been trying to force this word on me. Another example; I was walking. near my "hotel" when a mother said laughing to her child, "a wiesz ze to prawdziwy wariat" which means "you know hes a. real madman". And the "TV reacting" happened there too; on Polish TV,. a bemused looking journalist said to another, "to jest sprawa. Anglikow", which means "its. the concern of the English", in other words, none of our business, despite what the English. are trying to force down our throats.

Just before we left for home, I went with some others from. our group to a nearby bar. There a man shouted at me the same sexual obscenity which. MI5 have constantly thrown at me these last three years. I think. MI5 try to justify their various terms. of abuse by repeating them at me until I say them, either while conscious or while talking. in my sleep; and then they seize on my saying those words to "prove" that the obscenities are. "my fault", et cetera. This rather stupid reasoning of. theirs can actually be seen as indicative of the psychopathic. condition attributed to them in a previous article; blaming the victim for the crime you inflict on. him is how psychopaths. think.

Nor did the persecutors let up during the return. trip. Returning on the ferry over the channel, a rather insalubrious-looking guy talked to. his mates about "and. you know this bloke, hes really mad you know, hes really mad". On the National Express return coach to London, a group. of five or six young people started shouting at me. I slumped. in my seat and tried to avoid presenting a target, so they. got ever more strident - "whats the matter with you, cant you hear us?" One of the other. people who had been on the trip to Poland asked them why they were shouting at. me, and they said, "hes been to Cambridge", to which the co-holidayer asked them,. "have you been to Cambridge?" presumably thinking they were aggrieved. fellow

students, but they answered "no". Even after I left the coach. at Elephant and Castle abuse. continued; in the tube station, two kids started throwing abuse at me; one of them. said to the other, "and you know he works?" to which the. other answered "yes".

Immediate Aftermath of. November 1992

As you will know from previous articles, my. manager at OCG - ARIS/Oxford, Mr Mitchell, induced a mental breakdown in me in the months leading. up to Nov/92. The diagnosis. was regarded by the persecutors as a victory for them, because few if any people give credence. to allegations of harassment when they are made by somebody suffering from schizophrenia. There. is also a bias against the mentally ill, an "institutionalised bigotry". in society comparable to. the institutionalised racism against blacks.

However, MI5 did not let up on persecuting me. following Nov/92. In December 1992 I flew by charter. jet to Alicante in Spain for two weeks recuperation. MI5 planted one of their people on the. flight, a youth who tried to. start some noises that "hes a nutter". One of the other passengers replied, "oh hes a nutter is. he? oh well!" and the youth shut up and said nothing. for the rest of the flight. I think it would be fair to say that the youth on the. flight was embarrassed by what he had been asked to. do in making the flight "uncomfortable" for me; he sounded defensive. rather than aggressive.

My first trip to Canada in. June 1993

Ive already. covered this in a previous article so Ill just give a brief summary here. On 10 June 1993 I flew British Airways. from Heathrow to Torontos Pearson Airport. On de-planing from the aircraft, one of a. group of four fellow passengers looked at me and said, laughing, "if. he tries to run away well find him". It was quite obvious that these. four men were the ones who had been. harassing me since 1990.

I did nothing to apprehend them or bring. this incident to the attention of the airport authorities, mostly because this was my very first. visit to Canada, and. the last thing I wanted was to get into a dispute before I had even finished disembarking. In. retrospect, I can see this was a terrible mistake; I should have made every effort to detain and identify. these people.

Subsequently I have made numerous. attempts to obtain the names of these people from British Airways passenger lists, by talking to. BA, through a lawyer in Ontario, through a solicitor. in England, through the UK police, and also through private detectives in the. UK. But all my efforts have come to nothing. BA have told me they. keep passenger lists for a period of seven years, so. they will still have the list for this 1993 flight. I did not see or hear anything during the rest. of my visit to Ontario in 1993 which would have lead me to believe that I was being. watched or followed.

Journey across Canada. in summer 1994

As I think Ive already said in previous articles I. emigrated to Canada in late May 1994. For. six weeks between late May 1994 and early July 1994 I travelled across Canada from coast to coast, starting in. Toronto, visiting various cities and ending up in British Columbia. I saw this both. as something of a holiday, and the chance to get. to know a little better my adopted. country.

As you can guess, MI5 followed me everywhere I went during. these six weeks. In Toronto,. where I started this trip in late May, I was spoken about by one youth to another with the words "hes an. idiot", to which the other replied, laughing sympathetically, "good. luck to him".

A couple. of days later I went to Montreal and stayed at the YMCA downtown. As you can guess (this is all. so predictable, isnt it?) MI5 followed me there and bugged my room at the YMCA. Not. only that, but they managed to set-up an instance of "newscaster reaction" from a. local television station; while I was watching. a Vermont TV news programme on the set in my room, the woman reporter said, "well. theyre just tired and they want to go home",. which sounds like a pretty unprofessional thing to say until. you realise she was trying to say of me that I was the one that was supposed to be tired, and they. (ie MI5) wanted me to go home to the UK.

On the bus journey. across the North American continent, it was quite clear that MI5 were following me every step. on the way. For the first part of the journey they actually put someone on the bus with me, a youth who. said at me "that guys paranoid" and tried. to incite other passengers to attack me. I stopped for a couple. of days in Winnipeg in central Canada, and on leaving the town heard on. the radio a female presenter ranting about "insanity! insanity!". It is very tiring travelling such a long. distance by bus; I took the journey in two steps, each of about 36 hours; and. it is especially tiring when you know MI5 are watching. you and harassing you every. step of the way.

When I finally got to. Vancouver, MI5 instituted the usual harassment, in very short order. I was surprised how quickly they were able. to induce hatred towards me in elements of the general. populace; the Security Service. must have employed a number of agents and serious resources in a very short period of time; and. for no real gain, because I havent been back to BC for almost five years, so all their "work". appears to be for nothing. In downtown Vancouver a street person said in front of. me, "theyre all talking about him". For a few days I was staying at. Pauls Guest House (345 W.14th Ave); on the day. I left, the owner Paul shouted at no-one in particular, "hes going to. Victoria" - which was quite accurate, I was. indeed going to the provincial capital Victoria on Vancouver Island. But I had not told anyone. at the guest house where I was going; I had only mentioned to my parents back in England on. the phone that I was going away. from Vancouver for a few days. Which leads me to suppose that MI5s bugging. of the phone in my parents house yielded the "intelligence" that I intended to. visit Victoria, and they had passed the information on. to Paul.

When I got to Victoria it was. again obvious that the persecutors were "doing their stuff" there as well. On the. street I was identified as being English,. although I had not said anything so my accent hadnt given me away; and returning by ferry to the mainland, I was abused. by a Canadian woman. who said, "hes a nutter! you can run but you cant hide". During my years in Canada I have never heard the. word "nutter" on any other occasion; I do not think it is part of. Canadians vocabulary; so the Canadian woman. on the ferry, who was obviously talking about me, must have been supplied with. this word by the English persecutors. And once I got back to Vancouver, staying at the Austin Hotel on Granville St, I. listened to a conversation in the. apartment block directly opposite, and a man saying, "hes paranoid, so thats as. bad as it can be, so why are they doing this. to him?".

Holiday in the States, August. 1995

By 1995 I was living in Canada,. and in August I went down the eastern seaboard to Florida and as far as Key West by car. As you can. guess (this is all so boring and predictable, isnt it?) MI5 followed me every. step of the way. I can see in retrospect that this must. have been quite easy for them as they had my car bugged, both on the inside to listen. to anything that was said and what radio station I was listening to, as. well as what must. have been a tracker device installed to track it across long distances.

The first city I visited was Philadelphia. In. the old Congress Hall where the first US Congress assembled, the woman guide. started referring to my situation, saying that. "all these people in Europe were watching it", and they were. "a little paranoid" at this 18th-century experiment in democracy. Also I. had recently written a newsgroup post where Id described a (female). poster as "wet-nosed" (implying "canine"), and a young girl in Philadelphia remarked, "so he thinks were dogs?" There. were two or three more incidents during. this holiday in the eastern States, including a radio station down near Miami, showing "they" had tracked me all the. way there, and were bugging the inside of my car; but. I didnt record the details and Ive. forgotten some of it now. Also down in Miami Beach a French tourist in a lift expressed support for me with the. words, "cest incroyable" ie. its incredible,. meaning that MI5s well-known actions against. me were beyond belief.

To go back a bit, in about May/June 1995 Id visited New York, again. by car, and was insulted several times by people using the same. words that had been used against me. in England. In Central Park, and elderly Englishman (not a real gentleman. - but then the Engish view of themselves as "gentlemen" etc is quite laughable). looked at me and said "idiot". And while I was eating in a streetside restaurant a New York. youth started laughing and said something. like, "I cant believe it, hes actually here" - I think that was because I had had an expressed. wish to visit New York for some years before this, although after. this visit I wont be going there again for. a very long time.

Visit to Poland December. 1995/January 1996

In December 1995 I flew (BA again, unfortunately - every time. Ive flown BA one of. these incidents has happened, presumably MI5 is happier setting up harassment on British-domiciled. carrier) from Montreal to Berlin and travelled on to Poland to. visit family. MI5 naturally harassed me in Poland during my brief stay.. They followed me around and got Polish people to take part in the harassment. In. one case two Polish youths talked in front of me saying in English (with marked Polish accents), "fucked. up men, fuck you". There. were also other incidents which I dont remember too clearly. since it was some time ago.

The return flight connected. through Heathrow, and in the transit lounge MI5 again set-up. harassment against me. In Poland they were talking their abuse in English, and in London. they set Polish people after me to speak in Polish; they heard me on the phone to my father, and said "a wiesz. ze to Polski. wariat", in an almost sympathetic, inclusive fashion (translation. "you know hes a Polish. nutter"). Once on the flight to Montreal I was again set upon by two English youths,. one of whom spoke and the other listened. The. aggressive "fat bastard" youth said, "if he wants to be a wanker" (its my fault theyre harassing. me, you see), self-justification that "hes a nutter" (so we. have to keep on abusing him, because hes ill), as well as talking about. the town in Poland where I had been staying. He also said, "he. doesnt know who we are", but as already remarked. in a previous article, that was at best a half-denial of my guess expressed in internet. newsgroups that the people after me were MI5 - if anything its a half-confirmation rather than. a half-denial.

These incidents are still going on. You can hear. digitised audio files of abuse on a BA flight to. Berlin in 1998 on the Web at address

On this flight they were again attacking my mental health;. "paranoid, hes paranoid" and "nutter" are discernable. The. last "during travel" contact was at Ottawa Airport. on 21 July 1998, when "Alan Holdsworth" the psychopath MI5 agent, dressed as a vagrant, was pacing aggressively. in the departure area. In three weeks I will. again be travelling to Europe; we will see what fresh acts of molestation MI5. perpetrate during this trip.

MI5 are Afraid to Admit They're. Behind the Persecution

MI5. have issued a formal denial of any involvement in my life to the Security Service. Tribunal, as you might expect them to; but, more importantly, the persecutors have never denied that theyre from. the Security Service, despite several years of accusations from my corner. on usenet and in faxed articles. I am. not surprised that the Security Service Tribunal found "no determination in your favour". I. am however a little surprised that the persecutors have refused to. confirm my identification of them;. by doing so, they implicitly admit that my guess was right.

"No determination. in your favour" says the Security Service Tribunal

In 1997, I made a complaint to the Security Service Tribunal, giving. only the bare outlines of my case. I do not. think it would have made very much difference if Id made a much more. detailed complaint, since the Tribunal has no ability to perform investigatory functions. It can only ask. MI5 if they have an interest in a subject, to which MI5 are. of course free to be "economical with the truth". A couple of months after my complaint. the Tribunal replied. that;

The. Security Service Tribunal have now investigated your complaint and have asked me to inform you that no determination in your favour. has been made. on your complaint.

Needless to. say this reply didnt surprise me in the slightest. It is a well. established fact that the secret service are a den of liars and the Tribunal a. toothless watchdog, so to see them conforming to these stereotypes might be. disappointing but unsurprising.

It is noteworthy that the Tribunal. never gives the plaintiff information on whether the "no determination in your favour" is because MI5. claims to have no interest in him, or whether they. claim their interest is "justified".. In the 1997 report of the Security Service Commissioner he writes that. "The ambiguity of the terms in which the notification of the Tribunals. decision is expressed is intentional", since a less ambiguous answer would indicate to the plaintiff. whether he were indeed under MI5 surveillance. But I note that. the ambiguity also allows MI5 to get away with lying to the. question of their interest in me; they can claim to the Tribunal that they have. no interest, but at a future date, when it becomes clear that they did indeed place me under surveillance and. harassment, they can. claim their interest was "justified" - and the Tribunal will presumably not admit that in their. previous reply MI5 claimed to have no interest.

"He doesnt. know who we are"

In early January 1996 I flew on a. British Airways jet from London to Montreal;. also present on the plane, about three or four rows behind me, were two young men,. one of them fat and voluble, the other silent. It was quite clear that these two had. been planted on the aircraft to "wind me up". The fat youth described the town in Poland where I had. spent Christmas, and. made some unpleasant personal slurs against me. Most interestingly, he said the words, "he. doesnt know who we are".

Now I find this particular form. of words very interesting, because while it is not a clear admission, it is only a half-hearted. attempt at denial of my guess that "they" = "MI5".. Had my guess been wrong, the fat youth would surely have said so more. clearly. What he was trying to do was to half-deny something he knew to be true, and he was limited. to making statements which he knew to be not. false; so he made a lukewarm denial which on the face of it means nothing, but in fact. acts as a confirmation of my guess of. who "they" are.

On one of the other occasions when. I saw the persecutors in person, on the BA flight to Toronto in June 1993, one of. the group of four men said, "if he tries to run away well find him". But the other. three stayed totally quiet and. avoided eye contact. They did so to avoid being apprehended and identified - since. if they were identified, their employers would have been revealed, and it. would become known that it was the secret services who. were behind the persecution.

Why are. MI5 So Afraid to admit their involvement?

If. you think about it, what has been going on in Britain for the last nine years is simply beyond. belief. The British declare themselves to be "decent" by definition, so when they engage in indecent activities. such as the persecution of a mentally ill person, their. decency "because were British" is. still in the forefront of their minds, and a process of mental doublethink kicks in, where their antisocial and. indecent activities are blamed on the. victim "because its his fault were persecuting him", and their self-regard. and self-image of decency remains untarnished. As remarked in another article some time ago, this process is basically. the same as a large number of Germans employed. fifty years ago against Slavic "untermenschen" and the Jewish "threat". - the Germans declared, "Germans are known to be decent and the minorities are at fault for what. we do to them" - so. they were able to retain the view of themselves as being "decent".

Now suppose this entire. episode had happened in some other country. The British have a poor view of the French, so lets say. it had all happened in France. Suppose there was a Frenchman, of non-French extraction, who. was targeted by the. French internal security apparatus, for the dubious amusement of French television newscasters, and. tortured for 9 years with various. sexual and other verbal abuse and taunts of "suicide". Suppose this all came out into the open.. Naturally, the French authorities would try hard to place the blame on. their victim - and in their own country, through the same. state-controlled media which the authorities employ as

instruments of torture, their view might prevail - but. what on earth would people overseas. make of their actions? Where would their "decency" be then?

This is why MI5 are so afraid to admit theyre. behind the persecution. Because if they did admit. responsibility, then they would be admitting that there was an action against me - and if. the truth came out, then the walls would come tumbling down. And if the. persecutors were to admit they were from MI5, then you can be sure. I would report the fact; and the persecutors support would fall away, among the mass media. as well. as among the general public. When I started identifying MI5 as the persecutors in 1995 and. 1996 there was a sharp reduction in media harassment, since people. read my internet newsgroup posts and knew I was telling the truth. The. persecutors cannot deny my claim that theyre MI5, because. then I would report their denial and they would be seen as liars - but they cannot admit it either, as that would. puncture their campaign against me. So they are forced to. maintain a ridiculous silence on the issue of their identity, in. the face of vociferous accusations on internet newsgroups. and faxed articles.

Have MI5 lied to. the Home Secretary?

In. order for the Security Services to bug my home, they would either have needed. a warrant from the Home Secretary, or they might have instituted the. bugging without a warrant. Personally I think it is more likely that they. didnt apply for a warrant - I cannot see any Home Secretary giving MI5 authority to bug a residence to allow television. newscasters to satisfy their rather voyeuristic. needs vis-a-vis one of their audience. But it is possible that the Security. Service presented a warrant in some form before a home. secretary at some point in the last nine years, for telephone tapping or surveillance. of my residence, or interception of postal. service.

So. the possibility presents itself that a Home Secretary might have signed a warrant presented to him based. on MI5 lies. Just as MI5 lie to the Security Service. Tribunal, so they might have lied to a Home Secretray himself. MI5 and MI6 are naturally secretive services former. home secretary. Roy Jenkins said, they have a "secretive atmosphere .... secretive vis-a-vis the government as well as [enemies]". Jenkins also said he "did not form a very high. regard for how they discharged their. duties".

It. was only a few years ago that MI5 was brought into any sot the extraordinary. thing is that British media organisations like the state- and taxpayer-funded BBC. take such an active part in the MI5-inspired campaign of harassment. We. have after all heard of MI5 trying to bribe broadcast journalists; but. surely there must be a substantial number who are not. bought or blackmailed by the Security Services, and who take part in the "abuse by newscasters" of their. own volition? The BBC is supposed to be independent of the government of the day as well as. the Establishment in general. While perhaps it is childish to think. that the BBC is. anything other than effectively state-controlled, the degree of

collusion between. the BBC and the British Secret Police MI5 is something you would not find in many countries. Individual tele-journalists in. other countries would have enough self-esteem not to allow themselves. to be controlled by their secret police. - seemingly, BBC broadcasters like Martyn. Lewis and Nicholas Witchell have such a low opinion of their employing organisation that they see no. wrong in dragging the BBCs no-longer-good name through yet more mud, at the mere. request (whether supported by financial or other inducements) of the British secret. Police, MI5.

And when challenged,. these broadcasters LIE about their involvement, with just as little shame. as MI5 themselves. The BBCs Information dept have said. that;

"I can assure you that the BBC. would never engage in any form of surveillance activity such as you. describe"

which is an out-and-out. lie. Buerk and Lewis have themselves lied to their colleagues in the BBCs Information. department over the "newscaster watching", but unsurprisingly they refuse to put these denials. in writing. Doubtless if the "newscaster watching" ever comes to. light, Buerk and Lewis will then continue to. lie by lying about these denials. So much for the "impartial" BBC, a nest of liars bought and. paid for by the Security. Services!

It is obvious that the persecution is. at the instigation of MI5 themselves - they have read. my post, and only they have the surveillance technology and media/political access. Yet they have lied outright to. the Security Service Tribunal. Similarly, BBC newscasters Michael. Buerk and Martyn Lewis have lied to members of their own organisation.. The continuing harassment indicates they are all petrified of this. business coming out into the open. I will continue to do everything. possible to ensure that their wrongdoing. is exposed.

MI5. Persecution Update: Friday 11 June, 1999

Harassment in. a pub in Clapham, Tuesday lunchtime

Once a month,. or once every other month, I meet a Polish friends of mine who lives in Clapham North, and. sometimes we go to a particular pub near where he lives. The last time was some two months ago; I did not have. my minidisc-walkman with. me, and consequently was seriously harassed by people MI5 had instructed to harass me,. in the pub.

This Tuesday, 8 June 1999, we again went. to the same pub for a pre-meal drink. This time I did have my minidisc-walkman with me. As you can. guess, we were followed into. the pub by a couple of young people (Im getting older. and older - isnt it funny how the MI5 agents all look young these days?). They started talking about my situation, in. particular some travel I. had booked the previous day. Unfortunately, they were talking fairly quietly, and. my minidisc didnt pick up their speech.

MI5s schizophrenic. reasoning is that simultaneously I am very important and worthy of their. acts of persecution, and I am also totally unimportant and their. abuse of me "doesnt matter". Perhaps they should test their agents and managers for obsessive personalities or. psychotic features in the same way as employees are drug-tested.. MI5 might lose their "worst cases" employees if some psychological testing were applied to. their recruitment. procedure.

Toothless Watchdogs.. What a Surprise.

Recently I have. been engaging in communications with two watchdogs, the Security Service. Tribunal which deals with complaints against the security service (and. always clears MI5 of any wrongdoing), and the Data Protection Registrar, which is mandated to investigate. misuse of personal data held on. computer.

In. a letter to Nick Brooks, Security Service Tribunal secretary, dated 20 April,. I asked him if the Tribunal, as an allegedly independent body, had the means to investigate. complaints against MI5 other than asking MI5 to themselves investigate complaints. To my disappointment, his. reply two weeks later answered the question only indirectly, in. the negative. Whatever the reader might. think of the merits of the case I have been putting. before you in faxed articles this last year and half, you will surely recognise. that it is a significant anomaly for the Tribunal to have no independent means. of investigating complaints, particularly given the view expressed even by previous home secretaries that. the security services are. untrustworthy.

MI5 Persecution: No Justice for the Victims. of MI5

In a previous article I detailed the. similarities between the current MI5 Persecution in England, and other. historical instances of similar persecution, notably that by. the Nazi Germans in the thirties and forties.. The Germans persecuted first the mentally ill, the epileptics and those suffering from schizophrenia,. then moved on to racial groups; in todays Britain the. persecution is again directed at those with mental illness, which the. British in their cowardice find easier than taking on racial groups as. the Germans did. But just as in Thirties Germany there was no recourse against a malign and omnipotent. state, so the MI5 Secret Police in the modern British Fascist State allow no. justice for their victims.

No Recourse. Against the Security Services Illegal Harassment

It has become apparent to. me over the last nine years just how loaded the dice are in todays Britain, a. fundamentally fascist country which masquerades as a democracy. Britain is a democracy in. name only; the Establishment, the. defence and MI5 secret police are always there, regardless of which. party has been voted into power most recently - and from "New Labours" conduct in office one finds it difficult to tell. them apart. from Old Tories, in their crackdowns on the sick and vulnerable in society.

In thirties. Germany the victims of the Nazi regime had no legal recourse against. their State oppressors; and in todays Fascist British state, the victims of the Establishment and its MI5 Secret Police. similarly have no recourse. against the illegal state-funded and organised oppression. There is supposed to be a mechanism for dealing with MI5 crimes, in. the shape of the Security Service Tribunal and Commissioner; yet these have. never found favour of a plaintiff. One might as well ask the Nazi SS to. investigate crimes against epileptics or Jews as ask. the Security Service Tribunal to investigate MI5 crimes against British citizens; it is quite obvious. what the answer is going to be, regardless of what you say. to them, and what evidence you. provide. The Tribunal and Commissioner are a mere formality, a whitewashing body to give the Secret Services a veneer. beneath which they hide. their shabby criminality.

"Institutional Racism" and Bigotry in. the Metropolitan Police

The recent inquiry into the racist murder of Stephen Lawrence. found clear evidence of systematic. and deliberate racism in the Metropolitan Police, which cannot have surprised anyone.. Commissioner Sir Paul Condon accepted a somewhat lukewarm. definition of institutional racism as being "unconscious". In truth, and. this truth must surely be obvious to anyone who has any familiarity or encountered. the great British police, the Met has. not just "unconscious" racism, but very clearly "conscious" and deliberate racism, of the kind that would have done. Thirties Germans proud. And it is a bastion of such. open racism - when many other parts of society are learning to live in a multicultural environment,. the Met is still living in the. past in its attitude to the minorities.

But in addition to the systematic racism confirmed by. the Lawrence inquiry, there is also. something much more relevant to this case, which is systematic. police bigotry against the physically and mentally disabled, which I personally have experienced in my dealings with the. police over the. years. You cannot expect equal treatment if you are mentally disabled. I tried to make a complaint to the police in. 1995 about the harassment I had been subjected to for several years.. As soon as they found out I had mental illness, they refused to even talk to me. I. tried again in March 1999; the police made various threats to me,. while ranting about "your paranoid rubbish" in reference to the. complaints expressed to them.

The. police refusal to do the job they are employed and paid to do is extremely serious, particularly as this case is highly. important, indeed key to the whole issue of. British self-perception at the end of the 20th century and the beginning of the 21st century.. Britain has lost much in the last fifty years - it has lost an empire, it. has lost its self-respect and its identity as a people. If the. MI5 persecution finally makes it into the light and the Security Services are seen for the rather. cheap bullies their. behaviour indicates, it will have a massive and harmful effect on British. self-perception in the new century.

Security Service Tribunal - Blatant. Whitewashing

A few weeks ago I. spoke on the phone to Nick Brooks, the Secretary of the Security Service. Tribunal, which is supposed to deal with cases of MI5 transgression. I asked him if the Tribunal had ever found. in favour of a plaintiff and against the Security Service.. He answered that as far as he knew, it had. not.

I also asked Mr Brooks if the Tribunal had any means of. investigating allegations of criminal activity by MI5, other than asking. MI5 themselves if they had engaged in such activity. His rather. circuitous written reply states that the 1989 Security Service Act. provides that "it shall be the duty of every member. of the Service to disclose or give to the Tribunal such documents or information as they may require for the. purpose of enabling them to carry out their functions under this Act".. Which is a very round-about way of saying - "No" - the Tribunal has no way. of investigating MI5 crimes - None At. All.

Setting. up the S.S. Tribunal, and creating a Security Service Commissioner, was really. an act of falsehood by the government. It is generally recognised that MI5 are out of reach of the. normal criminal justice system - the police, as we have. seen, have no intesot answer to the. government; in a previous article I quoted Roy Jenkins speaking of "a secretive atmosphere.... secretive vis-a-vis the government. as well as [enemies]", and. a "lack of frankness" from MI5.

If the government wanted to, it could. reform the secret services and ensure they acted in conformance. with the laws which have been enacted for them in the last ten years.. But apparently the present government does not see any need to ensure security service compliance with the law.. As noted above, the regulatory machinery for MI5 is deliberately weak; the. Tribunal

has no independent means of investigation, and it is. simply a waste of time complaining. to the Tribunal or Commissioner.

Every so often, fresh revelations come to. light of secret service transgressions. We have heard from Shayler that MI5 bugged. Jack Straw and Peter Mandelson; we have heard from Peter Wright that. MI5 plotted to see Wilson ejected from office; yet so closed is the system. of government that the law is. never enforced against MI5 when they "bug and burgle" everyone from politicians to ordinary. citizens.

No Justice from. the Legal System, either

Britain has a civil and criminal justice system. which effectively limits many complaints. from being heard. For a civil complaint to be brought before a court, you need a solicitor. willing to act on your behalf.. Supposedly it is possible to represent yourself as a Litigant-in-Pthe basis. of being "frivolous and vexatious" or "disclosing no cause for action in. law". This is exactly what happened to me in 1997 when I twice tried to take the BBC to court for spying on me in my. living room at home; my case was twice struck out, and on. the second occasion an order was made against me that. I could not bring further civil litigation against the BBC without leave of. the court.

As the reader can guess it is quite impossible for a person. with schizophrenia,. who complains about the secret services and media interfering in. his life, to find a solicitor willing to represent him in legal action against the persecutors. I have. quite a lot of evidence of the continuing persecution which I have posted on. the website, even if the evidence is quite tentative and. perhaps open to varying interpretations. But I have tried several firms of. solicitors; some of them have. acted unprofessionally and abused me; all of them have refused to represent me. My psychiatrist gave me the name of the. firm of Bindman and. Partners in central London, and I have approached them twice. On each occasion they refused to accept my instructions. Plainly the problem. with Bindmans, which. they have admitted, is their bigotry against mentally disabled people; yet this is not just. something that is wrong with Bindmans, it is something. that is wrong with the legal system as a whole, since the legal. system necessitates finding a solicitor willing to represent you. in order to bring a case to court, but it does not have a mechanism for providing a. lawyer in the case where no solicitor is willing to. take on your case. So the British legal system is such as to prevent cases such as mine from ever receiving an airing. in a court.

So much for the civil courts. But the criminal justice system. is no better. Two years ago the Protection from Harassment Act came. into force. But again,. while the Act is all very well on paper, in practice it is unenforceable in my case, since it would require Police. action to see the law implemented, and if the police cannot even be. trusted to conduct a murder investigation competently (in the Lawrence case),. then what chance is. there of their investigating complaints against the Security Service? Of course, it would be possible for me to personally. issue proceedings through a private prosecution either against. MI5 themselves,

or against. one or more of their media tools; but here we see the same problems as with. the civil courts, because first of all I would have to find a. lawyer willing to act on my behalf. Litigants-in-person do exist in the criminal courts, but the Attorney General can bring. such a prosecution to an end by taking it. over and entering a plea of "nolle prossequi"; and I suspect that if I were. to bring a private prosecution against either MI5 or one of their media tools,. then this is exactly what would happen.

So much for. British justice. But if anything the wrongs that have been perpetrated on me by. the British justice system are quite mild to what others have suffered. Others have. been wrongly convicted based on police evasions and lies, and spent many. years in jail based on false charges. I should count myself lucky that despite the best efforts of the. MI5 secret police, I have not acquired any. criminal charges or convictions; which shows that for all their resources and influence, and. the clear imperfections in the British legal system, there are still. limits on how much subversion MI5. can achieve.

The latest in a long. line of injustices

A. comment I heard during the recent scandal of the police mishandling of the Lawrence murder investigation is that "its not as. if the police themselves murdered him". This is not a. particularly wise statement to make about the case, since it could be. argued that the four alleged murderers were aided in their crime by. the expectation that the police would deliberately botch the investigation - which of course is. exactly what the. police did.

But in my case,. this would be a completely inaccurate thing to say - since the. MI5 secret-police have expressly been trying to nine years now to see an end. put to my life, either by having me incarcerated and my liberty ended, or by. forcing self-termination on me. It is exactly as if the secret police "themselves murdered [me]", since that. is what their aim is in. their campaign against me.

The public has heard of instances of police. mishandling of cases, of police manufacturing evidence, lying in court, extracting. false confessions to clear up crimes,. et cetera. Various instances of extra-legal. activity by the secret services have also come to light in the last few years. The. unhappy truth is that what MI5 have been doing to me for the last nine years is really nothing out. of the ordinary for them. To me it seems unbelievable. that this sort of systematic campaign of harassment, which thousands and thousands. of people in this country and abroad are well aware of, could exist for such a long period of time. with the media maintaining "omerta". But my case. is not the first such instance of persecution by the "British secret police", and judging by the lack. of any real controls on MI5, I very much. doubt it will be the last.

MI5 Have. Systematically Destroyed My Life

This is getting depressing.. From the feedback Ive received, the recipients of these faxes. are tired of hearing my complaints, and in truth I am tired of sending them. The reason I. havent yet ceased sending faxes is because I cannot think of any other effective means of replying. to MI5s actions against me, and I feel I have to do something to. try to defend myself. Three/four years ago I got the MI5 harassment out. of my system by posting about it on Internet newsgroups, and for a few months this. tactic was quite effective - I. received (and indeed still do today) support from newsgroup regulars, and felt I could make. my voice heard and break the MI5 monopoly on access to the British media. But that was years. ago, and today nobody gives a tinkers cuss about my internet posts - so I have sought. to escalate. matters by communicating directly with the politicians who allegedly. say how this country is supposed to be run.

Of. course, its quite expensive to keep up a campaign of fax messages for many weeks. Each set of faxes takes approx 50 hours to send over. the weekend,. and costs perhaps 35. My phone bill for the last quarter was 350. These figures are. naturally insignificant compared to what MI5 have been spending against me over a similar period. It also. takes a lot of time and energy to create a. new article every week, and try and find new and fresh aspects and viewpoints. on MI5s persecution of me. I am beginning to run out of both new. topics and energy to write these articles.

So I have. a suggestion to put before the MI5 persecutors who have been wrecking my life since. 1990. In a few days time I will be going on holiday to Poland and Germany, for a couple. of weeks. Previously, almost every time I have travelled by plane, or gone anywhere on. holiday, the MI5 "wreckers". have been most assiduous in destroying these trips. My suggestion is; if MI5 leave me alone on this next trip,. I will cease transmitting these articles. If, however, there are. any clear instances of harassment (and I am very capable of recognising MI5 harassment. when I see it), then I. will make public these instances and publish any recordings I may make of them, and, unwillingly. and unhappily, continue the articles.

Read about the MI5 Persecution on the. Web

Keith Hill MP (Labour - Streatham), my elected. representative, as ever refuses. to help.

MI5 Refuse to Allow me to. have a Normal Life

Its kind of. difficult to contemplate having a normal existence when you know your entire house is bugged from top to. bottom, for audio and, very

unpleasantly, video; when your employment. is systematically destroyed, over and over again; when every time you leave the. country your travel is disrupted by MI5 plants on the plane yelling. abuse at you..... you get the idea. I would like to have. some semblance of a normal life, like my Polish and English friends. do. But MI5 have made this impossible, and they have leached massive resources from. the taxpayer to institute a life not worthy of. the name on me.

A few years ago MI5 were very open about their. aims in persecuting me. They were. shouting "suicide" at me, both in Canada where I lived at the time, and during. my occasional visits to London. You cant get much clearer than that. There have been instances as recently. as a few weeks ago of. this intention being voiced by their side; on 15 April 1999, a woman at the next ticket counter. at the Royal Festival Hall said;

"it would kill it, you know, it would just be overkill.... they can't stop can. they"

meaning that. "they" were trying to "kill it" i.e. me and they "cant stop". The audio file is. at;

I wonder why they "cant stop". Nobody (who. doesnt know already) believes my claims - so what difference would it make,. if they were to "stop" persecuting me? Perhaps what this persons remarks. indicates, is the depth of the obsession MI5 have with this case. They have chosen. at random a person from the general population, and done. their worst to ruin my life.. What is wrong with these people, that they persecute a national of the country. whose citizens they are supposed to protect?

No. Chance of a Harassment-Free Job

Since the harassment started in 1990 I have had. three jobs, the first near Guildford, the second in. Oxford, and the third overseas in Canada. All three jobs have been systematically destroyed by MI5. It is. so ironic that MI5 employs a. team of agents, each well compensated for their efforts, to persecute just one person paid a mere fraction of what they get. for their "work". In fact, it is a joke that MI5. is allocated resources for this sort of effort. If this area. of government were run along commercial lines then MI5 would. be very rapidly closed down, they produce nothing of any value, instead. spending their time obsessed with the bugging and surveillance of their former employees. like Shayler, dangerous subversives like Straw and Mandelson, and "threats to national. security" like yours truly.

Applying. for my first post university job

When I was applying for my first post-university job in the closing. months of 1990, I found at two or three job interviews that. MI5 had got there ahead of me. Interviewers knew what words to repeat from. what had been said. at my home recently; MI5 had supplied them with words to hurt me, and the "British secret police" were trying. to wreck my job search and discourage me from joining the world of work. This and the. continuing harassment in the media. and by the public meant that the search for a job

took very much. longer than it would ordinarily be expected to take for a person with. my qualifications.

With my first job near. Guildford came the knowledge that MI5 were doing everything possible to. make me lose the job. Despite their efforts I managed to stay. in work for ten unhappy months, during which they made very clear to me that they were bugging my workplace, my accomodation. in Woking, my car, my home..... and they. also made clear that they had "got to" my. employer in Guildford.

Employment. with Oxford

I was able to find a. new job, with Oxford Computer Training Services (now ARIS/Oxford),. quite quickly. But it became very clear, very quickly, that MI5 were treating this job the same as the first; they tried. to get the other employees and in particular the managers. to attack me. It was plainly MI5s intention that I be sacked fro this job. But I was. not sacked; instead, after almost a year of abuse from. OCTS managers, I was forced to seek. medical help, and had to take two months off for medical leave. OCTS MD Hugh Simpson-Wells was motivated in keeping me on. by the fear that if he sacked me, then I would take him to. court for the treatment OCTS managers had meted. out to me during 1992.

Emigration to. Canada

When I emigrated to Canada in. 1994, I did think that perhaps MI5 would leave me alone,. given that I had made the effort to leave the UK and try to find a new life overseas. I could not see any reason why. they would continue to harass me. over in Canada. But clearly the MI5 agents had their salaries to think about, since continue to harass me. they most certainly did, at my home in Ottawa, and by getting fellow employees to. speak against. me, as had happened with previous jobs in the UK.

MI5. are denying me a future in work

Former Chief Constable of Devon and Cornwall. John Alderson had this to say regarding MI5's. activities;

"MI5 is not under the same restraints as the police. They. infiltrate organisations, people's jobs. and lives. They operate almost like a cancer."

Currently. I am on disability, and I can see that MI5 are denying me a future in work. It would be an insult to logic for me to. return to work and find a job, in the knowledge that an entire team of MI5. agents, paid in total many times what I would be earning,. would have the objective of seeing me "done down" in the employment, and ejected from the. place of work. This situation is completely. wrong and nonsensical - I would very much like to have a job, but MI5 are preventing me from even. thinking about returning to work. The culture. of secrecy in MI5/MI6 means there is no objective oversight of their expenditure, when external. oversight and greater transparency might lead to wasteful. and illogical operations such as that against. me being shelved.

Watched and Harassed at my Home and. Accommodation

As you will know if you have. been reading these articles, MI5 have watched and harassed me at. my home, and at every accommodation Ive had since 1990. Theyve also watched me at neighbours houses in. London, and at short-term accommodation such as hotels and. bed-and-breakfasts. They have used. the "words" gained from these watching activities against me, by passing these words on to other people such as. OCTS managers for them to make clear that. I am being watched where I live.

Harassed at rented rooms in. Oxford in 1992

This was at. its worst in 1992 in Oxford, where during the week I lived at rented accommodation in Oxford,. and at weekends returned to my parents home in London. I was being severely harassed by. managers at my place of work, OCTS; and it. was clear from the things they said that they were being supplied by MI5 with details of. my home life, that they were being supplied with. words to repeat at me.

In 1992 I moved house in Oxford many times,. living at a total of five rented accommodations in ten months. In. January I started off living in a rented room at Headington near the ring. road / A40 intersection; then when it became clear that. house was being bugged, moved to a rented room in Botley, some miles away. It. was at the house in Botley that I had an "interactive. watching" experience with Martyn Lewis while he was reading the news; I threw a term of abuse at him; he first flinched, then. gave a gsult of what I had just said, he was. no longer "on my side".

So I moved house. again. This time to a place in Cowley, near the Rover car works, where. I stayed for a few weeks. Because of continuing harassment at work, I soon moved from this accommodation,. to yet another rented room on Iffley Road. By this time I was. very ill and being abused continuously at work. Again, MI5 followed me to the rented room. on Iffley Road, and created new instances of "newscaster watching". There was a television. in the room which I watched, and as you can guess the. newscasters got at me when I was watching. the television. Also once I was assaulted, if thats the word for what happened, on leaving the. house; a youth grabbed me by the coat lapels, roughed me up a bit. with various terms of abuse. I did not report this assault to the police, because. what was happening to me at work was very much worse, and. nobody seemed to think that that was worthy of being reported to the police. Later that day at work,. Alex G, a fellow employee, said "I heard he was. assaulted".... I had not told anyone at work about the incident that morning..... so. once again it was made very clear that MI5. were watching my rented accommodation and giving information about what. was going on there to managers at work.

So I moved house yet again in. late autumn 1992, this time to a rented room in a large house. on Woodstock Road. I stayed there for several weeks as the situation at work deteriorated due to OCTS managers abuse, until I. was forced to take sick leave from. work for two months and attend hospital as an outpatient; at which point I gave notice. on the room, and returned to London.

MI5. continued to harass me after the diagnosis of serious illness was made. As reported previously, they harassed me on. a flight to Spain in December 1992; and in 1993, when. I returned to live and work in Oxford, they again bugged. my rooms, as well as my workplace, although the intensity of the harassment was. very much less than in 1992.

Watched, followed and. harassed in Canada

It dismayed me to find that MI5. would not leave me alone after I had settled in Canada. In January 1995. I rented an apartment at the Bayshore complex in Ottawas west end. For some weeks there. was no sign of the "buggers". But then it started all over again.. They first bugged my car, which had a car alarm installed - the alarm went off. two or three times in a single evening, and the following day. gave a signal that the car had been broken into.. Then they bugged my apartment, and in particular they installed bugs on the phone line in my. apartment.

In. September 1995 I moved to a new apartment in Ottawas Bytown Market area,. the restaurant and entertainment heart of Canadas capital. This proved a. serious mistake. In the west end I had been fairly distant from the centre of town where MI5. concentrated their efforts at turning people against me. In the Market area. it was much easier for the persecutors to motivate people to harass me, and over the next. couple of years there were frequent instances of harassment by the. general public.

From 1995 I had some Polish friends in Ottawa, and as the reader. can guess, MI5 have spent much. effort trying to break up this friendship. They supplied various things about my home life to these friends,. for example where I was. living in the Market, directly over the road were the studios of a music radio station, which you had. to "look up" to see; and MI5 told these friends that I was "looking up" to. see the radio station; so the friends then replayed these words back to me, that I. was "looking up". MI5 have also made various sexual slanders against. me, and these friends also unwittingly replayed some of the words they had. been imprinted with by the MI5. persecutors.

MI5 Will Never. Allow Me to have a Normal Life

I have heard. many excuses as to why MI5 continuously prevent me from having a normal life.. We are told that MI5 are defending the country against. a tere to zero.

When I. have travelled abroad, they always put their people on the flights, on the journeys I undertake, to continue. the harassment, so that I am put off further overseas travel, and chained to my. home in London. Yet even this is illogical, because when I lived in Canada,. they would still put people on flights back to the. UK.... and what possible reason would they have for doing that? Perhaps the truest words. to describe the MI5 persecution is that reason has nothing to do. with their activities - sane people do not behave in the. way the MI5 British Secret Police have been doing.

Summer 1999. - more MI5 harassment?

In only a few days time I will be going to Europe again. This time. I have deliberately chosen to travel by a non-UK airline;. so we will see if they put their paid agents on. this foreign carrier, we will see if they try to harass. me on this non-British flight.

If they do. harass me on this trip to Europe, or if they resume the harassment in London after I return home, then I will continue to. report their activities in these faxes. As I said at. the beginning of this article,. I would very much like to not have to send these articles any more, but that is not my decision. to make - it is entirely up to MI5 to cease their. pointless persecution of me, once and for all.

MI5 Persecution Update: Friday 9 July,. 1999

Harassment in Poland,. July 1999

And still it continues.... in my last fax I said that provided MI5 made. no attempts at harassment. during my two-week holiday this summer, or after I returned to. England, then I would discontinue these faxes. Unfortunately MI5 have continued to harass me, both during the holiday and. after my return to London. I really dont want to continue. these articles, since they take up. so much time and effort, not to mention expense; but the Security Service wont even let me have a. holiday in peace and quiet, so I have to make. further efforts to bring their activities out into the open.

In early July I visited my aunt and her family in Poland. On Saturday. 3 July. 1999, I went to a family barbecue at an allotment outside the city. One of my aunts family has previously shown himself. to be in the "enemy". camp, by saying the Polish equivalent of "something wrong with him", and various other unprovoked insults.. It is disappointing that one of my family could forsake the usual. ties of blood and take part in the actions against me, but thats the way it is. This. guy turned up at the barbecue, and started making insults against me. In particular,. he started to say something about. the video camera which I had brought along on the trip, and the relevance of the. video-camera to my fight against the persecution. It seemed pretty obvious to. me that my enemies had told him to turn up to this occasion, and most likely schooled him. in precisely what words to say;. since hes an unintelligent person and would not be able. to think for himself what insults to make against me.

Harassment in London, week ending Friday. 9 July 1999

Got back to London Wednesay. afternoon. Two incidents on the Underground returning from the airport. Unfortunately I wasnt recording because. I wasnt expecting. trouble, so these slipped through the net. One of these was verbal. sexual abuse, of the type Ive heard many, many times before these last. three-and-a-half years.

Yesterday, Thursday 8/July/1999, I switched on Heart FM which had. never "got. at" me before.... and the presenter started making jokes about "mad, crazy" etc. Again, wasnt recording this because. Id never had any trouble from. this radio station and wasnt expecting any.

Also yesterday, on a bus (155?) from Balham to Clapham, a. couple of girls started harassing me with taunts of "crazy". By now I was. expecting trouble and recorded an audio file of this instance of abuse, at. web URL;

The cynical reader might think my demeanour. or behaviour had given rise to the taunts of "crazy" recorded. above. But I assure you my behaviour on the bus. would not have made anyone think I was ill; and the taunts the previous day were the same sexual words as previously; so. I'm quite sure that these incidents. are either deliberately staged, or indicative of an overall high level of awareness among. the London public, particularly in the. part of London where I live.

Keith Hill MP (Labour - Streatham),. my elected representative, as ever refuses. to help.

MI5 Persecution:. Harassment through the Radio

One of the aspects of the MI5 persecution has. been harassment through the broadcast and print media; and one of the aspects. of harassment through the broadcast media. is being "got at" by radio presenters. This being "got at" from the radio takes. various forms, the most obvious form being through overt or hidden words and. insults. But there are other, subtler forms. In Canada a. couple of years ago, I used to listen to the local radio stations every morning driving. to work, and listened to the music only, switching. between radio station presets rapidly as soon as a presenters voice came on, so that. I would not be subjected to any verbal harassment by the D.J.s. But they found a way around this; they kept. on playing the same song, every bl**dy morning. at the same time, which had the words "all coming back to me";. the perceptive reader will remember that the words "coming back" have special meaning. (see the Private Eye cover at web URL; for. the
hidden. meaning).

And thats not the only time theyve allowed the songs themselves. to be used as abuse against me;. many years ago Radio-1 in the UK did exactly the same, and. the DJ even made it explicitly clear by saying, "dont you sometimes feel as. if the songs were made just for you".

"We should be done for. attempted manslaughter" says Chris Tarrant

Capital. Radio DJs have been "in on it" from the start. One of the first things I heard in the. summer of 1990 was from a Capital DJ who said, "If he. listens to Capital then he can't be all bad" (supportive, you see. We're not bastards). Much of what came. over the radio in 1990 is now so. far away the precise details have been obliterated by time. No diary was kept of the details, and. although archives if they exist may give pointers, the ambiguity of what broadcasters said would leave. that open to re-interpretation.

In spring 1994, Chris Tarrant on his Capital morning show. made an aside to someone. else in the studio, about a person he didn't identify. He said, "You know this bloke? He says. we're trying to kill him. We should be done for. attempted manslaughter".

That mirrored. something I had said a day or two before. What Tarrant said was understood by the staff member in the studio he was. saying it to; they said, "Oh no, don't say that". to Tarrant. If any archives exist of the morning show (probably unlikely) then it. could be found there; what he

said was so. out of context that he would be very hard put to find an explanation. A couple of days later, someone at the. site where I was working repeated the remark although in. a different way; they said there had been people. in a computer room when automatic fire extinguishers went off and those people were "thinking of suing. for attempted manslaughter".

Pirate. Radio "gets at" me

In another incident in 1990/91, Id been listening to. a pirate radio station in South. London for half an hour, when there was an audible phone call in the background,. then total silence for a few moments, followed by shrieks of laughter. "So what are we supposed. to say now? Deadly torture? Hes going to talk to us now,. isnt he?" which meant that they could hear what. I would say in my room. Note the word "deadly" - they give away their. purpose.

It constantly surprised me that MI5 are so easily able to. subvert broadcasters, and, in this case of. the pirate station, to do so, so quickly. I think. the answer to this question is that they must have very wide contacts in the. broadcast media; presumably some or in fact many of those contacts are literally "bought".. In the same way as they tried to buy Jon Snow of Channel Four news, they must have. bought many broadcasters and use. them both directly to make insults against me, and promulgate their points of. view; but also, they must use these "bought" broadcasters to influence other television and radio. presenters, who might not even be aware that it was on MI5s behalf that they were being influenced to. "get at". me.

BBC-Radio-1 D.J.s celebrate my. job termination in November 1991

This is another one from the "early years". At. the beginning of November 1991 my employment in. Woking, Surrey was terminated. Chris Tarrant of Capital-FM had already made nasty remarks about both my work for. the company, and the managers of the company themselves. - "so theyre not really a serious company, well. theyd have to be to employ you wouldnt they".

So when. I was terminated, as you can expect, BBC Radio 1 D.J.s celebrated. On the Saturday afternoon (either 9/Nov/1991. or 16/Nov/1991 - I. cannot remember precisely) I briefly listened to Radio-1 and heard the disc jockeys loudly proclaiming "youre useless, you. should be sacked". On the same day, I went down to the Kwik-Fit in Tooting to. get my cars tyres replaced, and in. the office ran into a couple of their staff, one of them with an Australian accent,. who said "what do you think about it then? Its getting. killed on the radio."

Plainly, if a random car-repair shop. in Tooting knew about the persecution,. then many thousands of other people across the capital and all over the country. must have known. And the phrase "getting killed" shows very clear awareness of what. the MI5 Persecutors intentions towards. me were in 1991, and judging by the continuing harassment, still remain. today.

Recent Feedback. from Virgin-Radio

As readers. will know, from mid-March 1999 for some four months, every weekend, I have bombarded Westminster MPs with faxes about the. terrible, all-encompassing MI5 Persecution.. (Jesting aside, it really is terrible and all-encompassing, in the UK anyway.) In June 1999, after I'd been. at it some three months, I started getting "covert" feedback. from Virgin Radio.

The first feedback I. got was from Danny Baker, on Sunday 13th June. That weekend I was sending. an article which contained biting criticism of the police inaction in this. case. Danny Baker on his Virgin radio show started an angry rant that "he. knows it's rubbish", ie. he was rubbishing what I'd said in that weekend's faxed article. Unfortunately I. wasn't recording this. programme.

The. next possible Virgin-Radio feedback was a week later on 19th June 1999. This. is contained in the audio file above, in which Johnny Boy on his. "Wheels of Steel" programme says;

"and if you. would like to put a triple play together, ahhh.... because quite frankly Hipster and. me are running out of ideas...."

He goes on to counter Hipster's "how dare you". with a protestation that he is "only joking". You can listen to this incident on my. website at URL;

What I reckon is that my article faxed to MPs that. weekend was forwarded by one of the. recipients to Virgin Radio. My article had included the words;

"I am beginning to run out of. both new topics and energy to write these articles."

So. what I reckon is that Johnny Boy read the article.... and rephrased the above line "run out of ... new topics" to "running out of ideas".. I recognise that this is a pretty. tenuous inference to make.... but do listen to. the audio file, from the "ahhh...." pause in JB's speech you can guess he is about. to say something "risky" and at someone's expense. Anyway, I listen. to the Wheels of Steel regularly and will continue to do so, recording it. as I always do - so any future funny remarks will get immortalised on. my website! (There was a previous incident from August 1998 which. is preserved at web URL;

but I am sufficiently uncertain about it that I have not included it. in this. article.)

First Ever Radio Reference -. Alan Freeman of BBC-Radio-1

The first time I was ever referred to. on the radio was sometime in May or June of 1990, by Alan Freeman of BBC-Radio-1. Note that this. isnt an "interactive listening" episode, its. different, this was Freeman reading out a letter from one of my "real. life" enemies.

Id acrimoniously broken. up with some former friends in January of 1990, and. I think they were still trying to cause me trouble in June of that

year. Freeman on his rock show read out. a letter from an "Andrew Turner";. one of my acquaintances from January 1990 had been called Andy Turner, so I think its the. same guy. Freeman quoted Turner as saying various things about me, in particular Freeman. said "thats a hell of a letter you wrote there. Andy", "with a schizophrenic you're never alone", and something about the "one who wore out his welcome. with random precision" (from. the words of the Pink Floyd song).

When I was looking for primary causes. of the MI5 persecution, this letter which Freeman had read. out on his programme struck me as being potentially one of. the sources of the persecution. I know Turner and various others in that group were very bitter at what they saw as their. failure and my undeserved success, and they. were quite determined to upset the applecart. Of course several other primary causes are possible;. I do not know why MI5 chose me as opposed to someone else, and MI5 are. hardly likely. to tell me.

"Absolute Obscene" David Hepworth of. GLR

This one Ive assigned a 100% rating on. the website. There are actually two separate incidents, which are. linked through the D.J.s choice of words. The first incident can be heard in computer audio. at web URL;

On 21/Feb/1997, I was listening to BBC GLR, by stealth. Back in. 1990 I used to have Capital blaring out of the speakers all over the garden. ("if he listens to Capital then he can't be all bad", thanks ever so. much). But now I listen on my walkman. on headphones with the volume turned right down. It could not possibly be overheard by any listening device,. no matter how sensitive, because sound does not carry from the. phones.

Yet somehow they are still able to tell which station I am listening. to on the walkman. And last night, I bravely tuned to GLR. 94.9FM at around 8.45pm. Everything went well for the first. half hour or so. Around 9.10pm, Hepworth said the following. after the song "Come Around" by the Muttonbirds.

"coming up after this,. we got the rock-and-roll A-level, we have, I assume, Brian do we have. an embarrassment of prizes in there, we do, don't we, absolute obscene amounts of prizes, there will no. doubt be a riot at the back door, and that's, er,. A-level coming up after this"

The. key phrases in what he said are, "EMBARRASSMENT of prizes", and what he himself emphasized verbally,. "ABSOLUTE OBSCENE amount of prizes". It is my belief (based on content and. tone of voice) that when he spoke these phrases he knew I was listening, and that the phrases. refer directly to my situation. The "EMBARRASSMENT" is the embarrassment he. and other media people would feel at. having their wrongdoing exposed; the "ABSOLUTE OBSCENE" (which he verbally emphasized) described the. disgusting sexual abuse which the harassers have been throwing at. me.

There was a second incident, on 9/May/1997, which may be. found on the web (with computer. audio) at URL;

This incident again contains. the words "absolute embarrassment of prizes", with the. same emphasis as the first instance, and laughter following the phrase. So theyre. aware of the complaint I made on Usenet after the first incident; and they. are so arrogant that they do exactly the same again. They are so arrogant, they know they are being recorded. and that what they say will be published on the web, but. they dont care. What corrupt media, and what a. corrupt country to have such corruption in its media.

Three Years of "MI5. Persecution" Faxes

Ten Thousand Faxes, and Still No. Breakthrough

In the last three years I have sent at least 5,301. faxes directly from my computer,. and 4,478 faxes through Demons extremely useful TPC.INT service, to politicians and the media, in the. subject of the "MI5 Persecution". This has obviously. cost me quite a lot of money, not to mention time and effort. The aim of all this communication has been. to try to put discussion of the "MI5 persecution" into. the public arena; unfortunately, this. aim has not been achieved, yet.

This fax will be my last transmission for the. time being, since the summer recess. is almost upon us. Depending on what the persecutors do between now and the. autumn, I may or may not resume faxing later this year. In the article dated 18/6/99 I said Id stop. the articles if MI5 left me alone; but they seem to have no. fear of these articles, since they kept pursuing. me in Poland and after my return to the UK. Again, if they leave me alone this. summer then I wont have to resume the articles in the autumn; but I think its fairly obvious that MI5 have. nothing better to do with their time than to go after me, and its. almost pointless to make this offer. when I know they wont cease harassing me.

TPC.INT. 1996, 1997, 1998.....

Three years ago I. was living in Canada, and the only economic way of sending faxes to the UK was. through the international email-to-fax gateway TPC.INT.. This highly useful and totally free service converts emails (which may have Postscript-formatted attachments) into. faxes which it delivers to any number within the UK.. Using the telephone book, I constructed a computer database of M.P.s fax numbers, and used. this database. to deliver copies of the "FAQ - frequently asked questions" article which Id written. some time earlier.

This service is still operational, but given. that I have resided in London for the last year, I do not need to use Demons service when I. can send articles directly from my own computer using its fax/modem, which is. what I have. been doing since 1998. However, instead of just sending the FAQ article, Ive been. composing articles on various aspects of MI5s treatment of me. Since their activities have been. going on for nine years now, and there have been various aspects. to their actions; they have harassed me at work, at home, through. the media, etc; I have so far not run out of things to say, particularly. since their harassment of me is still ongoing, and I have been able to record the actual words used by. their paid agents on my minidisc-walkman. Since mid-March 1999 I have been sending these. articles

pretty much every. weekend.

Anyway, as mentioned above, I intend. this to be the final transmission before the summer recess, and. it would be nice not to have to continue these articles in the autumn. But thats something. that depends on them, not me, and their. attitude is unfortunately clear.

Why am I. sending these articles?

Because I want the. harassment to stop. The cynical reader might think from these. articles that I "thrive on adversity" and would be lost without the harassment to complain about; but that is not the case. In a. perfect world I would like to return to work, in a job unsullied by MI5s. attempts to ruin it; I would like to live in a house which. wasnt bugged, with my words being repeated at me wherever I. go; I would like a normal life. I do not particularly thrive on adversity; I am beaten down by adversity;. the purpose of these faxes is to try to bring. the whole matter out into the public arena, where the. rights and wrongs would be visible to all, and once that were to happen,. the adversity might cease. I have had something approaching a normal life a couple of times in the last nine years,. but always, in the end, MI5 turn up and ruin it. I just want. these people out of my life, permanently,. and the only way of doing that is to kick this business. into the public arena, and shame MI5 so that they are incapable of doing. me further damage.

Having said that, unfortunately it seems fairly obvious by. now that these faxed articles are not going to achieve that aim. Some of the. recipients know what I am saying is true; but they. choose to stay quiet - wisely, because. if they were to admit the truth of these articles, then they would bring the wrath. of MI5 down on their heads. Presumably most recipients do not know these articles are true; their reaction. to me is the same as my reaction to the other apparently. deluded people who have sent me email after. reading my webpage to tell me it happened to them too; the reaction being, "leave me. alone, I dont want to know". Its sad that many M.P.s have given me this reaction, because my case genuinely. is different; I genuinely am telling. the truth, and the harassment genuinely is happening to me, and some recipients of this fax know this. to be true.

"Write to your. own M.P."

My local M.P.. is Mr Keith Hill, Labour-Streatham. He refuses to have anything to do with me. He refuses to represent me, he refuses to. talk to me, he has told me not to communicate with him.. He has done absolutely nothing. to help me, and he has told me he will do absolutely nothing to help. me.

Other M.P.s, recipients of. these faxes, have for quite some time been telling me, "write to your own M.P.". On. 23 March 1998, Paul Burstow M.P. wrote to me; "Whilst I take the issues that you. raise seriously, there is a strict. Parliamentary convention that one Member of Parliament does not take up anothers. casework. Can I suggest that you write to your own M.P. at the House of Commons?" Hopefully the. above paragraph will

make clear that I have written to. my own M.P. and he has proved unhelpful.

Other M.P.s have. told me the same thing. On 21 May 1998, John McFall M.P.. told me, "... there is a parliamentary convention that M.P.s do not take up cases of people. not in their constituency..... therefore can I suggest. that you write to your local M.P. who will be better able to assist you." And on 8 June 1998, Michael Foster. M.P. wrote to me that "M.P.s. are inundated with unsolicited faxes .... M.P.s have a considerable amount of constituent work to deal with, thus other M.P.s. constituents cease to be of concern in so. far as they should have a voice and representation".

Simon Hughes M.P. wrote to me on 5. November 1998, "There is a strict parliamentary convention which states that I am not able. to represent individuals who. are not constituents of mine. My advice is that you find out who your own Member of. Parliament is rather than circulating your story to all M.P.s.".. To my suggestion that Keith Hill M.P. was doing nothing to help. me, George Foulkes M.P. sent the following faxed response; "If. Keith Hill your own M.P. cannot help no-one else in the House of Commons. can." But it is clearly not a case of "cannot" help, but "will not" help. I have detailed. in letters to Mr Hill specific ways in which he could help me, first of all by finding a lawyer to. represent me. It is Mr Hills job as a Member of Parliament to represent. his constituents; if he chooses not to do so, then it. reflects badly on him.

Kate Hoey Sympathises, but. says, "Write to your own M.P."

Here. is part of a letter Ms Hoey sent to me on 15 June 1999.

I appreciate that you have concerns about the persecution and. harassment that you feel you are experiencing but I note that your MP is. in fact Keith Hill. There is a very strict Parliamentary code which. means that M.P.s can only take action on matters that relate. to their own constituents. I am aware that you are not. happy with the fact that you do not feel. Mr Hill will assist you but I am afraid that I cannot take any action on. your behalf.

Ms Hoey plainly. belongs in the camp of people who do not know about the reality of the. "MI5 Persecution". She doubts its existence; "the harassment you feel. you are experiencing". She urges me to see Mr Hills assistance, as have other M.P.s detailed. above.

Really, the fact that I am unable to obtain. assistance from any other M.P.,. if my own alleged "representative" Mr Hill chooses not to represent me, is a very basic weakness in the Parliamentary. system. Beinggmainly events at my former employers in Oxford during. 1992, when I was harassed constantly. by manager Steve Mitchell for most of 1992, and was forced to begin attending hospital as. an outpatient as a result. This harassment was obviously of Mitchells own volition, since I observed him. harass similarly another new worker two years later; but it was also at MI5s. instigation, since they kept providing him with words from my home life which he. then proceeded to abuse me with. Yet this is not the. only employment that MI5

have destroyed; the MI5 persecution has lasted from the end of. my student days until the. present time, during which I have had three jobs, all of which have been in various ways destroyed. by MI5s deliberate actions.

In March 1999 I decided to. try to force the issue once and for all. Ever weekend for the last four. months, apart from two weeks when I was on holiday, I have sent original articles by fax directly from my computer. to Westminster. politicians. Here is a summary of the articles of the last four. months;

How to Identify. the Persecutors

Their use of Schizophrenia to. discredit my claims
Comparing the. MI5 Persecution with German "Final Solution"
MI5 are Plainly Trying to Kill. Me
MI5 Waste Taxpayer Millions on. Pointless Hate-Campaign
Four Years of "MI5 Persecution" Posts on Internet. Newsgroups
MI5. Agents are Clinical Psychopaths
BBC Newscasters Lior the. Victims of MI5
MI5. Have Systematically Destroyed My Life
Harassment. through the Radio

To my deep worry these. fourteen faxed articles have still not achieved the objective of. kicking the matter out into the public arena and forcing an admission either from the persecutors,. or from those "in the know", which includes some. M.P.s.

I dont really know what. else to do to try to bring the "MI5 persecution" out. into the open. I would have expected that these weekly faxed articles would have had some effect,. but the only result has been M.P.s telling me to contact my own representative Mr Hill who refuses. to talk to me. I understand. the convention that M.P.s deal with their own constituents and not those of other M.P.s, but there seems to be a gap. in the process since. it allows your own M.P. to refuse to deal with you, and then you are totally denied any representation at. all.

Conclusion

The. only conclusion I can inform the readership of these articles of, is that there is. no conclusion to this matter, yet! Three years of intermittent articles, and four months. of faxes every weekend, have been absorbed by some of. the most powerful people in the country, to no effect.

Whether these articles continue in the. Autumn is entirely up to the "opposition". I offered. them a cessation of complaints if they would leave me alone on holiday in June/July, and. they went right ahead and harassed me anyway, on holiday. and after I returned to London. If MI5 cease their activities now, then. I wont have to continue these faxes in the autumn; but I suspect they wont. cease, which means youre in for more articles later this. year. "There will be no conclusion."

MI5 Want Me to Send. You these Faxes

MI5 seem to Want to Spin this Business out for as Long as. Possible

The MI5 persecution has now. been going on, starting from June 1990, for well over nine years. If I knew how to put an end to it. then I would do so. Of course MI5 have indicated how they. wish to finish the matter, by finishing me off; they indicated this very clearly. years ago when they were. shouting "suicide" at me.

But a deeper truth is that. the MI5 agents carrying out the persecution rely on it. for their income and their livelihood. They have absolutely no interest in anything other. than spinning out the whole business, because that is how they will maximise their earnings from. their employer for the "work" they. do against me.

A vital part of the fantasy structure MI5 have created about. me is that I am somehow a worthwhile target. If you bother to read these. faxes, if you browse my website, or perhaps. read my posts on the uk.misc newsgroup, you will have by now twigged that I am. a totally insignificant person who in a proper. dictatorship like East Germany would not merit five minutes of Stasi time. But Britain is improper in the. methods of its corruption, and the Security Service seeks to present me as. being a an evil fascist, an evil communist, an evil something-else, and. even a "national institution".

It occurs to me that to some extent I am playing into their. hands, into their scheme of things, by writing these articles. and sending these faxes. By doing these things,. I elevate my profile, and fuel MI5s paranoid obsession with me. But. to stop sending faxes would be to give up the only hope I have of seeing their campaign "outed". and justice done. Certainly there is no point going to. the police again; and as remarked in a previous article, the Security Service. Tribunal routinely whitewashes every complaint. that is placed before it.

So although MI5 seems to want me. to continue sending these faxes, doing this is the only real chance of getting this business out into. the open. And so. Ill continue trying to kick down their house of cards. At least. my situation is less serious than that of some other victims of the secret services; unlike. Shayler I am not broke and exiled; unlike Fayed I have not lost a son to the posited. activities of the secret services. All I have lost is some. of my health, some of my life, and some of my possible career.

MI5s Abuse of me is without. Cause or Reason

It constantly puzzles me that. MI5 refuse to leave me alone, wherever I go and whatever I do, or rather, whatever I dont do, since Im not a. very socially or otherwise active person. When I am in. England, they chase me all. over the place, and once theyve found me, they pay people to shout rude words at me. When I am. in Europe, they again chase me all over the place, and as usual pay people to shout obscenities at. me. When I am in Canada or. visiting the States, they faithfully chase me all over the place, and when they find me, pay people to shout. obscenities at me.

It is hard to avoid the conclusion that these MI5 operatives who chase. me are total. lunatics. You will remember from a previous articles the assessment "MI5 Agents are Clinical Psychopaths". They. have tried to blame me for what they do and what they say; yet their lies have. been wafer-thin, and are. clearly seen to be oiled by the money which they acquire from the Government, and ultimately from the. taxpayer.

They have. tried various lies to put the blame on me; "we have to abuse him because hes a nutter", as if there werent many tens. of thousands of other people with schizophrenia in the United Kingdom. Their choice. of abuse words is. telling; subconsciously perhaps they realise that it is they who are the "nutters", and they. try to project their own illness onto their target.

MI5. Operatives have Nothing Else to Do With Their Time

Ive seen the. same "Alan Holdsworth" person three or four times over a period of several years. I saw him at the Civic. Hospital in Ottawa in the Emergency Ward, where he falsely declared his name to. be "Tad"; at Ottawa airport in summer 1998;. and on board another flight in 1995.

So what we. see from the above paragraph is, the same people are delegated to watch. me for many years. Without me, they wouldnt have a job. They literally. have nothing else to do with their time, except indulge their voyeurism against me. With this observation, we come to the. core of MI5s campaign against me; these people are not. fit for any job other than the exercise of voyeurism against me, and. if sanity were to land on MI5 then they would be out of a job. If. sanity were truly to land then these people and their employers would. be prosecuted for offences under the Protection from Harassment legislation, which. they are clearly breaking.

It is one of the ironies. of their campaign that MI5 have been trying to make. me an object of ridicule for completely trivial things I have done, while MI5 themselves have simply not mentioned how. ridiculous is their own behaviour and. that of broadcast media journalists, in spying on me while they read the. news for example. If the whole truth of this business is ever exposed, and despite all my efforts it still seems. there is a block on its exposure in Britain, then the rights and. wrongs will be clear to all, and no amount of MI5 lies will be able to change that.. MI5 presumably do realise just how damaging such a revelation would be both. to themselves,. and to broadcast media such as the BBC and ITN, because there has not been. even the slightest chink in the armour, despite four and a half years of my complaints. on internet newsgroups and by fax to politicians and the. media.

MI5s. Final Kick in the Teeth to the British State

For someone like myself born in the late sixties it. seems peculiar to think that Great Britain once used to have a. say in the destiny of foreign peoples in far-off sections of the globe. Modern Britons tacitly. accept the lowering of their country. to a third-rate power reliant on the United States for what little say it has in the world. A third-rate. power, now "reverse-colonised" by third world peoples it once ruled and. riven with internal. problems so severe the government hardly dares acknowledge them.

To this third-rate power the MI5 secret police are delivering the. final kick in the teeth through a campaign of persecution which. is guaranteed to hold the state. up to ridicule throughout the world when it is finally exposed. As a "thought experiment" suppose the French or the. Spanish security service had done to one of their own born citizens what. MI5 has done in this country. Suppose say the. Spanish had planted hidden cameras in. his home, for the perverted pleasure of their state television newscasters, just as hidden cameras have been placed. in my home for the perverted pleasure of Martyn Lewis, Nicholas Witchell. et al. Suppose the Spanish service. had for nine years been trying to force suicide on their target; at times, so blatantly that they shouted the. word "suicide".

Now suppose they were. caught.

Of course, as long. as MI5 arent caught, theyre laughing. The psychopathic security service. agents gets their kicks from shouting abuse at me; the newscasters, Lewis, Witchell etc get. their jollies, "it was so funny", we were watching. this bloke and he couldnt do anything about it.

But once theyre caught, the sky falls in. Of. course, the "patriotic" MI5-funded media in Britain will try to put the. best spin on the MI5/media activities; it was the targets. fault, of course. But most of the world bears no. allegiance to Britain. If this business is ever exposed then a weakened Britain will become the laughing-stock of. the world. And I promise you,. the security services persecution of me will be exposed. MI5 has delivered a final kick in the teeth to the British. state, and I will do everything I can to ensure the world hears about what they. have done.

Metropolitan Police Refuse. to Investigate the MI5 persecution

I have on a couple of occasions tried to motivate. the police to investigate MI5s actions against me. On each occasion. they have refused to do so. In 1995 I went to my local police station and spoke to an. officer there; he. refused to accept my complaint, and seemed interested only in seeing me. leave the station as quickly as possible.

Earlier this. year I had some communications with Det.Sgt.Richards of Charing Cross police. Again. I asked him to deal with MI5s actions against me. Unfortunately DS Richards conformed to the negative stereotype. of the bigoted, ignorant "copper"; he said, "I. have read your various bits on the internet. I'm afraid there is no substance. or credence to it. It's an absolute load of. rubbish. I don't investigate rubbish. I can't be more blunt or to the point. than that."

You have to wonder at. the state of law enforcement in Britain. If the victim of a murder is black,. as happened in the Lawrence case, the police deliberately botch. the investigation. If the victim of a crime is mentally ill, and the perpetrators are. the secret services, as in my case, then the police refuse to even begin to. investigate the crimes committed. Politically Britain. is a third-rate country, but from the point of view of obtaining. justice, Britain ranks down there with third-world countries. You almost feel that MI5 and their media. buddies would not even have any shame if their activities against me were exposed;. after all, why should they? they have the money, they. have the control, OK so perhaps theyve broken a few dozen laws, but doesnt the fact that. the police are too corrupt to investigate these. crimes, doesnt that prove that in fact no crimes have. been committed?

I should say again what I. have said earlier in this article. My losses over the. last nine years have not been as great as those of other victims of. British Secret Police malefaction. Fayed lost his son to their murderous activities;. in my occasional communications with former MI5/MI6 employees I have been informed that a "permanent solution" is not. uncommon for opponents of the British secret police. I. have lost health and financially, but am obviously well enough to keep. fighting my case. Others have lost much more than I.. If the joke which is British "law enforcement" refuses to. enforce laws against the security services then that is something that is recognised in. other countries and Britains stock correspondingly. falls. Not that it has very far to fall; the days when England had any say in. the world are long gone.

MI5 Want. These Faxes to Continue

Before the holiday, I said that if MI5s harassment. of me stopped, then I would cease my complaints. They have known very well. that if they continued to harass me then I would resume the fax. campaign in the autumn. Yet they have. not stopped persecuting me. Recently a woman outside my domicile screamed her. head off with abuse in the direction of my window; and on Saturday 2. October, when I was shopping at a nearby supermarket, a man shouted the particularly vile sexual swear word which. I have heard many times before over the last few. years.

MI5s attitude shows complete arrogance. Yet it also. shows that they want the faxes to continue and deliberately. try to provoke me into sending further faxes. The reasons for this. are given in the first paragraphs of this article; the MI5 operatives who persecute me have nothing else. to do with their time; to make their campaign, against. an apparently unreacting target, have some value, they have to force me to. react in some way against their actions; and by. reacting in this way, by bringing their campaign to the attention. of British politicians, I play into their hands, by giving their campaign the attention and importance which. they feel it deserves.

In. the short term, by sending these faxes, perhaps I am doing something they want me to do, but in the longer term it is undoubtedly more. in my interest than theirs for their activities to be exposed.. If their operatives truly do wish to see these faxes continued then. they are

committing a serious mistake, because it significantly increases the. risk if M.P.s (some of whom already. know about MI5s activities against me) are advised. of my side of the story.

I will. continue to monitor and record the secret services activities against me over the next few weeks.. If they diminish and cease, as I hope they will, then I may be able to call a halt to these faxes;. but that it something which is entirely up to them;. recently their continued harassment makes clear that they do. wish the faxes to continue, and in all sincerity I. do think they will continue their activities and make it impossible for. me to cease these faxes. It may trouble you to receive these articles, but it troubles me much more to be on the receiving. end of a national persecution campaign; and while Britain does. not have free speech provisions as does Canada in the Charter of. Rights and Freedoms, and the US in the first amendment to the constitution, in practice I. do not think anyone is going. to try to have me locked up for speaking the truth. I still cherish the. hope that the veracity I express will be shown for. what it is, and that the truth will prevail and make me free.

Removing the. Mask of Anonymity from the MI5 Operatives

Undoubtedly one factor encouraging the MI5 agents. actions against me has been. the fact that they can shelter behind a mask of anonymity while they carry out their abuse.. This is both a sign of their realisation that their actions are criminal; for crimes are. harder to pin down and make a coherent complaint about when their perpetrators are unknown;. and it is a sign of their cowardice, since they lack the backbone to say. things to my face themselves; instead they almost always rely on third parties. to carry out the actual acts of. abuse.

On a few occasions I have seen. the perpetrators, but on each occasion they have managed to preserve their anonymity. They travelled. on the same British Airways flight as me in 1994; but. BA have ever since refused to give up the passenger list for the flight, and the police and. lawyers have proved useless in obtaining their identities from the list.. Also one of them followed me into. A&E department of Ottawas Civic Hospital a couple of years ago, and gave his name as (if. I heard correctly) "Alan Holdsworth"; but. the doctor refused to give out his identity when I later tried to speak. to him.

If only we knew. the identities of the individual operatives, then it would be possible to find out the. identity of their employing organisation. But I think we know the latter already, since. I have been accusing them on internet newsgroups for. four and a half years now, and they have never denied my guess. Indeed,. when I was travelling in January 1996 back to Ottawa, two youths on the (British Airways. again, unfortunately) flight made a lot of noise at me, one of them. saying to the other that I "didnt know who we are". That is a wafer-thin denial; I had been saying. for a year that. they were MI5, so a stronger denial would be necessary if my guess were truly mistaken. I. think the lukewarm denial was worse than no denial at. all, since it confirmed my guess that the employing agency was indeed. MI5.

Conclusion

It has. been suggested to me that by sending these faxes I could be making trouble for myself; but I dont think so. My psychiatrist knows what I. am doing; indeed I have given him a couple of these articles for. him to cast an. eye over.

I dont want to have to send faxes for the next. year, or the year after that. But. that is entirely up to MI5. If they continue to persecute me then I am forced into defending myself. The ball is in their court, and. it is entirely up. to them what they do. If as I suspect it is their intention that these faxes continue, if that is what they insist will happen then. so be. it.

MI5 Persecution Update: Friday. 31 March, 2000

22,544. Faxes Delivered in Three Years, and Still No Breakthrough

In the last three years I have sent at least. 22,544 faxes to recipients in the UK, of which at least 13,974 have gone. to Westminster. Last weekend alone I sent 832 completed faxes to. politicians, the media and various others, on the subject of MI5s mistreatment. of me these last ten years.

I believe some of the recipients know. of MI5s actions against me in the last decade; yet. they maintain strict "omerta" in fear of the security services persecution actions being made. public.

MI5. Insist that these Faxes must Continue

Between September 1999 and mid-January. 2000, the persecutors, whoever they might be, mostly left me. alone. I counted only three incidents in almost five months - which is a lower rate than at any time since June 1990,. when this. business started.

By leaving me alone for several months,. the "oppressors" were making an implicit assurance that they would continue to leave. me alone in the future. On. 11 January I posted to an internet newsgroup accepting what I saw as their assurance of no further harassment, stating that. I would cease sending these faxes. - which is the only thing I do in my defence - if they continued to leave me alone. And for two weeks I did. indeed refrain from. distributing these articles.

But MI5 acted in. bad faith. From the last week of January until the beginning. of March, they resumed their hate campaign against me with a vengeance.. They even put people in my road three times in February, one instance of which I recorded. They resumed their. normal behaviour of bugging my phone and house, listening to. where I would go, and then placing people in. that location to "aggravate and annoy" me.

What MI5 did in February. is plainly a contravention of the Protection from Harassment Act 1997, since it has caused me "alarm and distress". as specified in the. Act. But it is a waste of time going to the police with a complaint, since the police have done, and will. do, absolutely nothing. I complained. to the Metropolitan Police in 1995, and they refused to take my complaint. When I complained again in 1999, the detective sergeant. laughed at my complaint, with the words, "It's. an absolute load of rubbish. I don't investigate rubbish. I. can't be more blunt or to the point than that." It is useful to remember that. the Met also treated Stephen Lawrences parents with similar discourtesy; police. prejudices are similar in my case, so. I can take some comfort from that case and hope that one

day I will get a fair. hearing.

MI5 acted in bad faith, but. they also acted with arrogance. They do not care if I send 800 faxes. every weekend, since they know I cannot prove my claims, and. the recent Shayler case shows how weak external oversight is of the secret services.. But they acted with more than arrogance - the MI5 agents. actually want my faxes to continue, they insist that these faxes continue, since. my communications give them an excuse to continue their activities, and continue in the paid employ of. the secret service. Despite their use of diverse proxies over the last ten years, it is the same. MI5 officers behind the campaign all. the time - I have seen one of them on three occasions in Canada over a period of years, and. it is a safe belief that. that same person continues to be paid for his "work" in harassing me in London now. The average cost of an MI5 employee is. some 75,000 per annum, so one may infer that their officers are. amply compensated; their insistence that "hostilities" are maintained is. understandable when placed in. this light.

MI5. Persecution Update: Friday 7 April, 2000

22,544 +. 837 = 23,381

Last weekend I delivered another 837 faxes to politicians and the. media on the subject of the. security service conspiracy which has destroyed my life.. This brings the total in the last three years to at least 23,381. These. totals do not include partially delivered faxes.

Some of the recipients of these faxes must know that what. I say is true; and I hope to motivate those people to acknowledge the reality. of the harassment which has followed me for ten years. It takes. much time to transmit these articles, but as OCG. MD Simpson-Wells said to me in 1992, you have to be a good communicator if you are. to succeeed.

Harassment in. February 2000

Following a quiet. period of almost five months, the persecution resumed with a vengeance in late January/February 2000. At. this time I was at home in. Clapham, London and was a relatively easy target for the persecutors. They have my. house bugged, for audio and I believe video in some rooms as well; so. they can find out easily where I will be going on a particular day,. and place people in that location to mouth words of abuse at me. (I. know the last sentence sounds like classic paranoia, but it happens to be true, and some. of the people reading this know it to be true.)

On Friday 11 February 2000 I went shopping in Croydon, to buy a. watch at H. Samuels jewellers in the Whitgift. Centre. While I was there two youths came into the shop, one of them quietly uttered. an obscenity at me, and they immediately walked out.. They showed no interest in the shop.

That Sunday I met with a friend. in Clapham, who started needling me about "do you know anything about the CIA and FBI?".. Rather unsubtle, and worrying considering Ive known this guy for 20 years. From the. words and demeanour of this "friend" and. others in February, I saw that the persecutors have again been trying to separate from me. what remains of my social. life.

Incidents in my Road. in February

MI5 very rarely place people in my home. road to harass me, but such was their. persecutory fervour in February that they did so on three separate occasions. On. the first such occasion, I was met my two youths who, grinning, said a deeply offensive sexual obscenity at me - at. which I coughed at them, so. they called me a "wanker". This incident is safely

recorded on minidisc-walkman,. but because of the offensive nature of their abuse the recording will not be made. public.

Another incident very early in. the morning of Sunday 20/Feb/2000 occurred outside my home, following an evening in. Croydon with some schoolfriends.. Again there were two youths - for some reason the persecutors always travel in twos or threes, very rarely is. there just one of them - perhaps they need. a group to bolster their courage, perhaps just one of them wouldnt have the guts to say something. unpleasant. One of the youths said quietly, and. bitterly, "shitty, very shitty".

Anyway, in March there were no further incidents near. my house in in my road, and our neighbours are. very well disposed towards us, so let us hope that the current quiet. continues.

Again, if your house was burned down, by whom? someone on any
of the Rec radios groups? What are the police doing about it some 2
or 5 years later? Same question applies to credit card theft, who was it?
That would be no problem to obtain the information of who used it, was
it someone form the rec radio groups?

3700. Mark has been counting posts, but not HIS!

Mark claims that in the past three weeks he counted the alleged forgeries
and said, "the result was 356 post forged in my name call or my wifes name
and "

Then he goes on to post three times that many IN A SINGLE DAY. Yesterday,
Sunday, he topped 1.000 in a single day.
Lets see...by his count, that would amount to about 119 posts in a week that
he claims are "foreries".

Heck, he's eclipsed 3,000 posts just this week alone.

And yes, I have already sent a complaint to Hughes and if they ignore me?
I'll print out some of Mark's posts and send them to Hughes via snail mail
at the address provided at
